FEEDBACK ANALYSIS REPORT

The feedback analysis collected and analyzed by the various Board of Studies for both undergraduate (UG) and postgraduate (PG) programmes were discussed in order to finalize the contents UG and PG curriculum. Based on the suggestions collected from various stakeholders such as students, alumni, academic peers, employers, and faculty members, the members of the board meticulously revised the curriculum to suit the needs of the students.

- The content of the language papers for BA History was passed and approved by the respective language boards.
- The contents of major courses of all programmes were presented and finalized.
- Subject skill papers were finalized and approved.
- Approval was also granted for allied subjects offered in various programmes.

Analysis of feedback from students, alumni, faculty, academic peers, and employers informed further modifications to the PG curriculum. The curriculum for MSc computer science was presented and approved. The resolutions from the PG board of studies in all departments were reviewed and passed. The corrections and suggestions suggested were to be incorporated.
