SACRED HEART COLLEGE (AUTONOMOUS)

Tirupattur – 635 601, Tamil Nadu, S.India

Resi : (04179) 220103

College : (04179) 220553

Fax : (04179) 226423

A Don Bosco Institution of Higher Education, Founded in 1951 * Affiliated to Thiruvalluvar University, Vellore * Autonomous since 1987

Accredited by NAAC (4th Cycle – under RAF) with CGPA of 3.31 / 4 at 'A+' Grade

FEEDBACK ANALYSIS AND ACTION TAKEN REPORT

SACRED HEART COLLEGE (AUTONOMOUS)

PG DEPARTMENT OF BIOCHEMISTRY

2019-20 [ODD SEMESTER]

Feedback Analysis:

Feedback from employers of graduates from the PG Biochemistry Department, specializing in biochemistry, revealed successful placements as Chemists, Laboratory Technicians, Research Associates, and Quality Control Analysts. Employers expressed satisfaction with the graduates' strong analytical skills, attention to detail, and proficiency in laboratory techniques. The graduates were commended for their ability to contribute effectively to research projects.

Action Taken Report:

The PG Biochemistry Department's curriculum is designed to be practical and research-oriented, focusing on biochemistry applications. Laboratory sessions and research projects provide hands-on experience. Communication skills are emphasized, preparing students to present findings in conferences. Continuous updates to the curriculum ensure alignment with advancements in biochemistry, enhancing graduates' employability in pharmaceutical and research institutions.

Signature of the Head

PG. Head, Department of Biochemistry,
Sacred Heart College (Autonomous)
Tirupattur, Vellore Dt. 635 601

FEEDBACK ANALYSIS AND ACTION TAKEN REPORT

SACRED HEART COLLEGE (AUTONOMOUS)

PG DEPARTMENT OF BIOCHEMISTRY

2019-20 [EVEN SEMESTER]

Feedback Analysis:

Employer feedback on graduates from the PG Biochemistry Department indicated successful placements as Pharmacists, Research Associates, Regulatory Affairs Specialists, and Quality Assurance Managers. Employers praised the graduates for their understanding of pharmaceutical processes, regulatory compliance, and attention to quality control. Graduates were recognized for their adaptability to industry standards and regulations.

Action Taken Report:

The PG Biochemistry Department's curriculum is tailored to industry requirements, covering pharmaceutical processes, regulatory frameworks, and quality assurance. Practical training in laboratories and internships enhances application-based learning. The curriculum undergoes regular reviews to incorporate changes in regulations and technological advancements, ensuring graduates are well-prepared for roles in the pharmaceutical sector.
