programme officers, supportive faculty and NSS students volunteers for their active participation and support.

The programme concluded with the national anthem invoking the spirit of nationality and patriotism.

Evaluation

Student evaluation was conducted at 8:00 pm. NSS Programme officers oriented the NSS Volunteers on the upcoming schedule. Students presented their feedback. Evaluation was conducted to help students understand their strengths and weaknesses and identify areas for improvement.

Theme: Trees are the treasure of our planet

Morning

NSS Student volunteers began the morning session with a training session on physical fitness at 7:00 am. They were taught a series of exercise to keep them both physically and mentally fit. Breakfast was served by the cooking team at 8:00 am. Instructions were given by the NSS Programme Officers on the theme 'Trees are the treasure of our Planet'.

Trees are the treasure of our planet

A short speech on the importance to conserve mother nature was given to each NSS unit of Sacred Heart College. NSS Programme officers emphasised that Trees are one of the most valuable resources that we have on our planet. They are a crucial part of our ecosystem, providing a wide range of benefits to both humans and the environment. Trees provide oxygen, shelter, food, and even medicine. They are also essential for maintaining the balance of the earth's ecosystem. Therefore, it is no exaggeration to say that trees are the treasure of our planet.

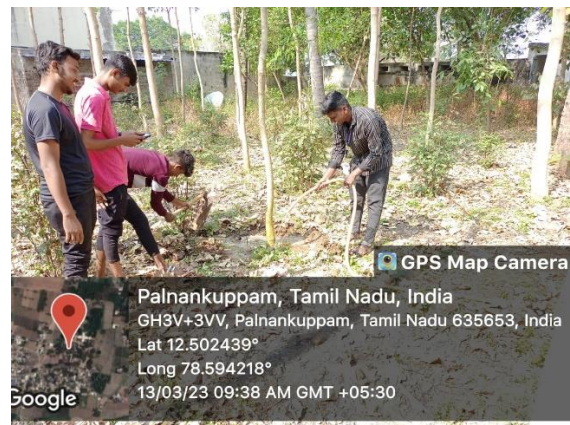

Activity

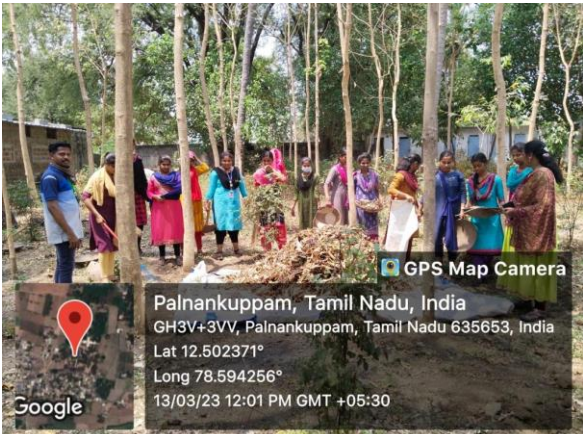

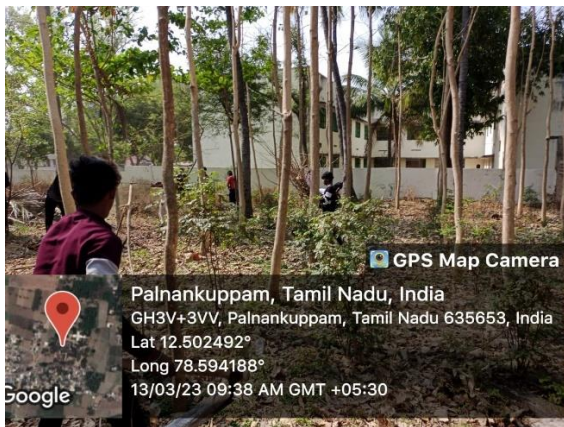

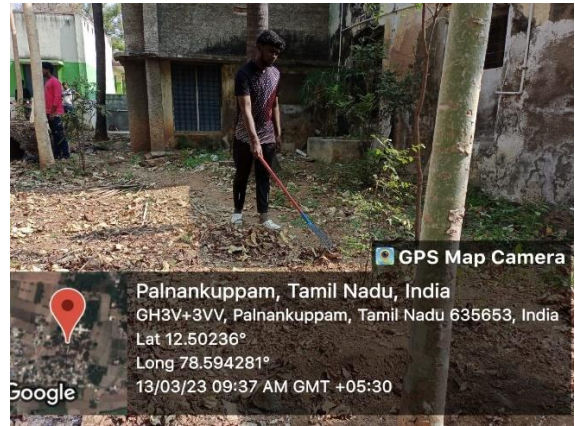

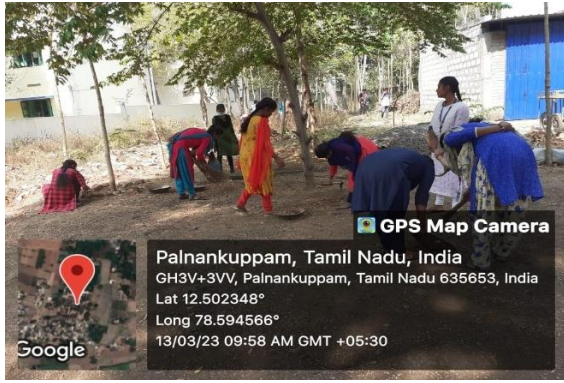

Fostering a clean and green environment is essential to ensure the health and well-being of both humans and the planet. A clean and green environment is crucial for our survival and well-being. It is the need of the hour, and it is up to all of us to take action to foster a cleaner and greener world for ourselves and future generations. In view of the above theme 4 NSS Units of SHC, went to 4 villages of Pudukottai Panchayat. This includes:

1. Unit I – R.C. Middle School, Koviloor
2. Unit II – Kadamandhur Parish
3. Unit III – Eraikarai Pudukottai
4. Unit IV – Panchayat Union Primary School, Periya Vengayapalli

Unit I – R.C. Middle School, Koviloor

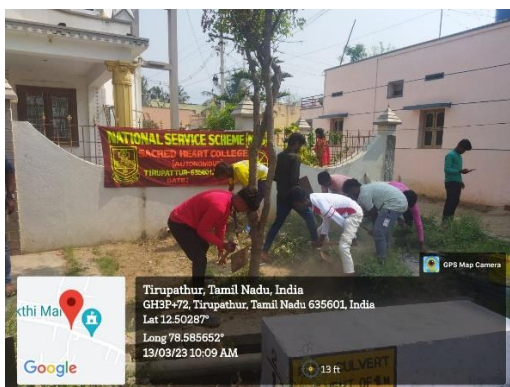

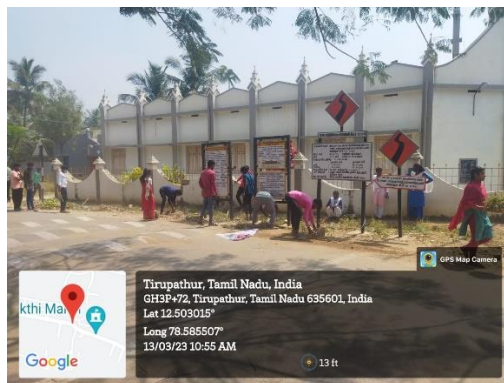

Cleaning the environment is a crucial task that requires the participation of everyone in the community. One of the most effective ways to do this is by organizing cleaning campaigns, and students can play a significant role in this effort. NSS Unit I took part in an event to clean the environment at R.C. Middle School, Koviloor. They typically worked together to pick up litter and other waste materials from the school, local parks, or surrounding neighborhoods. These efforts help people understand and thus fosters an awareness to improve the overall cleanliness of the environment and promote a sense of responsibility among the society at large.

