**SACRED HEART COLLEGE (Autonomous)**  
**TIRUPATTUR, TIRUPATTUR DIST. 635601**  
**71<sup>st</sup> COLLEGE DAY REPORT 2022**

A pleasant good evening to one and all.

“Our Good Deeds have an Evangelistic Effect” (Matthew 5: 14-16), as says the Holy Bible, here I am to let the light shine on the good deeds of Sacred Heart College for the year 2021- 2022.

Respected Chief Guest of the day, distinguished dignitaries, dear fathers, professors, non-teaching staff, media persons, my dear students and friends.

I consider it an honour to address you on this wonderful occasion of Sacred Heart College's 71<sup>st</sup> College Day festivities. As I have been entrusted with the task of managing the College as the Principal, I have the highest satisfaction and pleasure in bringing to you the annual report of this profound institution, which has evolved in leaps and bounds from its glorious start in 1951.

"Arise and shine, and let your light show upon mankind," God says, and we have seen God's promises coming true in the personal and corporate lives of this College. "Let us continue as we have done thus far and put everything in God's hands," as our founder and father, St. John Bosco, stated. As a result, we continue to put our faith in our Lord and enthusiastically pursue greatness.

Recounting all God has done for this institution over the previous 71 years, especially during this epidemic period, seems incredible. Sacred Heart of Jesus, via our college, has prepared us for all great things, and I am confident that we have made use of all of the chances presented to us in our quest to improve in all the aspects of our lives.

On this special day, I'd like to express my gratitude to **Rev.Fr.K.M. Jose, SDB**, our college Chairman and the Provincial of our Chennai Province. He has been a cornerstone in the institution's growth and development. On behalf of the college, I want to express our heartfelt gratitude and appreciation for everything that he has done for us.

I would like to express my heartfelt appreciation to our beloved Rector Rev. **Dr. John Alexander, SDB**, for his profound leadership, flexible guidance, and tremendous assistance that have enabled Sacred Heart College to achieve new heights. He is a pillar in administration and academics, and he is always prepared to assist and advise us when we need it the most. I should also remark that he takes a deep interest in the progress of the college in all aspects and is second to none. I genuinely appreciate him for everything he does for us.

I would also want to express my thanks to **Rev. Dr. K. A. Maria Arokiaraj, SDB** for his great support and administrative assistance in ensuring the smooth functioning of Shift-II of our college.

I am especially grateful to the Vice Principals, Rev. Dr. Praveen Peter, SDB (Shift-I) and **Rev. Dr. G. Theophil Anand, SDB** (Shift-II), who have done an outstanding job in overseeing all of the College's programmes. In particular, I would want to express my appreciation to **Rev. Dr. Praveen Peter, SDB**, who also serves as Controller of Examinations. He has administered all of the exams flawlessly and has always published the results on schedule. I would also want to thank **Dr. S.R. Xavier Raja Rathinam**, Vice-Principal (Academics) Shift-I, and **Prof. A. Josephine Sagaya Mala**, Vice-Principal (Academics) Shift-II, for their unwavering support.

Any educational institution's growth is dependent on its devoted employees who share the burden. "Unity is Strength," as the adage goes, when there is teamwork and collaboration, beautiful things may be accomplished. The same can be said about our devoted faculty members, non-teaching personnel and support staff who render their services for the growth of the institution. I would like to congratulate all department heads, deans, office bearers and employees for their outstanding contributions during this academic year.

I am here to deliver our college's annual report for the academic year 2021-22.

## NOTABLE INITIATIVES

### HELPING THE NEEDY

Take the higher route in any crisis, uncertainty or confusion - the path of compassion, bravery, understanding and love. Despite the fact that the COVID-19 epidemic has caused mankind concern, worry, loss and misery, it has provided Sacred Heart College with yet another chance to help the needy and underprivileged.

During this period, many people were in desperate need of food and medicine. To assist the marginalised, disadvantaged and destitute, as well as to combat the spread of Covid-19 in Tirupattur District, 500 corona virus-infected families were distributed with Covid-19 preventative home care kits and nutritional supplements. A total of **Rs. 25 lakhs** was raised as donations. This was spent for each household receiving a packet containing a medical home care kit valued at Rs. 3000 and a box of dry rations valued at Rs. 2000.

### VACCINATION CAMP

Protection and security are only useful if they do not obstruct life too much. Our government has set up a lot of inoculation sites to fight the spread of COVID 19. It's worth emphasising that our college has acted as a platform for yet another humanitarian cause by reaching out to the general public. Our college has organised a total of **23** special vaccination camps in collaboration with the district administration wherein about **2500** individuals received their vaccination.

