

ACTION TAKEN REPORT

PG & Research Department of Mathematics

2018-2019

- The activities are conducted on sustaining the encouraging trend, ongoing development, and remaining aware of the changing requirements of industry and students.
- The initiatives are implemented on maintaining and boosting the contentment via ongoing assessment, curriculum development, and faculty advancement.
- The initiatives undertaken center on ongoing innovation in support and communication tactics as well as continuous development. The objective is to make sure that students' changing demands are satisfied while also improving the efficacy of follow-up procedures.