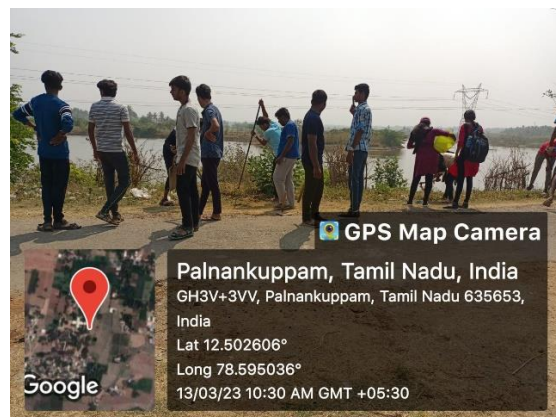

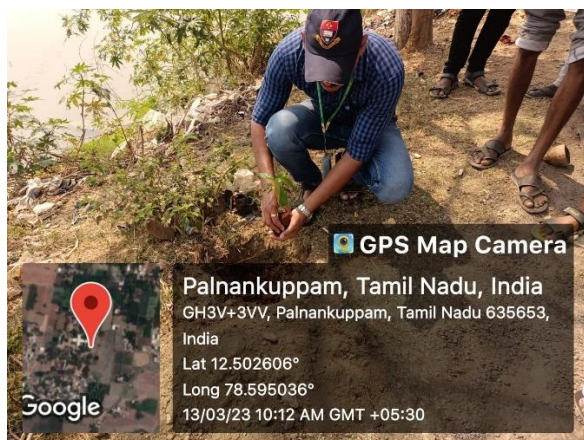

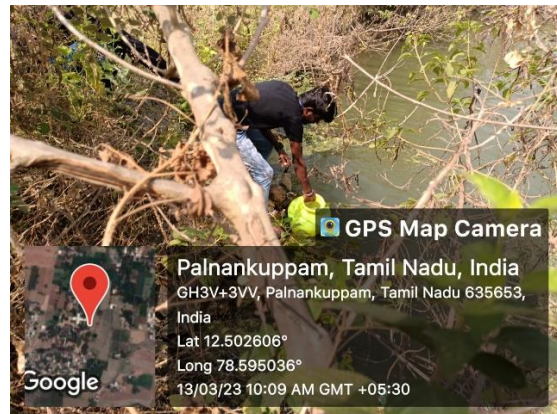

Unit II – Kadamandhur Parish

Cleaning up plastic waste is a significant challenge that we face in today's world. Plastic pollution is one of the biggest environmental threats we face, and it is essential that we take action to address this issue. NSS Unit II went to Kadamandhur Parish and help in cleaning up plastic waste, debris and other waste materials.

Unit III – Eraikarai Pudukottai

Students of NSS Unit – III visited the Panchayat Council Office, of Pudukottai Talluk and collected 50 saplings from Mr. E. Kuppusamy, Panchayat President. All 50 saplings were planted along the lake side bed of Pudukottai Panchayat. This green initiative provide an opportunity for students to connect with nature and develop a greater appreciation for the natural world.

Unit IV – Panchayat Union Primary School, Periya Vengayapalli

The NSS Unit 4 visited the Panchayat Union Primary School, Periya Vengayapalli and participated in a cleaning campaign. This cleaning campaign was organized to promote a sense of community and civic responsibility. By working together towards a common goal, students worked effectively as a team by cleaning dried leaves, fallen branches, plastic waste, roadside debris and also watered the roadside plants encouraging residents to take better care of their surroundings.

**Afternoon talk: Towards Growth and Development – Role of the Youth
Resource Personnel: Lion Prof. Rathina Natarajan**

A motivational talk was organized for the NSS Volunteers of Sacred Heart College (Autonomous), Tirupattur on 13th March 2023 at 3:00 pm. The programme began with the Tamil Thai Valthu given by the NSS choir theme. The welcome address was given by Dr. G. Mohan Gandhi, NSS Programme Officer who welcomed Lion. Prof. Rathina Natarajan. A memento was given by Dr. U. Ramesh to honour the resource personnel for his presence.

In his talk he spoke on the history and origin of the NSS – National Service Scheme. He addressed the students on the importance of NSS and the role of youth in the development and upliftment of our country. He taught students the importance of goal setting and recalled various incidents in his personal life that helped him to reach the pinnacle of success. He also spoke on social evils like cigarette smoking, drug and alcohol abuse and other instances that youth today need to abstain themselves from. He told them that controlling oneself is the key to success. He told them that controlling oneself is the key to success. He noted that education plays a crucial role in a country's

development. The youth can pursue education and acquire the necessary skills and knowledge to contribute to their country's economic and social development. They can enroll in higher education courses, vocational training, and other skill development programs to acquire the skills needed to compete in the job market. Education also helps them develop critical thinking, problem-solving, and communication skills, which are essential for their personal and professional growth.

He concluded his speech by stating that the youth are the backbone of any nation. They have the potential to make a significant contribution to their country's development. The role of youth towards a nation's development cannot be overstated. They are the future leaders, innovators, and entrepreneurs who can shape the country's destiny.

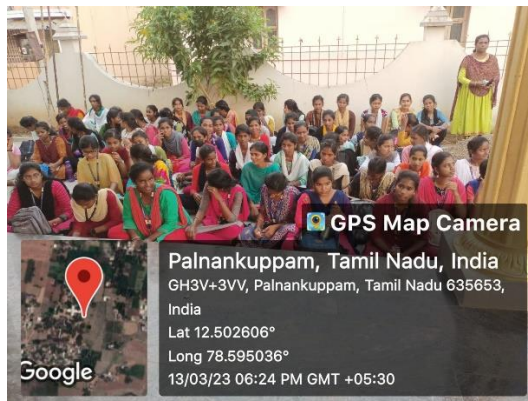

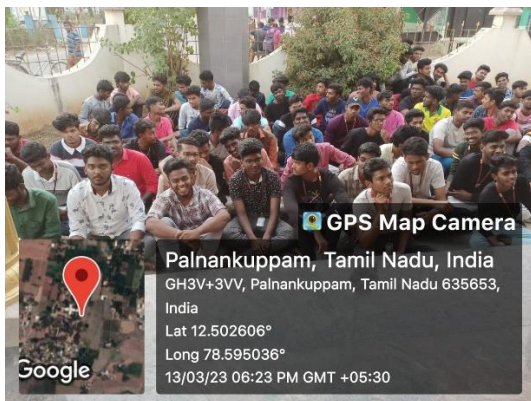

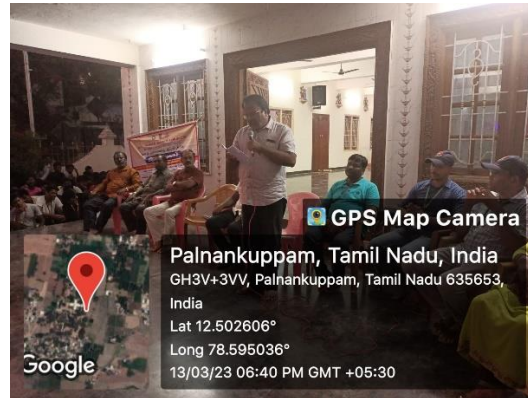

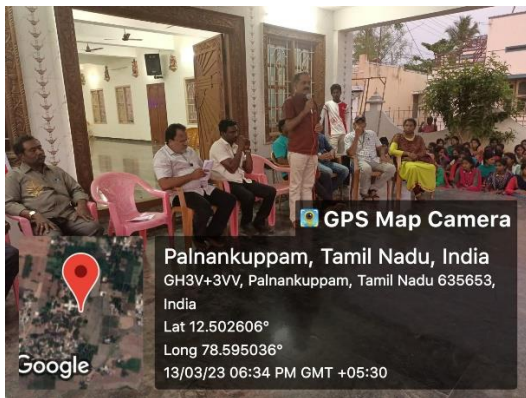

Vote of thanks was given by Dr. Clayton Michael Fonceca, NSS Programme Officer and Asst. Professor of P.G. & Research Dept. of Social Work, Sacred Heart College (Autonomous), Tirupattur.

