While the overall feedback from employers is positive, there are areas, such as skill development and the relevance of the curriculum to employability, where there may be opportunities for enhancement. The scores indicate a generally positive perception of the MSW program by employers, and the feedback provides valuable

insights into areas that may require attention to better align with industry expectations. This analysis aims to offer insights into how MSW graduates are perceived in the workforce, highlighting strengths and potential areas for improvement from an employer's perspective.
