SACRED HEART COLLEGE

(AUTONOMOUS) Tirupattur

Accredited by NAAC with CGPA of 3.31/4 at 'A+' Grade | Affiliated to Thiruvalluvar University, Vellore

Dear Sacred Hearts!

We have successfully concluded a semester filled with events, including College Day festivities, Sports Day, Literature Festival, Heart Beat (cultural fest), SHIYA and Job Fair, to name a few. In addition to these shared initiatives, each department has successfully organized a number of seminars, workshops, and conferences. I congratulate the Salesians, heads of departments, faculty members, and students for their diligent execution of these academic achievements.

Mr. Nicholas Nembo, a Zambian commerce student in his final year at our college, has recently caught my interest. Although he comes from a business background, he has taught himself computer coding and become a self-made computer specialist, in addition to accounting. He created a website of his own accord with the noble purpose of attracting international students to his alma mater. Twenty of the thirty-five firms to which he applied for employment have selected him, and he now has various job offers from top corporations such as Indigo Airlines, Mahindra Automobiles, etc. A young man from overseas set a fantastic example for all of our natives in terms of hard work and dedication. I wish that his example would inspire other students to work hard and achieve professional success.

If you had the opportunity to pass by the "Zatti Hall" in the John Med Block, you might have questioned yourself who Zatti is. Well, Brother Artemide Zatti SDB was a lay Salesian. On April 8, 2022, the worldwide Catholic Church acknowledged his sanctity, and he will shortly be canonized as a saint. He was noted for his life of simplicity, humility, and compassionate care for the sick. He had a tender disposition that allowed him to easily comprehend the repercussions of poverty, exile, and fragility. He was a Good Samaritan to the impoverished and sick because he recognized God in them. The Salesian family is fortunate to have gained this new saint and I am proud to be part of such a family guiding many young minds to achieve their future goals. Through the intercession of St. Zatti, may all of us become compassionate Good Shepherds to our family members, people at our work places and society at large.

I hope that all students perform well in the semester examination. I wish the graduating students a prosperous career and encourage them to become active members of the alumni association.

May the Sacred Heart of Jesus and Our Patron St. John Bosco bless you all.

A handwritten signature in green ink, appearing to read 'D. Maria Antony Raj'.

Principal.

71st COLLEGE DAY CELEBRATION

The 71st College Day Celebration of Sacred Heart College was conducted on May 7, 2022, at 5.30 p.m. on the college grounds. The college day event gathered over 6000 staff, students, parents, and well-wishers.

The gathering was welcomed by Rev. Dr. John Alexander, SDB, the college's Rector and Secretary, as well as the Chief Guest Shri. D.M. Kathir Anand, honorable member of Parliament – Lok Sabha, Vellore Constituency, and the Guest of Honour Dr. Kaveriammal, the Regional Joint Director of Collegiate Education, Vellore.

The Additional Principal, Vice-Principals, Administrators, Deans, and Heads of several departments received mementos for their contributions to the college's growth and development. Students were recognized for their achievements in academics and extra-curricular activities. Meritorious pupils were also given scholarships and awards. Rev. Dr. D. Maria Antony Raj, SDB, Principal of the college, presented the annual report for the year 2021-22 in digital format, highlighting the college's accomplishments.

The Chief Guest, Shri. D.M. Kathir Anand, Member of Parliament - Lok Sabha, Vellore Constituency, praised the Salesian Community, staff, and students for their academic achievements. He was nostalgic for his days as a student in Don Bosco, Egmore. He remarked that he is who he is today due of Don Bosco's then-principals and instructors' supervision and loving care. He expressed his delight at being welcomed as a Chief Guest by his own teacher, Rev. Dr. John Alexander SDB, the college's Rector and Secretary. He cautioned pupils in his address to keep their thoughts focused because the

world is full with competition and adversity. He pushed pupils to taste success at least once, and he promised that if they did, they would love it. He observed that time and tide do not wait for anyone, and time is one of the most important aspects for a learner. He encouraged pupils to set a life goal and work toward it. He encouraged pupils to follow in the footsteps of Dr. A.P.J. Abdul Kalam, who once said, "You must dream before your wishes may come true." He claimed that a dream is not anything

one sees while sleeping, but rather something that keeps one awake.

A dream should transform one's thoughts into outcomes, and those outcomes into actions. He urged students to run for elections and take roles in government by becoming Ministers, MLAs, IAS and IPS etc. He closed his address by encouraging students to be more grateful to their parents, as they are attending a prestigious college because of their parents' sacrifices.

In her address to the gathering, the Guest of Honour, Dr. Kaveriammal, Regional Joint Director of Collegiate Education, Vellore, praised and congratulated the professors and students on their accomplishments. She inspired students by recounting her personal difficulties and ascension to the position of Regional Joint Director of Collegiate Education, Vellore. She emphasized that in order to succeed, students must study hard, be true, honest, and self-disciplined. She also encouraged children to be grateful to their parents, calling it the most divine of all virtues.

