BA Economics

Action Taken Report of the Feedback Analysis of Academicians

More value added, certificate and skill oriented courses have been included in the curriculum. Elective and new courses were also included in the curriculum. More comprehensive academic audit were conducted in the department.

Action Taken Report of the Feedback Analysis of Students

More invited lectures, seminars, group discussion and interview skills were organized by the department in order to enhance student's plausibility in the job market. More and more of reputed journals were introduced in the reference section of each subject.

Action Taken Report of the Feedback Analysis of Alumni

Capacity building programmes have been organized to enhance soft skills, research report writing, and other skills of the students. The syllabus was fine tuned based on the outcome based curriculum and the outcome was mapped with different cognitive levels.

Action Taken Report of the Feedback Analysis of Employers

Study tours and industrial visits were organized for both UG and PG students in order to get better industrial exposure and job opportunities. The placement in charge organized aptitude training programmes through presentation and posters.

Action Taken Report of the Feedback Analysis of Teachers

Instead of monetary economics I and monetary economics II it will be clubbed together and presented as monetary economics. In the same way principles of economics I and principles of economics II will be clubbed together and principles of economics will be offered as allied subject to commerce department. Entrepreneurial economics was introduced in place of principle of economics II as allied subject to commerce department.

Dr. A. XAVIER SUSAIRAJ.
Associate Professor & Head,
