FEEDBACK ANALYSIS AND ACTION TAKEN REPORT

SACRED HEART COLLEGE (AUTONOMOUS)

UG DEPARTMENT OF BIOCHEMISTRY

2018-19 [ODD & EVEN SEMESTER]

Feedback Analysis:

The feedbacks were received from the employers of the students who successfully completed their undergraduate courses in the Department of Biochemistry. The graduated students were placed as Assistant Professors, Teachers, Lab technicians, Research Associates and Research Assistants in reputed laboratories and institutes. The employers were very happy to provide the feedback and they mentioned that the students are good in communication skill and ready to take up responsibilities and completed their task in the stipulated time. Many of them were having good leadership qualities, excellent technical skills and practical knowledge required to solve problems.

Action Taken Report:

The UG Department of Biochemistry has a practical oriented curriculum which helps the students to get jobs easily. The students undergo intensive communication skill programme which is offered in their first year. The curriculum is designed in such a way that it encourages the students to participate and present posters and papers in the national and international seminars and workshops. The curriculum is being updated with the current scenario which helps the students to get placed in reputed laboratories and institutes. The curriculum includes subject oriented skill papers which equip the students to get jobs in pharamaceutical industries.