Evening Programme: Trees are the treasure of our planet

Place: Kadamandhur Village

Time: 5:00 pm

An awareness programme on the title 'Trees are the treasures of our planet' took place at Kadamandhur village panchayat at 5:00 pm. The welcome address was given by Dr. G. Mohan Gandhi, NSS Programme officer. He welcomed the guest of honour Mr. G.R. Samy Chetty, Environmental Speaker and owner of GR Samy Chetty Jewellery -Tirupattur, Mr. Madhiazhagan, Vijaya Galaxy owner and Mr. E. Kuppusamy, Panchayat President, Tirupattur,

The keynote address was given by Mr. G.R. Samy Chetty. He addressed the students on the importance of growing trees. He noted that, trees help to maintain the balance of nature by conserving water, improving air quality, preventing soil erosion, and providing habitats for wildlife. Mr. Madhiazhagan, emphasised the trees are not just essential for the environment but also have significant economic and social benefits. He further stated that trees are a vital part of the ecosystem, and their importance cannot be overstated.

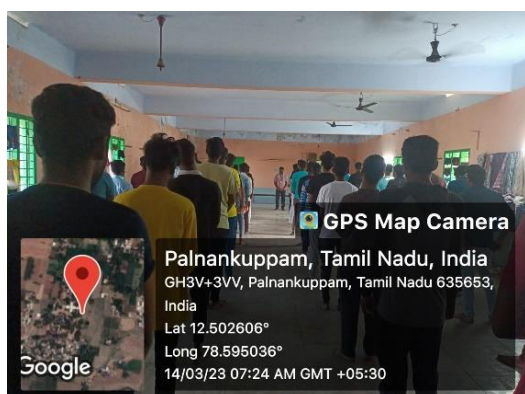

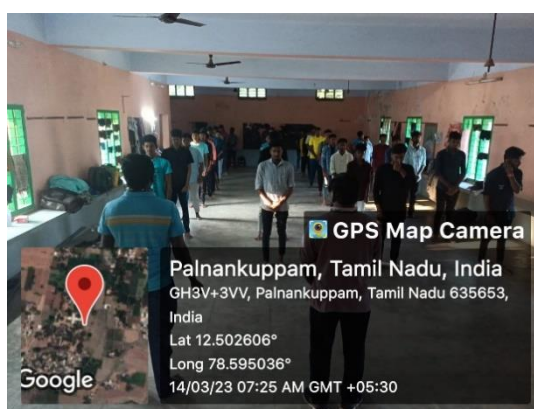

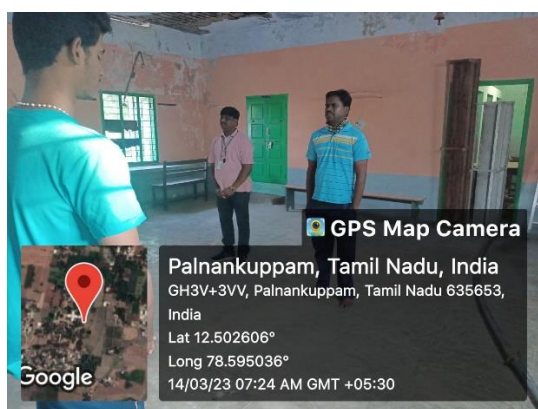

NSS student volunteers then performed a mime on the theme effects of deforestation. They presented their views on the ill-aspects of cutting down trees and the depletion of the forests. Students also took a pledge to eradicate deforestation. In this event, students also narrated poems and songs to sensitize the community at large on the said topic. The vote of thanks was given by Dr. K. Shilija, who thanked the dignitaries and the NSS student volunteers for all their support and cooperation.

Evaluation

Dinner was served at 7:30 pm which was followed by a brief evaluation of the days events. NSS student volunteers narrated the significant events that took place as the day progressed and further denoted their learnings. The schedule for the next days event was also read, to highlight and familiarize students on the task at hand.

Theme: Humanitarianism and Social Service**Morning**

The NSS student volunteers of SHC began the day with yoga and meditation. They were taught a variety of breathing and pranayama exercises designed to keep them physically and mentally fit. The cooking team served breakfast at 8:00 a.m. The NSS Programme Officers delivered instructions on the theme of Humanitarianism and Social Service.

An orientation on the theme 'Humanitarianism and social service' was delivered to the students. The NSS Programme officers stressed the importance of the theme and note how it has become increasingly important in today's society, where poverty, inequality, and various forms of injustices continue to affect millions of people worldwide. Humanitarianism and social service provide a way for individuals and communities to come together and address these issues. Humanitarianism emphasizes the importance of providing aid to those in need, regardless of their background or

circumstances. This includes providing food, shelter, medical care, and other basic necessities to individuals affected by natural disasters, conflicts, and other crises. Humanitarian organizations and volunteers often work tirelessly to provide these essential services to vulnerable communities, and their efforts can be life-saving for many.

Activity

In continuation of the environment and social service that was carried out the previous day, the 4 NSS Units of SHC visited four villages in the Pudukottai Panchayat.

1. Unit I – R.C. Middle School, Koviloor
2. Unit II – Vengayapalli
3. Unit III – Eraikarai Pudukottai
4. Unit IV – Periya Vengayapalli Lake

