FEED BACK ANALYSIS AND ACTION TAKEN REPORT

UG - 2020 – 2021

Feedback Analysis:

The meeting began with a comprehensive review of the current UG syllabus. The following suggestions for the revision of the UG syllabus were discussed. Identifying specific portions of the syllabus that could aid students in preparing for competitive examinations. Giving more emphasis to incorporating online courses, including NPTEL and SWAYAM courses, into the curriculum. Re-evaluating and recognizing the order of electives offered in various semesters.

Resolutions:

1. Certain portions of the syllabus would be recognized to facilitate students in preparing for competitive examinations.
2. More emphasis would be given to incorporating online courses, including NPTEL and SWAYAM, in the curriculum.
3. The order of electives offered in various semesters would be recognized.

Action Taken Report:

1. A detailed plan for the revision of the UG syllabus was initiated, outlining the specific areas to be addressed and the timeline for the revision process.
2. Faculty members collaborated to identify and highlight portions of the syllabus that could better prepare students for competitive examinations.
3. Efforts were made to identify suitable online courses from platforms like NPTEL and SWAYAM. Plans were developed to integrate these courses into the curriculum, ensuring students have access to diverse learning resources.
4. The order of electives offered in various semesters was reviewed, and adjustments were made to enhance the coherence and progression of elective offerings.

The meeting concluded with actionable resolutions and a commitment to improving the UG syllabus. The action taken report outlines the steps taken to implement the resolutions, ensuring a comprehensive and timely revision that aligns with the goals and expectations outlined during the meeting.
