**Feedback Analysis and Action Taken Report**

AY: 2019-2020

**Feedback Analysis:**

The Department has analysed the feedback of the employers of our students and from the analysis the following points were observed.

Our students have shown good working knowledge in the organisations. They exhibited their talents based on the knowledge that they gained over their education. They also have the habit of learning from others as and when they need. Some of our students have facing the problem of communication which makes them more uncomfortable. Some of our students were found to be good in the accounting skills by using the computer skills duly learning and understanding the accounting softwares.

**Action Taken Report:**

The Department has taken efforts to increase the attitude among the students. The Department makes some activities along with guidance of staff members which increases their skills on the communication. The students of all the classes in our department were asked to participate in more events organised by our department and as well as from other colleges. The Department has introduced some innovative subjects in the curriculum so as to increase the wisdom of our students to meet the current demand in the industries.
