Feedback Analysis and Action Taken Report

2020-2021

Feedback Analysis:

The purpose of the meeting was to review and evaluate the approval of the M.Sc., Computer Science program structure, as well as the detailed course curriculum for semesters I through IV and the rules governing theory, practical, and project work. To improve the caliber and applicability of the curricula, feedback from Students, Industry Professionals, Alumni, Course Teachers and Academicians was requested.

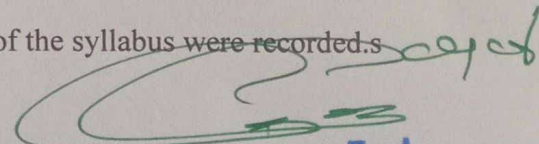

The discussion began with a detailed review of the detailed syllabi of M.Sc., Computer Science. Course Teachers and Academicians provided constructive feedback on the detailed syllabi. Specific comments and suggestions from Course Teachers and experts were documented.

The Meeting resolved to:

- Resolved to recommend Minutes of the previous meeting
- Resolved to recommend the curriculum for Syllabus Revision (II Semester)
- Resolved to recommend the Programme Structure of M.Sc. Computer Science under the Choice Based Credit System (CBCS).
- Resolved to recommend the regulations for the theory and practical courses of M.Sc. Computer Science under the CBCS.

Action Taken Report:

1. All comments and suggestions were received during the meeting were documented, categorized and archived for future references.
2. Dr.S.Sagayaraj presented the feedback of staff and students on Semester II courses(2019-2020) and also presented the Academic Audit Suggestions.
3. M.Sc.(CS) Curriculum introduced from the academic year 2019-2020(Semester II) was reviewed by the course teacher and the suggestions were recorded. Feedback was collected for each course from the current students were recorded. These suggestions were considered during the next revision.
4. MOOC courses were given as open choice as suggested by Academic experts. The modality of conducting Industrial Plant Training was discussed. The Learning Objectives and Outcomes were specified for all the subjects.
5. Suggestions were given by the experts on the contents of the syllabus were recorded.
