DIGITAL PAYMENTS

Digital payments for all financial transactions as per MoE directives:

We have integrated with ERP for our organization processes. Catholic Syrian Bank Web Servers cloud are used for storage of data & information.

ERP Document

Office Module

All the segments of the college office including student services, fee payment and customizable reports can be created in this regard.
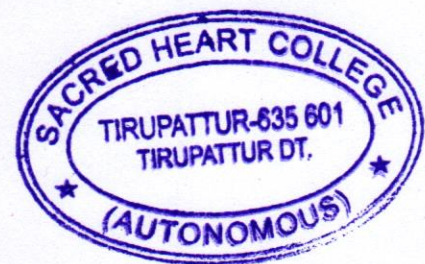

ERP (Finance Package)

AcME.ERP is an Enterprise Resource Planning software solution for religious and non-profit organizations (NPO) which provides simple, user friendly and computerized software to maintain all the institution accounts and it allows to generate reports of all accounts transactions.

It is deployed as Head Office and Branch Office suite. Head office has the control over the branch offices by enforcing the branch offices to follow certain policy. Head Office admin creates the masters and those masters can be downloaded by the Branch Offices on demand from the Head Office.

Following are the AcME.ERP modules:

- Finance
- Statutory
- Payroll
- Asset
- Stock

Digital payments:

- We have integrated with payUmoney aggregator for online payment transactions through dash board. All the student fee will be collected through online only.
- NEFT / RTGS transactions are also convened for payment of fee.
- Card Payment transactions are also convened for payment of fee.
- UPI Payment gateway transactions are also convened for payment of fee.
- All the registration fee for in house programs will be collected through online only through online payment links in institution ERP.