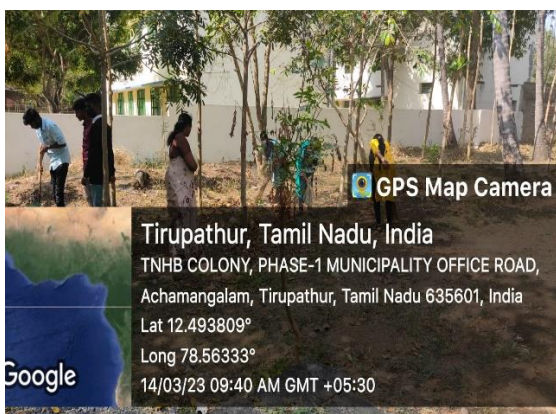

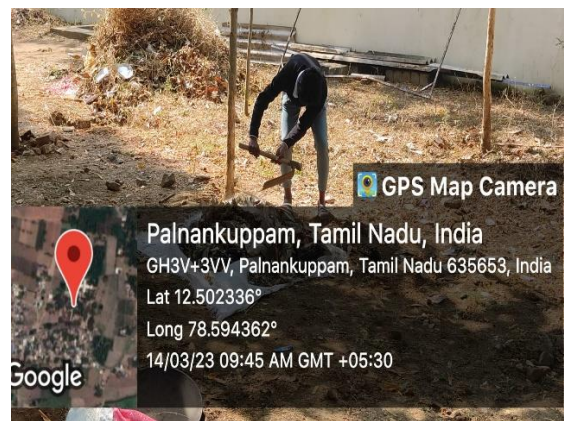

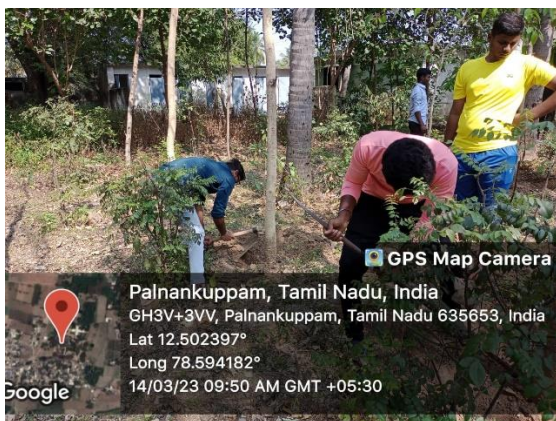

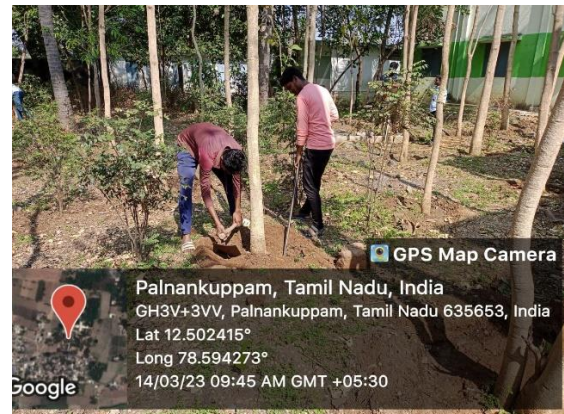

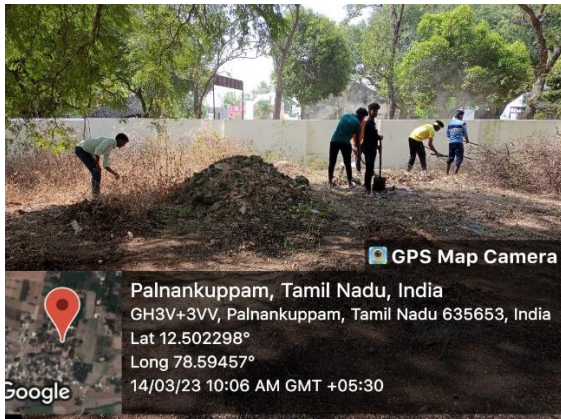

Today's activity involved not just creating a green and clean environment but also working towards a cause on humanitarianism and social service. NSS Students of all 4 units visited various villages and promoted the importance of social service through their actions.

The neighbourhood noted that it was inspiring to see students take to the streets to clean up their environment. This is was aa great example of how young people can take a proactive approach to creating a cleaner, healthier, and more sustainable world.

Our students proved through their action that cleaning up the environment is not just about picking up litter and waste. It was also about promoting sustainable practices, such as reducing plastic consumption, recycling, and composting. By educating themselves and others about these practices, our NSS Student helped create an awareness towards the general public on the culture of sustainability that will benefit the society and the planet for years to come.

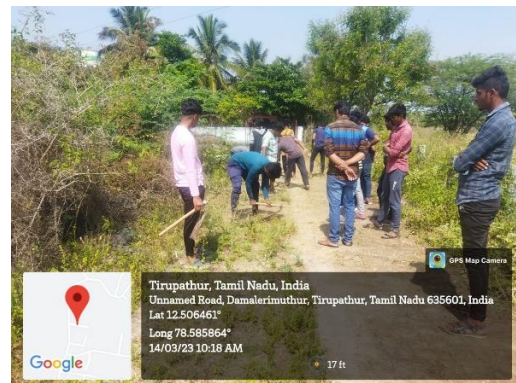

Unit I – R.C. Middle School, Koviloor

NSS Student Volunteers of Unit -1, resumed their work in cleaning the school premises of debris and plastic. Waste papers, discarded chocolate wrappers, dysfunctional dustbins were all cleaned. Cisterns and water passages were cleaned from unwanted weeds and grass. Students swept the floors and the premises of the school.

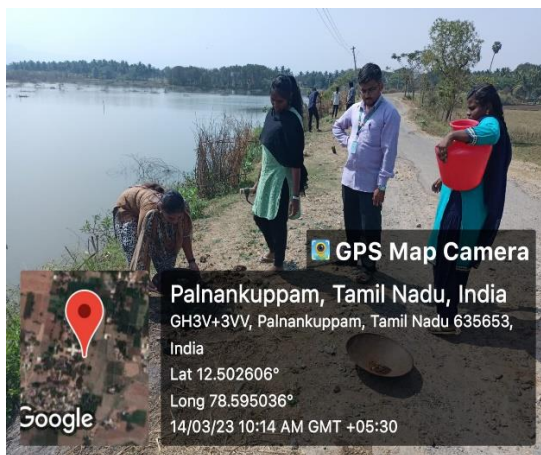

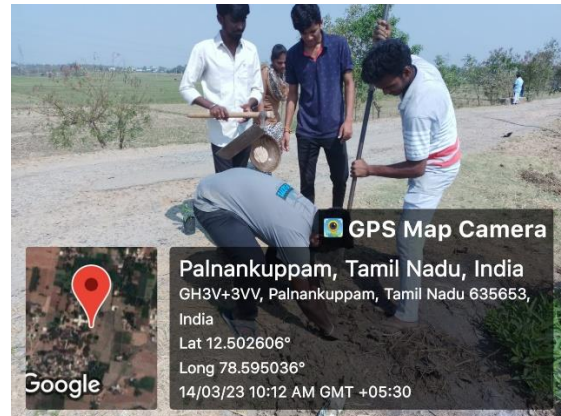

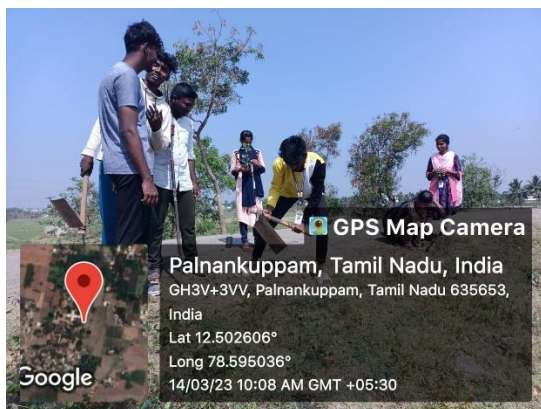

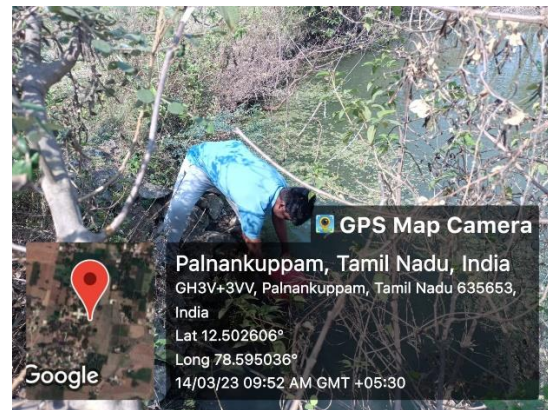

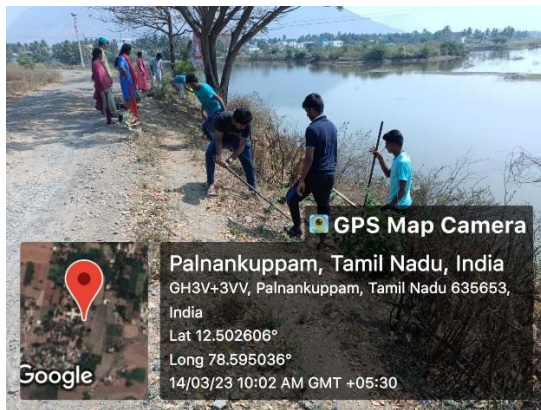

Unit II – Vengayapalli

NSS Student Volunteers of Unit -2, went to Vengayapalli, a nearby village panchayat. They took to the streets and cleaned the mud roads from waste and debris. They also clean the nearby premises of the cemetery both inside and outside and picked up all the unwanted weeds and plants. The set right the path way by make it more commutable for the local community.