### DAUGHTERS OF HOPE

Hope is the only thing that can get us through the darkest times. Nobody's life will always be pleasant and no one will be able to solve all of the world's issues at the same time. During the pandemic, the daughters of Hope was an effort created by the fraternity at Sacred Heart College to reach out to the children of deceased staff members. The Daughters of Hope project raised a total of **Rs.10 lakhs**, from staff and management for the future education and benefit of deceased staff members' children.

## **INTRODUCTION OF REVISED CURRICULUM**

One recalls the great academics with admiration, but also with gratitude for those who touched our human feelings. Due to the crucial nature of curriculum progression to the institution's performance, an updated and redesigned curriculum was implemented beginning this academic year, incorporating the following major features:

- Equal weightage for internal and external components.
- Greater flexibility in evaluation modules to improve students' learning abilities.
- Greater emphasis on fostering students' employability and entrepreneurship.
- Mandatory projects/ internships for UG students.
- Components to assure outcome-based education.

## **LAUNCH OF REDESIGNED COLLEGE WEBSITE**

"Design is the visualisation of thought." To achieve online success, the College administration has worked hard to update and remodel the College website to make it more user accessible and informative.

## **EDUCATIONWORLD RANKING**

The most potent weapon you can use to alter the world is education. Education is not about memorising knowledge, but rather about teaching the mind to think. Sacred Heart College is ranked **19<sup>th</sup>** among autonomous institutions and **sixth** in Tamil Nadu in the Education World Rankings, making it an example institution with excellent standards.

## **COLLABORATION WITH DISTRICT ADMINISTRATION**

This institution has become stronger throughout the years as a result of its desire to work with the local administration, particularly with our District administration, to organise the following events.

- Election officers were given training for state assembly elections, panchayat elections and municipal elections

- A series of **23** public vaccination camps were held in the College premises to combat the epidemic.
- From April 2<sup>nd</sup> to April 9<sup>th</sup>, 2022, a week-long book festival with over a lakh volume of books was organised with over **25,000** visitors.
- A unique training programme for panchayat leaders to teach them how to use computers was organized on 29<sup>th</sup> March, 31<sup>st</sup> March, 4<sup>th</sup> and 5<sup>th</sup> April, 2022 benefitting **260** Panchayat leaders.
- Job Mela with District Placement Office was organized on 27<sup>th</sup> November 2021, in which a total of **77** Recruiters offered placements to **1060** prospective graduates.

### **CENTRE FOR COMPETITIVE EXAMINATIONS**

With the goal of increasing student employability, the College is working hard to train and equip students with the necessary skills. To promote maximum enrolment and performance in competitive exams, a specialised competitive examination centre has been established in the campus. I appreciate Dr. Ajay's support in this initiative. This year, series of programmes were conducted to benefit the students and so far, **55** students were trained out of which dozens of students have started benefitting. I am sure this strenuous effort will bear much fruit in the days to come.

## RETREAT FOR TEACHERS

Our spiritual journey does not take us away from the world; rather, it draws us deeper into it. Prayer is the solution for a confused mind, a weary soul, and a shattered heart, and spirituality is the skill of keeping the fire alive inside ourselves. On November 27<sup>th</sup>, 2021, Sacred Heart College had conducted a faculty retreat for Catholic and non-Catholic staff separately. A separate retreat was also organised for non-teaching staff.

## RETREAT FOR STUDENTS

A spiritual retreat is a soul-healing medication. We begin to fill our empty reservoir via stillness, solitary practice and basic life. A spiritual retreat removes the veils, dissolves the masks and makes room within for the repressed sentiments of forgiveness, compassion and loving kindness. Sacred Heart College hosted a retreat on November 20, 2021, to replenish students' spiritual energies.

## STUDENT SERVICES

### COUNSELLING

We value emotional health just as much as we value physical health. Because therapists are in the business of liberation, they assist clients in letting go of painful self-stories, alienating present-day stories, and restricting future stories. People were not just physically harmed by the epidemic, but also psychologically, emotionally and financially. As a result, Sacred Heart College created an online psychological counselling programme for COVID victims, relatives and survivors benefitting 125 individuals. Regular counselling was provided to **575 students** after the lockdown was lifted.

### PLACEMENTS

Future belongs to those who believe in the beauty of dreams. Yes, placing our students in fulfilment of their dreams and their parents, rings loud in the proceedings of the College. Thanks to the untiring efforts of the placement team, **so far 40 companies** had conducted recruitment drives to offer over **208 placements**.

The cell has also organized these employability events to prepare our students for recruitment

- Workshop on Medical Coding and Its Benefits for Life Science Students
- Workshop on Career Opportunities in Mathematical Sciences.

## **ONLINE TRAINING CENTER FACILITY WITH REDINGTON**

A project collaboration between Sacred Heart College and Redington CSR Foundation, provides the concept training Center facility for the College students. This foundation has come forward to offer free training to the final year students with the high-end software and value-added courses. About 100 students are being inducted under this programme and are being rigourously trained to obtain employability.

