### **Action Take Report for the academic year 2022-2023**

According to stakeholder's feedback on curriculum of B. Com (CA), the advanced topics and subjects added in the syllabus. Some of the Changes done in B.Com CA Syllabus structure due to the inclusion of Tamil & English Language papers in II year (3<sup>rd</sup>& 4<sup>th</sup> Semester).Corporate Accounting-I & II was merged into single subject as Corporate AccountingComputerized Accounting-I & II also merged into single subject and named as Computerized Accounting.

In the Financial Accounting -I & II, Basics of Cost Accounting and Advanced cost AccountingContent of syllabus also minimized as per need of the higher studies and job market. We also given more importance to skill development papers like Stock Market Operation, Tax planning and E-Filing offered in our department to other department as well as our studentsfor the purpose of enhance the specific skill of the students. All this changes are implemented the proposed syllabi of B.Com (CA) degree from the academic year 2022-2023onwards.