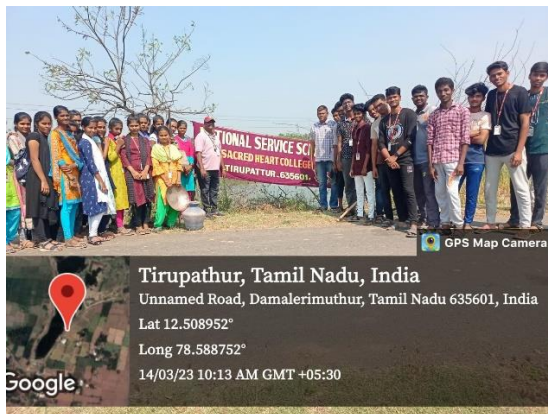

Unit III – Eraikarai Pudukottai

NSS Student Volunteers of Unit -3 continued their efforts in contributing to various environmental cleanup efforts, from picking up litter on the streets to participating in lake cleanups and tree planting initiatives. A total of 40 saplings were added to previously planted lot which now totalled to 80 tree shoots on the banks of the lake. These trees were watered and their fences were set right.

Unit IV – Periya Vengayapalli Lake

The NSS Student Volunteers Unit IV, visited a lake at Periya Vengayapalli. They planted 40 tree saplings along the banks of the lake to create a green and sustainable environment. They also cleared the waste debris along the lake side. Fallen trees and branches were set aside and carefully disposed. Students further cleared the pathways of the streets which had debris and waste.

Afternoon talk: Food Habits and healthy lifestyle of the youth

Resource Personnel: Dr. P. Sivaraj, Head-Department of Tamil,

Islamiah College (Autonomous), Vaniyambadi

A awareness talk on the need to improve the lifestyle and food habits of the youth was organized on 14th March 2023 at 2:45 pm at R.C. Middle School, Koviloor. The chief guest for the day was Tamil Chemmal Dr. P. Sivaraj, Head-Dept. of Tamil, Islamiah College (Autonomous), Vaniyambadi. The programme began with the 'Tamil Thai Vaazhtu' by the NSS choir. Dr. G. Mohan Gandhi delivered the welcome address. Dr. Julian Xerces adorned a shawl on the chief guest as a token of love and respect.

In his address, Tamil Chemmal Dr. P. Sivaraj, shared vivid insights on the past and current food culture of Tamil Nadu. He noted that, medicines were the food of the current world. He stated that, there was no vitamins, carbohydrates and proteins in the present food culture of the youth. He further went on to state that honey is still the only food that does not decay. He urged students not to eat fast foods such as burger, pizzas and junk delicacies. Students were encouraged to eat millets and organic food such as ragi, wheat, finger millets etc.

Dr. P. Sivaraj in his speech highlighted the fact that, humans can save money, food, but cannot live without diseases. He encouraged the students to celebrate the millets day in Tamil Nadu by adhering to the central govt. policies and agenda on agricultural upliftment. In his concluding remarks, he asked students to do research on geography food culture and tradition of Tirupattur District. The vote of thanks was given by Prof. H. Ashik Ahmed, Asst. Professor, Dept. of Commerce, Sacred Heart College (Autonomous), Tirupattur District.

Evening Programme: Prevention of Drug Abuse

Place: Pudukottai Village Panchayat

Time: 5:00 pm

A cultural programme on the 'Prevention of Drug Abuse' was staged at Pudukottai Village Panchayat at 5:00 pm. This programme saw the intense participation of the general public at large. The welcome address was given by Dr. G. Mohan Gandhi, NSS Programme Officer. The guest of Honour was Mr. E. Kuppusamy, Panchayat President and Mr. Vasu, Village Representative. The Panchayat President was honoured with a shawl by Dr. U. Ramesh, NSS Programme Officer. This was followed by Dr. Clayton Michael Fonceca NSS Programme Officer presenting a memento to Mr. Vasu, Village Representative.

Mr. E. Kuppusamy, addressed the gathering by instilling in their hearts the ill aspects of drug abuse and its aftermath. This was followed by a drama that was staged by the NSS Student Volunteers to create awareness among the society at large on the theme of 'Prevention of Drug Abuse among the youth'. The concept of the story revolves around a college student from a middle class family who has secured the first rank in his class. He now has many friends and is introduced to various substance drugs. He is suddenly caught by his teachers and is further subjected to disciplinary action. This causes the student to go into depression and further leads him to an extreme intake of drugs. He then meets with an accident and is admitted to an ICU in a top hospital. The drama highlights how a well learned student under the influence of drugs has changed his life into a social scum of the society. The story also portrays the social evil of drugs on the health, mind and body of the one consuming such illicit materials. The drama concluded with an awareness song on the prevention of drugs.

Evaluation

Students returned to R.C. Middle School at 6:50 pm. Dinner was served to the NSS Student Volunteers at 7:15 pm, and then a quick summary of the day's activities was given. NSS student volunteers related the major events that took place as the day progressed and further highlighted their learnings. In order to emphasise and familiarise the students with the task at hand, the timetable for the event the following day was also read.

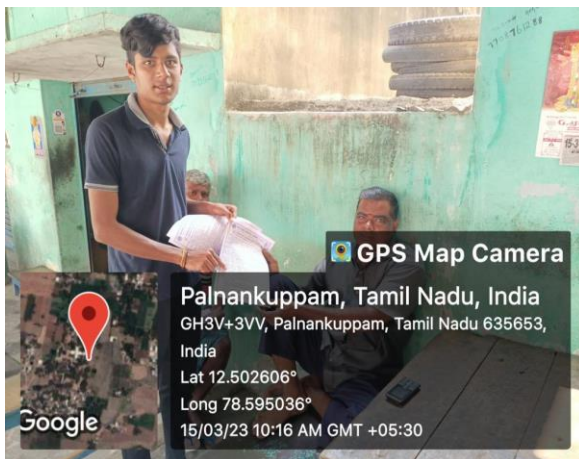

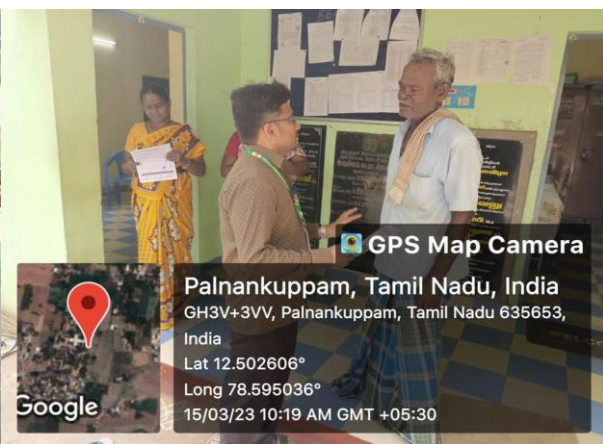

Theme: Pediatric cancer awareness campaign
 Youth as Change Agents
 Tamil Nadu in the Next 10 Years – In the hands of
 young men or women

Morning Session

An awareness talk on 'Pediatric cancer' was given to the students at 8:00 am by Dr. Clayton Michael Fonceca and Dr. G. Mohan Gandhi, NSS Programmes Officers of Sacred Heart College (Autonomous), Tirupattur District. The resource personnel addressed the students on Pediatric cancer. They stated that it refers to a type of cancer that occurs in children and young adults. They noted that it is a serious and life-threatening disease that can affect any part of the body, including the blood, bone marrow, brain, and other organs and is the leading cause of death by disease among children. Dr. Clayton Michael Fonceca oriented the students on the common types of pediatric cancer which include leukemia, brain tumors, lymphoma, neuroblastoma, and bone cancer. Dr. G. Mohan Gandhi highlighted the symptoms, treatment and prognosis in layman's terms to the students. The resource personnel also noted the role of supportive organizations like the Lions Club of Tirupattur Host and its reach to the general public.

Students visited kindergartens, middle schools, shop vendors, public commuters and the community at large at Kanamandhur, Periya Vengayapalli and Pudukottai and distributed over 500 pamphlets. Students also went from door to door and spoke on the issues, causes and symptoms of pediatric cancer raising awareness for a noble cause. This event was solely sponsored by Lion. Dr. C.R.Christi Anandan, President – Lions Club of Tirupattur Host & Asst. Professor, P.G. & Research Department of Social Work, Sacred Heart College (Autonomous), Tirupattur. A total of 200 students participated in this awareness campaign.