In honour of Ravi P. Agarwal, a prominent Indian mathematician, Dr. G. Britto Antony Xavier, Assistant Professor, Department of Mathematics, published an International Journal of Mathematica containing 25 peer reviewed articles. The college day also featured a number of cultural performances performed by students. Rev. Dr. K.A. Maria Arokiaraj, SDB, Additional Principal, Rev. Dr. Praveen Peter, SDB, Vice Principal, (Admin, Shift I), Rev. Dr. G. Theophil Anand, SDB, Vice -Principal, (Admin. Shift II), Rev. Dr. Gandhi Kallarasan, SDB, Campus Minister, Rev. Fr. Sathiyathan, SDB, Administrator, Rev. Fr. Daniel Ambrose, Director, Extension Education & Services, Deans, Heads of the Departments, faculty and students graced the occasion. Rev. Dr. G. Theophil Anand, SDB, Vice-Principal, delivered the vote of thanks (Admin. Shift II).

The off stage events comprised of events like Healthy and Tasty Snack preparation for Adolescents, Fruits and Vegetable carving which was conducted on 09.05.2022 from 2.00 pm to 3.00 pm at Carreno hall. Dr. M. Kumar, Assistant

Professor in Botany, Madras Christian College (Autonomous), Chennai served as the judge for the events. All classes competed for the on stage events comprised of Ads on Prods (Advertise your product), Campus Expert in the competition II B.Sc. Biochemistry bagged the first prize and crowned as the champions of BIOCHAMP 2022 and III B.Sc. Biochemistry was crowned as runners.

WORKSHOP ON “MUSHROOM TECHNOLOGY”

The PG and Research Department of Biochemistry organized a Workshop titled “Mushroom Technology” on 09th May, 2022. Mr. G. Sivaelango, Assistant Professor, Department of Biochemistry welcomed the gathering. Rev. Dr. Praveen Peter SDB, COE & Vice Principal (Administration) felicitated the resource person, Dr. M. Kumar, Assistant Professor, Department of Botany, Madras Christian College (Autonomous), Chennai with a memento. Dr. A.C. Gomathi, PG Head, Department of Biochemistry felicitated Rev. Dr. Praveen Peter SDB, with a memento. Rev. Dr. Praveen Peter SDB in his inaugural address explained the growth process of edible and poisonous mushrooms and advised the students to get expertise with the blooming mushroom technology. Dr. A. Jayaprakash, UG Head introduced the resource person. Dr. I. Niyas Ahamed, Assistant Professor, Department of Biochemistry released his book on Nanotechnology funded by TNSCST. The resource person, Dr. M. Kumar in his lecture elaborated on different species of edible and poisonous mushrooms available in various regions of Tamil Nadu. He provided hands on training to the students on spawn production and mushroom cultivation to the students. Students actively participated in the workshop and learnt the process of mushroom cultivation. Dr. I. Niyas Ahamed, proposed the vote of thanks.

OPPORTUNITIES IN BIOCHEMISTRY

PG and Research Department of Biochemistry conducted a Motivational Program on “Opportunities in Biochemistry” by Dr. R. Ananthalakshmi, Assistant Professor of National Sugar Institute, Kanpur, Uttar Pradesh, on **09-03-2022** at Oasis Hall. In this Program all PG Students got benefitted. Dr. A.C.Gomathi, PG Head, Department of Biochemistry was felicitated the occasion, Dr. I. Niyas Ahamed, PG President organized it. Dr. R. Ananthalakshmi, Assistant Professor

of National Sugar Institute, Kanpur, Uttar Pradesh, explained about the opportunities in Biochemistry and oriented about Competitive exams. It was a grand success.

OUTCOME BASED EDUCATION (OBE)

As part of the quality sustenance and enhancement activities, a workshop on “Outcome Based Education (OBE)” was scheduled for all the science faculty members (Maths, Physics, chemistry, Computer Science, Biochemistry, Microbiology, Counselling Psychology, BCA, and MCA) of our college on 21st May 2022 from 09.00 A.M. to 12.30 P.M. at John Med Block (Room No. 205).

The workshop begun with the invocation and Rev.Dr. Maria Antony Raj SDB, Principal briefed the objective of the works and welcomed the resource person and the participants.

The resource person Dr. F. Sagayaraj Francis, Professor, Department of Computer Science & Engineering, Puducherry Technological University, Puducherry made his presentation highlighting the following points.

- Outcome Based Education
- Outcome Based Curriculum Framework
- Outcome Based Teaching and Learning Process
- Outcome Based Assessment
- Course Outcome Attainment
- Programme Outcome Attainment
- Programme Educational Objective Attainment.
