

Alumni Curriculum Feedback Analysis

Academic Year 2020 – 2021(ODD SEMESTER)

Question1: synchronization of theory and practical

Question 2: Availability Textbooks/materials

Question 3: Coverage Modern/Advanced Topics

Question 4: Do the subjects satisfy ones need?

Question 5: Usage of Technology and Teaching Aids

Question 6: Students Follow up

Question 7: Usefulness of tests and Assignments

Questions: 15 – 19

Q15: New subjects to be added to the proposed curriculum

- Java Script
- Java Script
- cloud services
- Node.js

Q16: Subjects to be removed from the present curriculum

- computer graphics
- nil
- computer graphics
- nil
- Nill

Q17: Are there topics that should be added to the subject?

a. Subject name

- no
- Web designing
- Java Script
- Cloud Services
- Node.js
- Nill

b. Topics to be added

- No
- Java script Bootstrap
- Js versions
- SAAS, AWS, XAAS, IAAS and the structure of cloud
- Node.js Mongo DB

Q19: General suggestions for improvement of the curriculum

- python
- Organize more workshop to grow more skills
- need to add some more topics
- Upgrade the subject with respect to the latest trends and technology
- need study book all students
- Nill

Alumni Curriculum Feedback Analysis

Academic Year 2020 – 2021(EVEN SEMESTER)

Question1: synchronization of theory and practical

Question 2: Availability Textbooks/materials

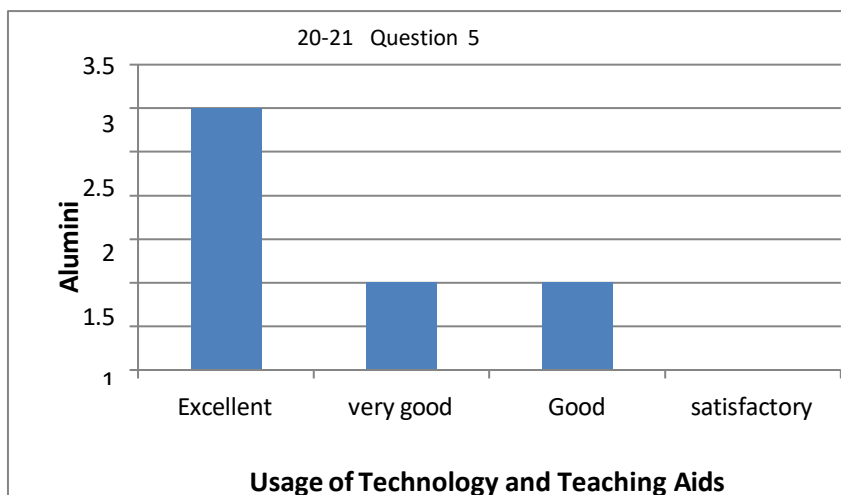

Question 3: Coverage Modern/Advanced Topics

Question 4: Do the subjects satisfy ones need?

Question 5: Usage of Technology and Teaching Aids

Question 6: Students Follow up

Question 7: Usefulness of tests and Assignments

Questions: 15 – 19

Q15: New subjects to be added to the proposed curriculum

- Information Security
- Cloud computing
- Java Script
- Java Script

Q16: Subjects to be removed from the present curriculum

- Problem solving Technique
- Microprocessor
- Microprocessor
- nil

Q17: Are there topics that should be added to the subject?

a. Subject name

- Information Security
- Cloud computing
- node.js
- Java Script

b. Topics to be added

- Encryption and Decryption standards
- paas,saas,Iaas
- node js mangoDB
- Js versions

Q19: General suggestions for improvement of the curriculum

- Upgrading scripting and Designing
- Add new technologies with relevant to the real time applications
- GUI based Applications include in curriculum
- Need to add some more topics about Java script and Scripting Languages

Sacred Heart College (Autonomous), Tirupattur
