**About Sacred Heart College (Autonomous) Tirupattur.**

Very Rev. Fr. Joseph Carreno SDB, a far-sighted missionary from Spain founded Sacred Heart College in the year 1951. It started functioning with 10 teachers and 81 students and in a short period of seven decades, it has grown into a postgraduate and research. With the view to cater to the needs of the deserving local students, the college also offers Undergraduate Programmes and Postgraduate Programmes in the Shift-II on self-financing basis. Recognizing its academic contributions, the University of Madras conferred the autonomous status on the Postgraduate Programmes of MSW (Social Work) and M.Sc. (Mathematics) from the academic year 1987-88. Subsequently, in the year 1988-89, autonomous status was conferred on the postgraduate programme of M.A. (Economics) and on all the Undergraduate Programmes. Meanwhile the Shift-II affiliated to Thiruvalluvar University, Vellore, was functioning in the non-autonomous mode. The College received the approval from AICTE (All India Council for Technical Education) to commence MCA programme on self-financing basis from the academic year 1998-99. In the same year, the College was accredited for the first time by NAAC with Four Stars.

In 2006, NAAC reaccredited the College with 'A' Grade. 'Guezou Hostel' for men was inaugurated to accommodate the increasing number of men students. In 2007, Autonomous Status was conferred on to the entire college and the college opened itself to admit women students in UG Programmes. In the very next year we introduced Choice Based Credit System (CBCS). Besides many undergraduate and postgraduate programmes from the Thiruvalluvar University, the AICTE approved MBA Programme. In 2012, the College focused itself on research and a research centre was created and it was named as Abdul Kalam Research Centre (APRC).

In 2013, the College was once again accredited by NAAC (3<sup>rd</sup> Cycle) with 'A' Grade. From the year 2015, digitalization of administration began and it is very successful mainly due to the in-house development of softwares. The year 2016 saw a new entrance and a well-furnished new building (Bicentenary Building) to accommodate more number of departments. In the same year restructuring of all the courses were done after a long process of consultation and academic audit of all departments. In 2017, the Ministry of Human Resource Development, Government of India has ranked our College as 95<sup>th</sup> College in India. Over these years the College included additional degree courses and diploma courses to provide quality education to more young people. As we see the college undertook a forward march and never turned back. We continue to march together with our faculty, staff and students towards excellence.
