

# **ACTION TAKEN REPORT**

## **UG Department of Mathematics**

**2018-2019**

- To ensure continued quality, the steps adopted depend on new teaching techniques, stakeholder participation, and continual development.
- In addition to identifying beneficial aspects and outlining steps for development, this action taken report demonstrates a commitment to providing an exceptional educational experience.
- To maintain continued success in student support, the steps made center on improved communication, ongoing improvement, and technological integration.
- This action taken report identifies positive features, provides recommendations for development, and confirms a commitment to offering students complete assistance through efficient follow-up procedures.
