INTEGRATION OF NATIONAL EDUCATION POLICY - 2020 @ SHC

Inclusion of Non-Major Elective Courses (NMEC) in all Undergraduate Programmes Multidisciplinary and Interdisciplinary education to its Postgraduate Programmes CBCS 4.0 (2021), further enriched the curriculum by incorporating essentials like Group and Movements, Outreach in the co-curricular domain and additional credit courses in the curricular domain

Recognizing the importance of credit transfer and in adherence to the National Education Policy of 2020, Sacred Heart College enrolled itself in the National Academic Repository (NAD).

The alignment of every programme's vision and mission with the Graduate Attributes, Programme Outcomes (POs), and Programme-Specific Outcomes (PSOs) has been a priority since 2022.

To ensure a well-rounded educational experience, a systematic mapping has been established, linking POs to PSOs and subsequently to COs.

The institution has facilitated a diverse variety of certificate courses, value-added programmes, and diploma courses, both within its premises and through prominent online platforms.

Students have actively explored online courses offered by prestigious platforms such as MOOCs, SWAYAM, NPTEL, and other recognized entities.

Skill-based courses, Add-on Programmes, Value Added Courses and Diploma Courses are offered by all the Departments to hone the subject based and employability skills among the students.

The College ensures the Skill Acquisition of the students by periodically updating the Curriculum to fulfill the demands of the job market at National and Global Level. By fostering a commitment to lifelong learning, ethical behavior, and social awareness, the Department of Life Education plays a pivotal role in shaping individuals who are not only academically proficient but also socially responsible.

Additionally, academic departments, including Tamil, English, Economics, History, and Social Work, offer courses designed to infuse Indian culture and knowledge into their respective fields of study.

At SHC, there's a profound recognition of the transformative potential of distance education and online learning, and a commitment to promoting lifelong learning.

The Don Bosco Skill Center offers its courses in a blended mode, combining both online and traditional methods to provide a comprehensive learning experience.
