

Feedback Analysis and Action Taken Report from the Student

M. A English

2020-21

Analysis Report

The Department of English gathered feedback from students, focusing on strengths, areas for improvement, and alignment with current industry trends. The analysis covered course content, teaching methodologies, and the overall learning experience. The curriculum offers a diverse range of topics, providing a comprehensive understanding. Practical applications and real-world scenarios enhance learning, though there's a perceived need for more hands-on projects. Some courses could benefit from updated materials. While relevant, there's room for greater integration of emerging trends and technologies.

Action Taken Report

Initiated feedback sessions with fellow students to compile comprehensive insights. Proposed the inclusion of practical projects in relevant courses, emphasizing hands-on experiences. The proposal has been submitted to the department for consideration.

Feedback Analysis and Action Taken Report from the Teacher

M. A English

2020-21

Analysis Report

The English Department benefits from dedicated faculty committed to students' success. The curriculum exhibits a well-organized structure, with foundational concepts adequately preparing students for advanced coursework. There's an opportunity to enhance the practical application of theoretical concepts, and some modules could benefit from updated case studies and industry-specific examples.

Action Taken Report

Organized workshops to collaboratively review and enhance specific courses. Focus on practical applications, updated case studies, and relevant industry examples to make content more dynamic and applicable. Facilitated collaborations with industry experts for guest lectures to bridge the gap between theoretical concepts and real-world applications.

Feedback Analysis and Action Taken Report from the Alumni

M. A English

2020-21

Analysis Report

The department excels in fostering a strong connection with alumni. Alumni initiatives demonstrate commitment, while the curriculum, though generally relevant, needs periodic reviews for alignment with emerging trends. Integration of technology and real-world scenarios could enhance certain courses' practicality.

Action Taken Report

Organized workshops for faculty members to enhance specific courses with practical applications, updated case studies, and relevant industry examples.

Feedback Analysis and Action Taken Report from the Employer
