SACRED HEART COLLEGE

(A U T O N O M O U S)

Tirupattur

Accredited by NAAC with CGPA of 3.31/4 at 'A+' Grade | Affiliated to Thiruvalluvar University, Vellore

Dear Sacred Hearts!

I am penning this foreword with a sense of gratitude to all the members of the College Community, for all your excellent support and cooperation, towards completing an event filled year 2019 with great zeal and enthusiasm. God Almighty and our Blessed Mother Mary have blessed us abundantly in 2019 and will guide us in all our endeavours in the New Year 2020.

The college has witnessed some important events that will embellish the annals of the college. The Ruby Jubilee celebration of the Department of Social Work is one among them. The establishment of the department in 1979 was due to the vision of the foresighted Salesians of that era. The department has grown from strength from the time of its inception with the committed Salesians, students and professors who have contributed to the long history of the department. I wish that the department will march with excellence towards its Golden Jubilee.

We are showcasing ourselves as a college deploying the state of the art technologies in teaching and learning. The application of the indigenously tailored e-Learning platform - MOODLE, is one such initiative. During my recent visit to the United States of America as a Fulbright Scholar between 5th to 19th of October 2019, I found the American Universities were using these technologies in teaching and learning. It was heartening to know that we are in line with international standards, but still, we have to improve in this perspective.

The college has established itself as a premier institute in the erstwhile Vellore District, and will be identified as a leading institute in the recently formed Tirupattur District. With a sense of greater responsibility, we have to project the face of the newborn Tirupattur District as an educational hub, by leading the way.

Faith can move mountains. Believe, really believe you can move mountains. Sometimes the difference between success or failure, confines to one thing - Belief. If you don't really believe that you can do something, without your full effort, your chance of achieving your goal greatly reduces. Belief triggers the power to do and hence helps us to reach our destiny. As quoted by the father of our nation Mahatma Gandhi "A person is the product of his own thoughts", we become what we think. Hence, believe big, and set your thermostat forward and accomplish your target.

The belief of God in humanity is evident from that He was born as a human being. In this season of Christmas we remember the birth of our Lord. I wish you and your family members, a Merry Christmas and a joyful New Year 2020. May the Lord and our Patron Don Bosco bless all your intentions in this season.

SHIYA - 2020

All India Young Innovator Award Competition was organized by Sacred Heart College, Tirupattur on 28.02.2020. It showcased 95 discoveries by 275 students from the Arts and Sciences Colleges of India. In particular, Students from Karnataka, Andhra Pradesh and Puducherry participated in the event. A team of specialists from Tamil Nadu visited the exhibited findings, evaluated the process and selected the top three innovations. They were given a certificate of appreciation and were awarded cash prizes. Arrangements were made on behalf of the Intellectual Property Rights Center of the College to obtain patent for the selected inventions.

Tirupattur District Collector, Mr. M.P. Sivanarul, inaugurated and addressed the gathering. He motivated the students to take part in such competitions. He said that, only with innovations, the society can progress. The Principal, Rev. Dr.D Maria Antony Raj, Rev. Dr .C.Antonyraj,the Secretarypresided over the function; the Vice-Principal of Shift-II, Rev. Dr. G. Theophil Anand, meticulously planned and coordinated the program.

Innovations on ensuring the safety of women, useful tools and technologies for the farmers, environment, health and hygiene were welcomed by the visitors. Of the 95 inventions that were on display, Sacred Heart College won the first three places for the best thought and innovation. The first place was given for the project titled **Portable Electronic Mobile Charging**, the second place was given for the project titled **Soilless Medium for Rooftop** the third place was given for the project titled **Degradable Sanitary Napkins**. Those who received the first three places were awarded cash prizes with Citation Award.

Community Day and Pongal Celebration

The Community Day of Sacred Heart College, being one of the moments to remind us of the unity, spirit and solidarity that unites and keeps the Salesians, the Management, the staff and students as a joyful family, was fittingly celebrated on 11th January, 2020 to honour our beloved Rector, Rev.Dr. Antony Raj. It was fitting because it's the month of Pongal that reminds us of our Tamil Culture, being one of the ancient and unique cultures in the world.

The Day was brightened with the celebration of the Holy mass, led by Rev.Dr.C.Antonyraj, the Secretary. It was followed by the celebrations in the Kamarajar Arangam. Rev.Fr.Mani Lazar's prayer service and presentation was heart touching that

left the audience pondering on the nature of humanity. Rev.Dr. D. Maria Antony Raj, the Principal, welcomed and felicitated the Secretary with his gracious words and heaped praises on the capacity of father at various levels. The occasion was further academically lit up by the releasing of online Journals: *Journal of Functional Materials and Biomecules* (Physics) headed by, Rev.Dr.G.Theophill

Anand, the Vice Principal (Administration Shift -II) and *Biowings*, magazine by the Department of Biochemistry. It was followed by the releasing of *Sacred Heart Times*, the E-News Letter of the college. Dr.G. Mohan Gandhi, Assistant Professor, Department of Tamil, on behalf of the teaching faculty, bestowed encomiums on the untiring service of Rev.Dr.C.Antonyraj. The Non-Teaching Staff sang a group folk song. The Salesian Community, to express their solidarity performed an action song. The Vote of Thanks was proposed by Dr.S.Kalaiarasi, Assistant Professor, Department of Mathematics.

COLLEGE DAY

The 69th College Day Celebrations of Sacred Heart College (Autonomous), were held on 1st February, 2020, in the college ground, at 5:00 P.M. Rev. Fr. Dr. C. Antony Raj, the Rector of the college welcomed the gathering and introduced the Chief Guest, Mr. K. Ravi, Senior General Manager – PE, TVS Motor Company Ltd., Hosur. The Chief Guest, the Rector and Rev. Fr. Principal distributed mementos to the Additional Principal, Vice-Principals, Administrator, Deans, Heads and members of the IQAC for holding various positions of high stature towards the growth and development of the college. Students were honoured for their excellence in their studies and extra-curricular activities. Scholarships and

medals were also awarded to meritorious students.

Mr. N. Shamuddin, a student from the Department of Computer Applications was specially appreciated by the Chief Guest and the College Management for creating a World Record for sketching the smallest drawing of the Seven Wonders of the World at the size of 0.5 mm. This world record was awarded to him by the Universal Achievers Book of Records and Future Kalam Book of Records, Chennai.

Rev. Dr. D. Maria Antony Raj, the Principal of the college read the report of the year 2019-20, followed by an audio-visual presentation. Mr. K. Ravi, Senior General Manager – PE, TVS Motor Company Ltd, Hosur felicitated the gathering. He appreciated & congratulated the faculty and students on their commendable achievements. In his talk, he recalled a Thirukkural “சொல்லுதல் யார்க்கும் எளிய அரியவாம் சொல்லிய வண்ணம் செயல்.” He appreciated the college for their humanity in rendering an unstinted service to the rural poor for the past seven decades. He narrated to the students his transformation from a humble beginning to a gold medalist and now a general manager working with top German Scientists. Mr. K. Ravi, asked the students whether they knew who they were. He said that this was one of the most difficult questions to answer. If one knew the answer to the question he/she would know his/her purpose in life. He stated that one could know oneself only by self-awareness and through others. He also highlighted the ABCD of life, i.e. ‘Having a right Attitude with a Break-through Mindset along with Commitment and Determination’. He exhorted the students to do what they feel is right and that experiments are the key to success. He encouraged collaborative learning. In his concluding remarks he urged students to do a self-examination in identifying the root cause of each problem and to solve them by applying the ABCD in their life to discover and conquer the challenges of everyday life.