PEDIATRIC CANCER AWARENESS
குழந்தைகள் புற்றுநோய் பற்றிய விழிப்புணர்வு

புற்றுநோய் என்றால் என்ன? இது எதனால் ஏற்படுகிறது!

புற்றுநோய் என்பது கேடு தரும் உடற்கட்டிகளால் ஏற்படும் பொதுவான பெயராகும். இயல்புக்கு மாறாக உயிரணுக்கள் கட்டுப்பாற்று பிரிந்து பெருகுவதால் ஏற்படும் மிகைப் பெருக்கத்தை புற்றுநோய் என்கின்றோம். இந்த புற்றுநோய் பாதிக்கப்படும் பகுதிகளைப் பொருத்து வெவ்வேறாக பெயரிடப்படுகிறது. சாதாரணமாக லுக்கீமியா என்பது இரத்தம் மற்றும் ஊம்பு மஜ்ஜையில் ஏற்படும் புற்றுநோய். இது இரத்த புற்றுநோய் என்று அழைக்கப்படுகிறது. வெள்ளை இரத்த அணுக்கள் இயல்புக்கு மாறாக அதிக அளவில் பெருகுவதால் இது ஏற்படுகிறது.

நமது உடலில் அனைத்து பாகங்களுக்கும் ஆக்ஸிஜனை கொண்டு செல்ல இரத்த சிவப்புணுக்கள் பயன்படுகின்றன. அதே போன்று உடலில் நோய் எதிர்ப்பு சக்தியை உருவாக்கி நோயை எதிர்த்து போராடும் வீரர்களாக வெள்ளையணுக்கள் உள்ளன.

Activity

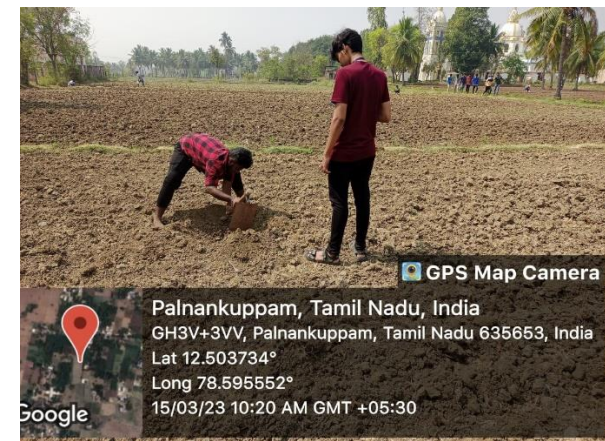

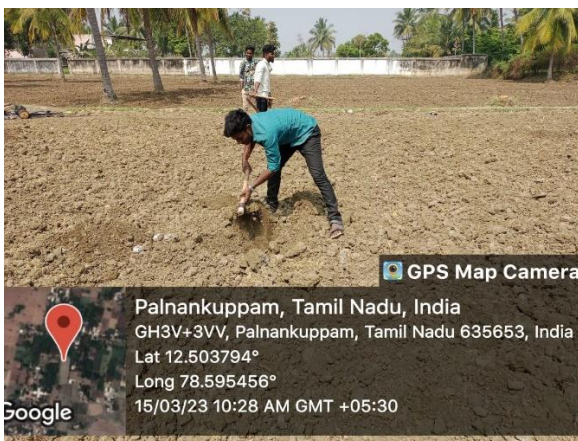

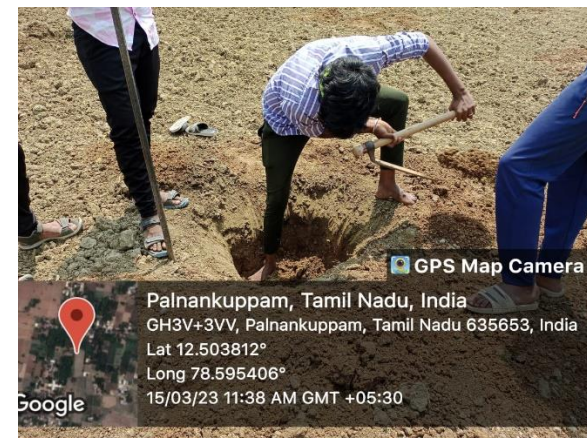

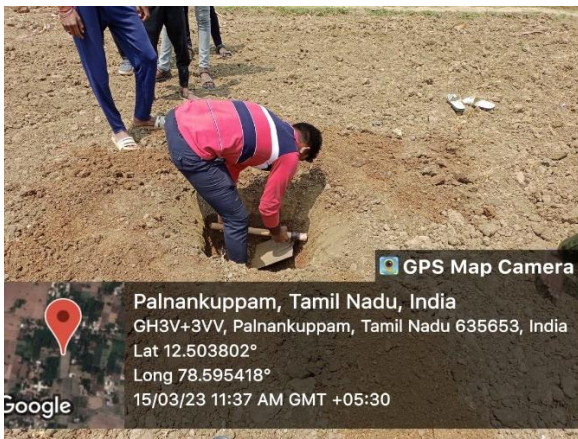

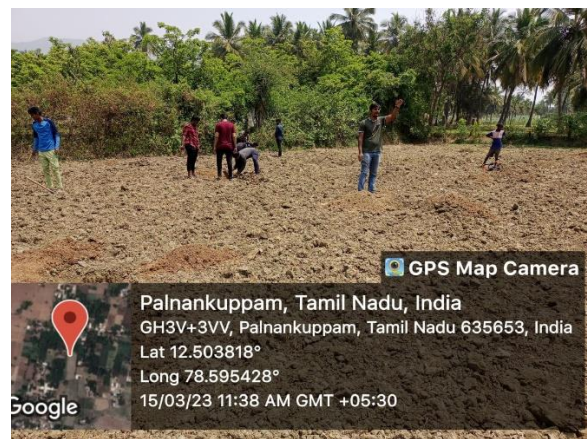

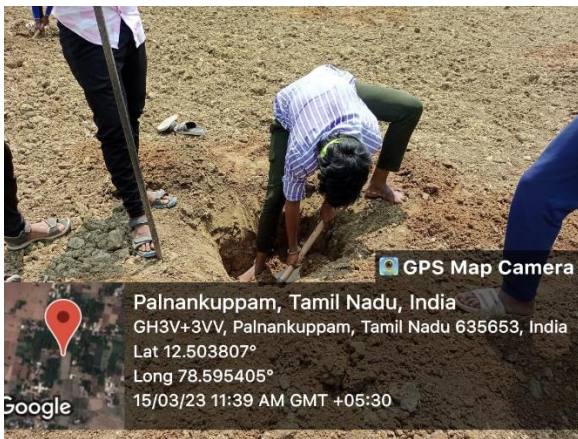

To conserve mother nature and protect our environment the 4 NSS Units of SHC visited three villages in Pudukottai Panchayat. Unit 1 & 2 remained in R.C. Middle School, Koviloor as a lot of campus cleaning and ground work needed to be sorted. Unit 3 and Unit 4 however, went to the assigned villages to continue their environmental sustainable initiatives.

