Accredited by NAAC with CGPA of 3.31/4 at 'A+' Grade | Affiliated to Thiruvalluvar University, Vellore  
NIRF Ranked as 42<sup>nd</sup> College among the Colleges of India—2023

## **Dear Sacred Hearts,**

Greetings to You. I am delighted to connect with you through the latest edition of our newsletter SHC Times. It has always served as a platform for us to highlight the college's most recent activities and accomplishments.

The Women's Reservation Bill, a significant piece of legislation that has been the subject of debate and discussion in India for many years, is the first and most important recent significant event that I am proud to share with the readers. The bill aims to promote gender equality in the political sphere by reserving a certain percentage of seats for women in the country's legislative bodies, including the Lok Sabha and state legislative assemblies. In a nation renowned for its diverse and intricate social structure, it seeks to empower women and advance gender equality. I expect and also encourage our young girls to become more politically aware and engaged in the democratic process, fostering a sense of civic responsibility.

The 23<sup>rd</sup> of August was a memorable day for all Indians. The indestructible spirit of scientific innovation and curiosity that has always been at the core of the advancement of our country is exemplified by Chandrayaan-3. This mission's successful launch marks an important turning point for India's space programme and serves as motivation for all of us. We will be grateful for the work of the scientists who made this historical achievement possible. The majority of the scientists who worked on this mission came from very simple family background. As students of this prestigious institution, you are the torchbearers of the future and I urge you to take inspiration from the dedication and hard work of the scientists and engineers behind Chandrayaan-3. Let this mission serve as a reminder that no dream is too ambitious, no goal is too distant, and no challenge is impossible when we set our minds to it.

The Colleges and universities around the world have embraced green initiatives in recent years as part of their commitment to creating a sustainable future. These programs encompass a wide range of activities aimed at instilling in the importance of agricultural and environmental protection among future generation. We, at Sacred Heart College encourage students to participate in environmental initiatives such as planting one lakh palmyra seeds in and around Tirupattur as part of the Green Initiative. Students successfully planted 65000 seeds so far and plan to continue with such green initiatives in the future too.

It's easy to get caught up in our ambitions, challenges, and obligations in the hustle and bustle of our daily lives. Gratitude is a state of mind that can cultivate happiness, strengthen relationships, and improve our overall quality of life. Through this message, I want to encourage each of you to always be grateful for the blessings which you have received.

As we celebrate our 76<sup>th</sup> Independence Day, let us gratefully remember the martyrs who sacrificed and struggled to attain independence from the British. Let us in unison, pray to the Lord for the prosperity and peace of Mother India.

I conclude by congratulating all the contributors for bringing out Sacred Heart Times that truly reflects the spirit of our college. May it serve as a source of inspiration for generations to come.

May God Bless Sacred Hearts!

With Prayers and Wishes

**Rev. Dr. D. Maria Antony Raj SDB,  
Principal.**

## 76th Independence Day Celebration

On the vibrant morning of August 15<sup>th</sup>, 2023, the college grounds resounded with patriotism and unity as Sacred Heart College came together to celebrate the 76<sup>th</sup> Independence Day of the nation. The event commenced at 8:30 a.m., marking a momentous occasion for all attendees. The Chief Guest for the event was Mr. Gnanaraj, Office Assistant, recognized for his hard work and dedication to the institution. As the sun rose, students, faculty, and staff gathered, brimming with enthusiasm to pay tribute to the nation's freedom fighters and commemorate the struggles that led to India's independence.

The event began with the soul-stirring rendition of the "Thamizhthai Vazhthu," which encapsulated the spirit of the occasion and invoked a deep sense of pride in our cultural diversity. The Additional Principal, Rev. Dr. K.A. Maria Arockiaraj, in his welcome address, expressed his heartfelt gratitude to the attendees for joining the celebrations and highlighted the significance of Independence Day in fostering a sense of unity and patriotism among the college community. The highlight of the morning was the unfurling of the Indian National Flag, by Mr. Gnanaraj. The tricolour fluttered majestically against the azure sky, symbolizing the sacrifices of countless freedom fighters who had dreamt of a free and sovereign India. Mr. Gnanaraj's address was a stirring reflection on the significance of freedom and the responsibilities it entails. He spoke about the role of the youth in shaping the nation's future and urged everyone to embrace the principles of equality, justice, and inclusivity.

Following the flag hoisting, the college's NCC contingent showcased their discipline and precision through an impeccable drill performance, which left the audience awe-inspired. The synchronized movements of the cadets served as a reminder of the importance of dedication and teamwork in upholding the values of our nation. It was followed by the release of Sacred Heart Times, Newsletter by the chief guest, Mr. Gnanaraj the Rector, Rev. Dr. Praveen Peter and the Additional Principal, Rev. Dr. K.A. Maria Arockiaraj. The event culminated with a heartfelt vote of thanks delivered by NCC Cadet Sowmya. Gratitude was expressed to the Chief Guest, faculty, staff, and students for their participation and efforts in making the celebration a resounding success. The Independence day celebration was organized and well-coordinated by Lieutenant, Dr. K. Sivakumar, NCC Officer.

As the sun reached its zenith, the resonating notes of the national anthem echoed across the college grounds, bringing the event to a close on a harmonious note. The attendees left with a renewed sense of patriotism and commitment to contribute to the growth and progress of the nation. The 76th Independence Day celebration served as a reminder that the journey to a stronger and more prosperous India continues, driven by the collective efforts of its citizens.
