Action Taken Report for the Academic Year 2018-2019

We discuss and resolved to continue the revised syllabi introduced during the academic year 2017-2018. As per suggestions given by the stakeholders about on the curriculum of B. Com (CA), we have plan to add few advanced topics in the accounting and computer papers. And also we plan to request to the management to buy more number of text books for the subjects of accounting and commerce oriented papers, it may be useful to the students as well as faculties.

They felt that subjects like Internet fundamentals and Principles of Marketing as the best papers. They were also on the view that Elements of Insurance may be removed from the syllabus. As per suggestion from the stake holders we insisted to the students on the typing skills, communicative skill and proficiency in computerized accounting (TALLY) of the students.