1. Unit I – R.C. Middle School, Koviloor
2. Unit II – R.C. Middle School, Koviloor
3. Unit III – Eraikarai Pudukottai
4. Unit IV – Periya Vengayapalli

Unit I & II - R.C. Middle School, Koviloor

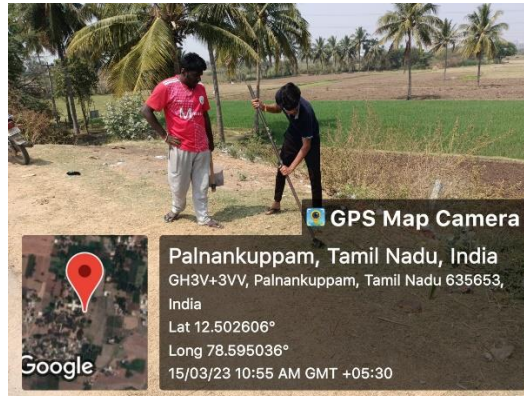

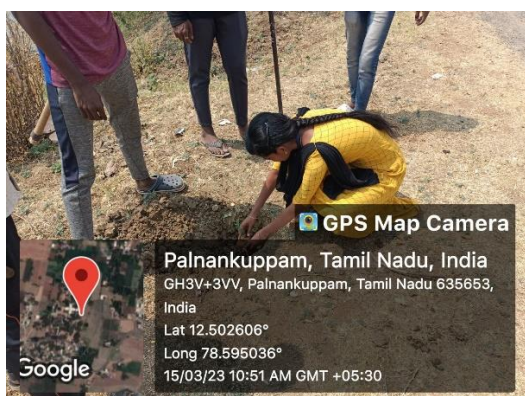

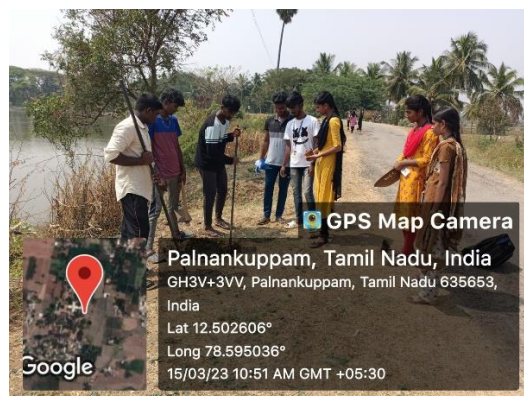

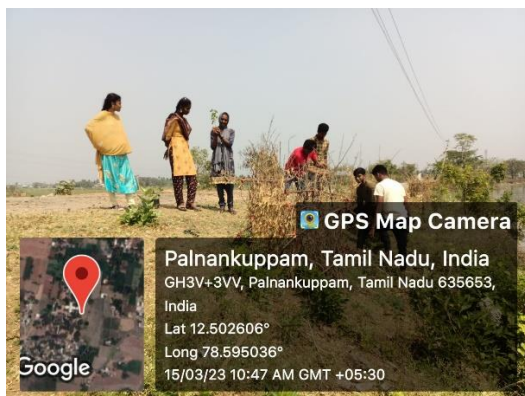

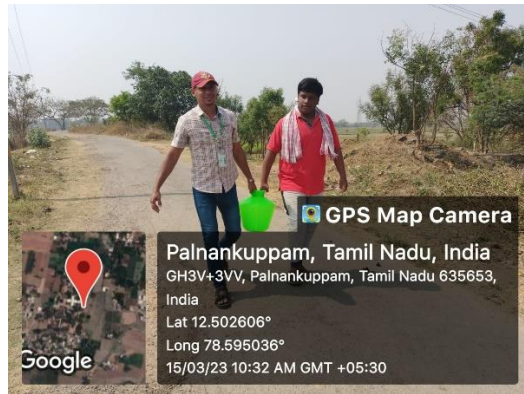

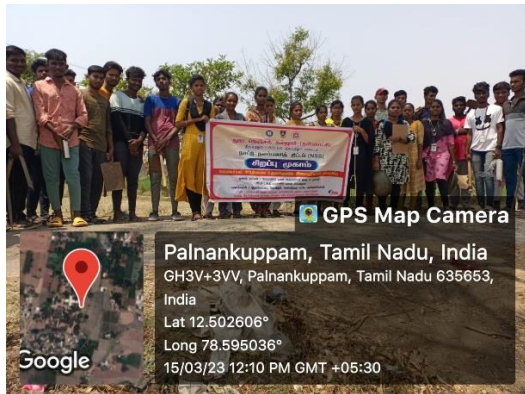

The students of NSS Units I and II went to various classes of R.C. Middle school to spread awareness on paediatric cancer and the need to conserve our environment. They swept the pathways, foot paths and corridors of the school and the campus. A total of 42 coconut saplings, were planted with respective intervals to a depth of 3 feet each by the students. Existing greenery was nurtured and look after by clearing such plants from unwanted weeds. Plants were watered and cared for by the NSS student volunteers.

Unit III – Eraikarai Pudukottai

NSS student volunteers of unit 3 SHC, continued their work in planting saplings. They added 40 more saplings to the existing 80 which was planted along the banks of the lake. This totalled to 120 saplings being planted. Students carried water from wells, lakes and ponds and watered 120 saplings. They also cleared the path way from weeds and dried plants.

Unit IV – Periya Vengayapalli

Students of NSS Unit 4, went to Perya Vengayapalli and planted 40 saplings. They dug holes all around the village and planted poovarasu and mango saplings. They also watered the same and cleaned the village of debris, dust and garbage.

Afternoon talk: Youth as Change Agents

**Resource Personnel: Rev. Fr. J. Andrews Raj SDB,
Head – P.G. & Research Dept. of Social Work,
Sacred Heart College (Autonomous),
Tirupattur District**

The afternoons talk on 'Youth as Change Agents' took place at R.C. Middle School, Koviloor at 3:00 pm with a Tamil Thai Vaazhtu by the NSS choir. The master of ceremony was done by Ms. Mahalakshmi, NSS volunteer.

The chief guest introduction was given by Dr. Clayton Michael Fonceca. The chief guest of the programme was Rev. Fr. Andrews Raja, Head – P.G. & Research Dept. of Social Work, Sacred Heart College (Autonomous) Tirupattur. The NSS programme officer Dr. G. Mohan Gandhi donned a shawl on our esteemed guest Rev. Fr. Andrews Raja.

In his speech Rev. Fr. Andrews Raja noted four important aspects that the youth need to adhere to, this includes their transitions from childhood to adulthood, their roles and responsibilities in the society, the 3m's (minimalist, mediocrity and media) and the final being that they have a vision and mission.

He concluded with a quote highlighting that ‘creativity is born when youth take responsibilities and innovation is born when they are ready to face their problems.

The vote of thanks was delivered by Dr. Vijay, Asst. Professor, Dept. of Microbiology, Sacred Heart College (Autonomous), Tirupattur.

**Evening Debate: Tamil Nadu in the Next 10 Years –
In the hands of young men or women.**

Place: R.C. Middle School, Koviloor

Time: 5:00 pm

The programme began with a Tamil Thai Vaazhtu rendered by the NSS choir. The chief guests of the day were (Retired). PHF. P. Arunagiri, President, Rotary Club of Tirupattur, Mr. M. Kaaninelam Munnisamy, President of Historical Research of Tirupattur along with other various representatives from the Rotary Club of Tirupattur and Ms. D. Bellsiya Evangelian, Women Head Constable, Jolarpettai railway police station.

The participants of the debate were:

Members of the Debate	
Mr.Gopala Krishnan U Dept. of Mathematics	Miss. Archana A V Dept. of English
Mr.Revanth S Dept. of Bio Chemistry	Miss. Vinothini M Dept. of Chemistry
Mr.Shivaram M Dept. of BBA	Miss. Sivasankari T Dept. of Chemistry

The participants for the debate were divided into two teams. The boys spoke on the topic “Why the future of Tamil Nadu lies in the hands of young men”

and the girls debated on the topic “Why the future of Tamil Nadu is in the hands of Women”.

Students presented various views, ideologies, examples and real-life instances leading to a heated argument between the two. Each student argued, contradicted and justified their views on the same. The debate concluded with Dr. G. Mohan Gandhi, NSS Programme Officer, consolidating the views, statements and facts presented by both ends. He noted that, it is important to create an inclusive society that values and respects the contributions of all individuals, regardless of their gender. Both boys and girls should be encouraged to pursue their interests and passions, and to develop their skills and abilities to their fullest potential. Only by providing equal opportunities to everyone can we create a truly prosperous and progressive nation.

