

FEEDBACK ANALYSIS AND ACTION TAKEN REPORT FROM THE STUDENTS

B.A, HISTORY

2021-22

Analysis report:

The UG Department of History received feedback from the students in the final year UG program. The following report is based on the feedback received from the students. The students are comfortable with the weightage of the syllabus and are able to prepare for the examinations. After completing their degree, they expressed that the syllabus studied in the UG program helped them to prepare for the competitive examinations conducted by the state and the union governments. In addition, for holistic development, few students expressed the topics or titles to be added or removed from the syllabus based on their expectations.

Action Taken Report:

The Department of History regularly receives feedback on the curriculum, involving perspectives from students, alumni and teachers. This feedback mechanism acts as a driving force for elevating the quality of the curriculum, turning it into a valuable asset for career advancement, skill enhancement, and overall personal development. The introduction of career opportunities contributes to daily knowledge updates for individuals. The institution consistently participates in the continual process of updating or modifying syllabi to meet the dynamic demands of placement requirements.
