J. Andrews Raju

What do you like in this Dept.?	What do you aspire?
I like work in here	I must learn to work with people
This dept. is taking care of the lives of students	I aspire to learn about M&P
Curriculum, infrastructure, Professors & Good Environment	I like to take up some research work
Some classes are boring. Conduct simple activity	I like leadership training
Need to go into the rural, urban and society.	Braveness and leadership skills
Dept. teaches us how to handle problems. Staff are giving freedom to students.	I like to develop my knowledge and skills as a socialworker.
I like the helping tendency of professors.	Report submission should be in the afternoon -2.15 to 3.15.
I like the syllabus but it feels heavy. Good teaching and learning method.	I aspire to learn report writing skills. I want to do field work effectively
Dept. provides opportunity to get a job	I aspire to manage people
I like punctuality, infrastructure and Dept. name 'Bosco'	How to work with people.
Friendly approach by the teachers, good morning talk, workshops and conferences	To go for competitions and programmes outside the college
Like the staff of the Dept.	I want to be placed in a good company and become a full fledged Social Worker
Andrews Fathers subject knowledge	To sustain as a social worker
Staff are very polite and resourceful	Learn employability skills
What recom. would you like to give?	What you ought to do?
I recommend that class will teach out of class room	I like to give welcome address
I recom. Classes in MS. Word, Excel and PPT	Minimum Expectations
Discussion on social reforms. Provide extra learning. Clear indications of information. Don't compel and force	Learning different
Please cancel afternoons classes. Would like to do some leadership training programme. Teachers should see all students equally.	I need to study. I need to develop leadership.
Activity based learning	I like to learn the basics of social work.
No need for afternoon and extra classes.	Monthly village adoption and programme execution
Like to spend time in the library, like to volunteer and play games after class	To be more responsible and to save some money
Don't force things on students. Create an environment where students can come and ask the department whether they can do something	My involvement in some activities is by force. I want to concentrate in my academics

I like scouts and guides programmes but we waste time in view of exams

I want to learn psychology, photoshop and other software's in the afternoon but this is not possible.

J. Judeesus Raju