## **SACRED HEART FEAST**

A happy feast begins with a tiny cheer and a warm welcome. The feast is made not by the amount of meat served, but by the attendees' joy. Every year, our Sacred Heart College holds a Feast to commemorate Jesus' Sacred Heart's teachings, values, and ideals. Despite the fact that the pandemic had a significant influence on our lives, the teachings and pedagogies of the Sacred Heart of Jesus did not end there. The Sacred Heart Feast took place on 7<sup>th</sup> September 2021, in the presence of Rev. Fr. Agilan SDB, Provincial of Trichy, and Rev. Fr. Pappuraj SDB, Administrator of Don Bosco Boys Home, Gandhi Nagar, Katpadi, as well as all the Salesians, staff and students.

On September 8<sup>th</sup>, 2021, the birthday of Blessed Mother Mary, also known as the 'Vailankanni Mother Feast,' was celebrated at Sacred Heart Shrine, with **Rev. Fr. K. A. Maria Arockiaraj SDB** officiating the mass.

## **ADORATION**

Adoration is concerned with God first and foremost. Gathering with God's people in undivided worship of the Father is the most crucial component of Christian life, just as prayer is. During the pandemic the students and other stake holders were depressed and were in need of spiritual energy. To meet this need, online adorations were organized to renew spiritual interest, enhance people's confidence in God and promote their spiritual well-being.

## **INFRASTRUCTURAL DEVELOPMENTS**

### **CARLOS MEDIA CENTRE**

Digital media has been a critical driver of technical progress and human development. Technology works best when it brings people together, but it has become painfully clear that it has outgrown our humanity. The Carlos Media Center was one such project, featuring cutting-edge technology and cutting-edge infrastructure allowing staff and students to engage in ICT-enabled teaching and learning. I am grateful to the former students who kindly donated to the development of **Carlo's Media Centre**. This new feature will undoubtedly improve the quality of teaching and learning. May God reward them for their charity.

### **FR. P.M. THOMAS SCHOLARSHIP**

Under this noble venture, **Rs. 82,900/-** was distributed to ensure the continuity of the education of these deserving children.

## **DEATH ANNIVERSARY**

Death is never the conclusion of a journey, but rather the beginning of a new one. The phrases "you are loved," "you are missed," and "you will be remembered" don't merely express sorrow; they also honour a person's legacy. The 50th death anniversary of Rev.Fr. Joseph Murphy was observed on November 14<sup>th</sup>, 2021, to honour his service and legacy. True to the inscription placed on his head stone, "THOUGH HE IS NO LONGER ALIVE, HE STILL SPEAKS" (HEB: 11.4), Fr. Joseph Murphy's principles of hard work, compassion, God's supremacy, his love for the poor continue to live in the hearts of Salesians and young people in this campus.

## **45<sup>th</sup> GRADUATION DAY**

Graduation is only the beginning; it is not the conclusion. The hats spun aloft, pushed by huge, daring aspirations and dazzling fresh hopes. Graduation is the culmination of the students' efforts as they prepare to embark on the most exciting and adventurous phase of their life.

## **CHRISTMAS CELEBRATION**

Christmas is about giving without expecting anything in return. We share happiness because we see individuals who are happy. As a Christian Institute, Sacred Heart College students and faculty celebrated Christmas on December 21<sup>st</sup>, 2021.

## **SHARING DAY**

Be willing to share your good fortune. The only wealth that lasts is that which is given away. Giving entails more than just making a monetary contribution. It all comes down to making a difference. Sacred Heart College students were able to spread the joy of giving to the communities surrounding Tirupattur on December 18<sup>th</sup>, 2021. **19** various departments of the College met people in more than **35 villages** and shared their gifts with the needy and less privileged.

## **FOOD PACKETS FOR PEOPLE**

A flood is a natural calamity that causes us to experience existential crisis to varying degrees depending on how much it upsets our sense of routine. Every difficulty we face in life is a flood that first pushes us out of our comfort zone and then challenges us to overcome them. ### CONCLUDING REMARKS

**‘Children and Young People are the Future; They are our Strength; They keep us moving forward. They are the Ones in whom we put our hope.’** As said by Pope Francis, we at Sacred Heart College strive for excellence in everything we do, especially in training young minds. With rising higher education demands, we are being challenged to broaden our horizons and reach new heights. In the end, we hope to educate and empower the young people who enter this incredible institution. True to our college motto and to the thought of our Father and Founder, St. John Bosco I am convinced that we are prepared for whatever good job or challenge is ahead of us.

I thank God, our Blessed mother and all stakeholders for their contributions to our college's success.

God bless Sacred Hearts!
