III. Minutes of the Meeting

The Board of Studies meeting started with a prayer. All the members of the board were present. Dr. S. Sagayaraj formally welcomed the members of the board. Prof.R. Sandrilla read the 29th and 30th minutes of Board of Studies meetings and the minutes were passed.

The first phase of OBE structure framework along with the B.Sc., curriculum structure was discussed. The program structure for B.Sc. was discussed. The Curriculum for B.Sc (Computer Science) for the III and IV semesters was discussed. Each subject was scrutinized and appropriate improvements were made as suggested by the members of the board.

The following suggestions were made in the meeting:

- Group of Courses can be included as an Elective
- Case Study on OS can be given as assignments to the students for the course Operating system.
- Suggested to use the terms used in the Model UGC curriculum

- It was suggested to include problem solving Techniques in the first semester and then to combine the courses Computer Organizations and Compute Architecture together. The committee recommended problem solving as pre requisite for DS and C.
- It was suggested to update the HTML course syllabus to HTML5.

Finally Mrs.A.Josephine Sahaya Mala delivered the vote of thanks.

Resolutions

1. Resolved to recommend the programme structure of B.Sc under the choice based credit system.
2. Resolved to recommend the curriculum for the I, II III and IV semesters of B.Sc (Computer Science) under the choice based credit system.
