

Curriculum Feedback Analysis and Action Taken Report from the Student

M.A. English

2018-2019

Analysis Report

The English Department has received insightful feedback from students regarding the academic curriculum. Students appreciate the strong emphasis on developing communication skills, which they find beneficial for their academic and future professional endeavors.

Action Taken Report

A committee has been formed to review and enhance the curriculum, with a specific focus on incorporating a wider range of contemporary literature. This initiative aims to address students' requests for a more diverse reading list.

To maintain an open channel of communication, the department is implementing a regular feedback mechanism where students can express their thoughts on the curriculum. This ensures ongoing responsiveness to their evolving needs.

Curriculum Feedback Analysis and Action Taken Report from the Teacher

M.A. English

2018-2019

Analysis Report

Some teachers express a desire for more diverse and contemporary literature in the curriculum, suggesting that a broader range of texts could enhance their engagement and interest.

Action Taken Report

The positive feedback regarding the strong foundation in English literature and language studies has encouraged the department to continue fostering a diverse and comprehensive curriculum.

To bridge the gap between academic learning and real-world applications, the department is organizing guest lectures and sessions where industry professionals share insights and experiences. This provides students with a more holistic perspective on their field of study. The English Department is dedicated to continuous improvement based on student feedback.

Curriculum Feedback Analysis and Action Taken Report from the Employer

M.A. English

2018-2019

Analysis Report

The Department of English received feedback from the employers of our students. Our students are placed as teachers, professors, both in public and private sectors. The following report is based on the feedback received from the available employers.

The employers are happy with the work performance of our students who are good in communication skills and ready to take new assignments. They appreciated their performance pertaining to teamwork, leadership qualities, creativity, developing practical solutions to the problems.

Action Taken Report

The English department has strengthened ties with organizations to provide more internship opportunities, allowing students to gain practical experience and further develop their skills in real-world settings. The syllabus related to English language is revised.

The English Department remains dedicated to producing graduates who not only excel academically but are also well-prepared for the demands of the professional world

Curriculum Feedback Analysis and Action Taken Report from the Alumni

M.A. English

2018-2019

Analysis Report

The curriculum feedback was collected for the academic year 2018-2019 and the lasting impact of my education in the department. The comprehensive exploration of English literature and language has provided a solid foundation for professional activities.

Opportunities for interdisciplinary studies could be explored to enhance the relevance of the curriculum.

Action Taken Report

In response to the valuable feedback provided by our esteemed alumni for the academic year 2018-2019, the English Department has taken several proactive measures to enhance the overall experience and address key areas of consideration.

A new elective course focused on contemporary literature has been added to the curriculum, exposing students to recent literary trends and emerging authors.

Curriculum Feedback Analysis and Action Taken Report from the Academic Peer

M.A.English

2018-2019

Analysis Report

As an academic peer closely connected with the English Department during the academic year 2018-2019, I am pleased to offer constructive feedback based on my observations and interactions with the department.

Considering joint research initiatives or collaborative projects with other departments could amplify the department's research output and foster a more interconnected academic community.

Offering more specialized training or workshops to faculty members in emerging areas of English studies could enhance expertise and academic contributions.

Action Taken Report

In response to the valuable feedback provided by our esteemed academic peer for the academic year 2018-2019, the English Department has undertaken a series of proactive measures to build upon strengths and address areas for refinement.

Specialized training and workshops in emerging areas of English studies are being planned to ensure faculty members stay abreast of the latest developments in their respective fields.

These action steps aim to build upon our strengths and address areas for enhancement, ensuring that the department remains at the forefront of providing a dynamic and enriching academic experience.
