

**SACRED HEART COLLEGE (AUTONOMOUS),
TIRUPATTUR.
RESEARCH ADVISORY COMMITTEE**

The committee shall comprise the Principal, Dean of Research and Faculty representatives of the College.

The functions of the Research Advisory Committee shall be to:

- a) Approve funds under Sacred Heart College Research Funds.
- b) Provide incentives to faculty members who publish research articles in Scopus/SCI/UGC CARE journals.
- c) Establish the misconduct in research and determine the penalty.
- d) Conduct continuous policy review.
- e) Seek consultancy and contracts related to research and research product development.
- f) Ensure the protection of Sacred Heart College intellectual property rights.
- g) Establish a media sub-committee of R&D to work with the relevant organs for Sacred Heart College in terms of communications and publicity.
- h) Facilitate capacity building among faculty involved in research.
- i) Support the development of viable research project proposals.
- j) Create, develop and sustain a conducive environment for research.
