attendance is mandatory for the online classes. The attendance marks will be given based on your attendance to the online classes and I have given guidelines to all the staff members regarding this. I have also instructed the HODs to draw the timetable and circulate it to you at the earliest and kindly cooperate with them.

5. The internal marks for CA components will be done by taking in to consideration your attendance, performance in assignments, Multiple Choice Questions (MCQ) tests and others which will be conducted as per the discretion of the course teacher duly approved by the head of the Department. All these exercises will be conducted through online mode so kindly be prepared for this.

6. This online teaching and learning has become the new normal worldwide and hence I urge you to become familiar in using the technology and tools meant for e-learning until the College reopens when we will have face to face teaching and learning.

7. As I have already mentioned, since the official functioning of the College has already started from 3rd August 2020, I appeal to all of you to pay the College Fees in TWO installments. The first installment is to be paid before 5th September 2020 and the second installment is to be paid before the semester exam. The payments can be done through online mode by logging in with your ID in the college website.

I convey my wishes and prayers to all of you.
