

## Curriculum feedback questions focused on Faculty:

Tick (✓) the relevant

1. How would you rate your overall satisfaction with the curriculum?

Excellent and Adequate and upto date

Satisfactory

Below average

2. How was the quality of the curriculum throughout the course?

Excellent and Adequate and upto date

Satisfactory

Below average

3. To what extent do you believe the curriculum was relevant to the academic and career goals of students?

Highly relevant

Moderately relevant

Irrelevant

4. How would you rate the Sequence of the courses presented in the curriculum?

High

Moderate

Low

5. Which aspects you recommend the Inclusion of new /current topics in the curriculum?

More inclusion

Moderate

Low

6. How helpful were the support resources (textbooks, online materials, etc.) in understanding the curriculum?

Excellent and Adequate and upto date

Satisfactory

Below average

7. Which type of learning activity did you find most effective?

Excellent and Adequate and upto date

Satisfactory

Below average

8. How satisfied were you with the variety and fairness of the assessment methods used in this curriculum?

Excellent and Adequate and upto date

Satisfactory

Below average

9. To what extent were you able to apply what you learned in real-world situations or scenarios?

Excellent and Adequate and upto date

Satisfactory

Below average

10. How well did the curriculum integrate technology for learning purposes?

Always

Often

Rare

11. To what extent do you feel that the curriculum adequately prepared you for future courses or your next academic level?

Very good

Average

Poor
