## INNOVATION CELL

Innovation is conversion of idea leading to improvement in way of doing things depending on availability of resources with guidance from those who are more experienced around us.

Innovation Cell is thus envisaged to network people, ideas, experience and resources to motivate the innovation community in the college. This cell helps to nurture the students' ideas and encourage them to bring up business proposals. The Innovation Cell may facilitate even in getting funds for the project.

The college has initiated an innovation cell aiming at: Identifying & validating problem statement, market research and segmentation, design thinking & product feature engineering, understanding complex customer & competitor dynamics, raising fund and manage growth.

### Objectives of the Cell

- To motivate students to bring out their hidden talents in various disciplines of Management and Computer Applications.
- To provide platform to realize and believe in themselves.
- To empower students to become young entrepreneurs.
- To create an innovative environment for the students to discover, develop, deploy and express their skills and talents.
- To motivate students to take part in Hackathons & prototype development, Technical Tutorials.
- To encourage students to carry out their hidden talents in various disciplines of Management and Computer Applications.