He stated that, ultimately, the future of Tamil Nadu, like any other state, will depend on the collective efforts of its citizens, regardless of their gender. It is up to each individual to work towards building a better future for themselves and for the country as a whole. He finally stated that the future of Tamil Nadu lies in both the hands of the young men and women, who are the future of the state and the nation at large.

Evaluation

Students were served dinner at 7:45 pm followed by a quick summary of the various activities of the day. The important events and happenings of the day were recalled by the NSS student volunteers. They also highlighted their learning and setbacks with regard to time management. NSS Programme Officers presented their feedback and areas of improvement. The schedule for the activity of the following day was also read in order to emphasise and acquaint the students with the work at hand.

Theme: Dhanam Marathon – Run for a cause run for a life
Understanding Law and Human Rights
Organic Farming a way forward

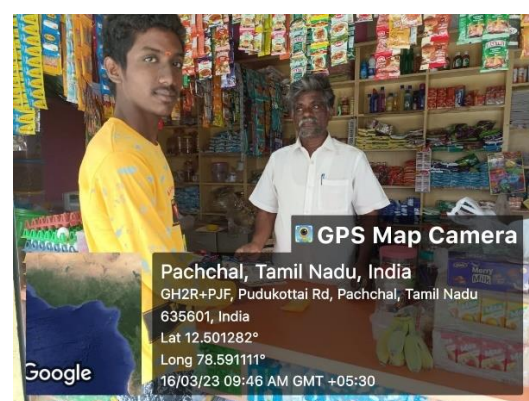

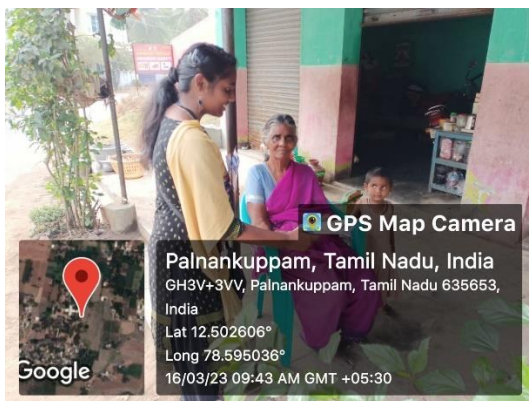

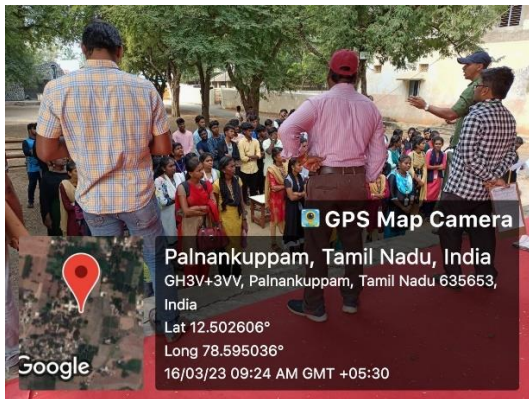

Morning Session – Good Morning Talk

NSS Student Volunteers of SHC were oriented by Dr. Clayton Michael Fonceca, about the upcoming Dhanam Marathon 2k23 organized by the Lions Club of Tirupattur Host in association with the P.G. & Research Department of Social Work, and the NSS – Unit of Sacred Heart College (Autonomous), Tirupattur with illustrious partnering organizations and institutions. He noted that the 12 kilometre long, Dhanam Marathon 2K23 was to take place on 19th March 2023 at Sacred Heart College (Autonomous) and conclude at the District Collectorate of Tirupattur.

The main objective of this event was to raise awareness about organ and blood donation which are essential for saving lives and improving the health of people who are suffering from various illnesses and injuries.

Dr. G. Mohan Gandhi, and Dr. U. Ramesh further went on to note that the marathon was to raise awareness, include community engagement, promote healthy living and to increase the visibility of organ and blood donation. This novel endeavour was sponsored by the Lions Club of Tirupattur Host in collaboration with the P.G. & Research Department of Social Work, Sacred Heart College (Autonomous), TPT and its NSS Units. Various other agencies and partnering institutions were also recognized for their collaboration and goodwill. The NSS Programme officers also oriented the students on the marathon route and the involvement of NSS Volunteers not just in mere participation but also in creating and sensitizing the rural community. The four NSS Units, then went to their allotted villages to spread awareness and carryout their daily environmental cleaning activities.

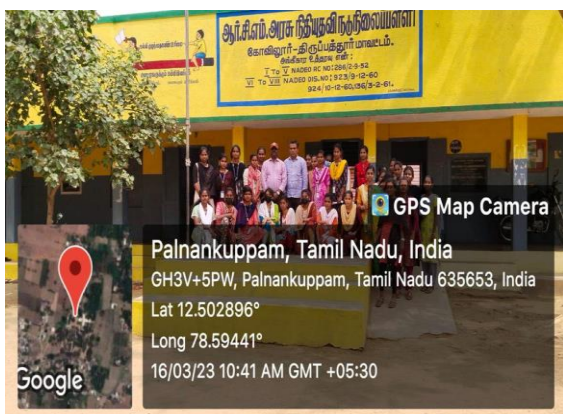

Activity

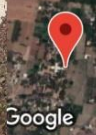

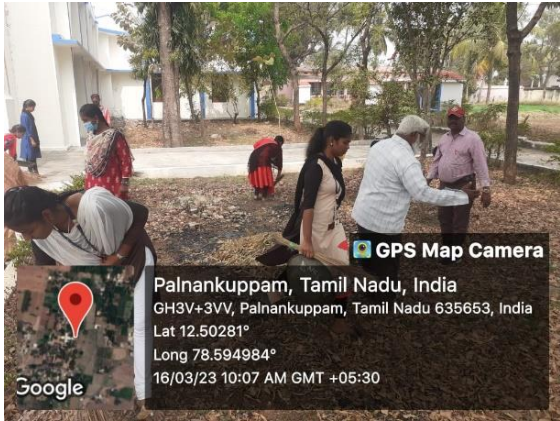

The four NSS Units of SHC travelled to three villages in the Pudukottai Panchayat in order to preserve nature and preserve the environment. Units 1 and 2 stayed at R.C. Middle School in Koviloor since there was a lot of campus cleanup and maintenance to be done. Nonetheless, Units 3 and 4 travelled to the designated communities to continue their eco-friendly initiatives.

1. Unit I – R.C. Middle School, Koviloor
2. Unit II – R.C. Middle School, Koviloor
3. Unit III – Eraikarai Pudukottai
4. Unit IV – Primary Health Center, Periya Vengayapalli

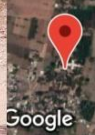

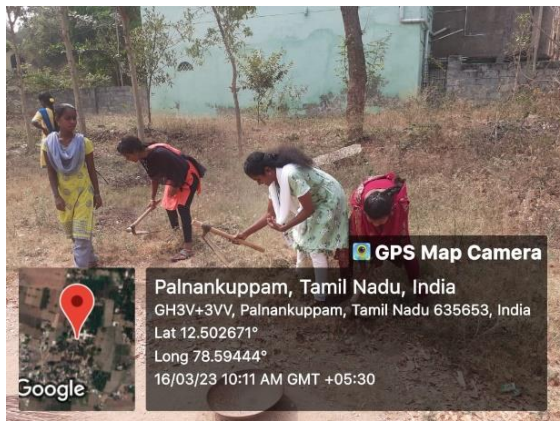

Unit I & II - R.C. Middle School, Koviloor

To raise awareness of the impending "Dhanam-Marathon 2K23" and the need to protect the environment, NSS Units I and II students visited several classes at R.C. Middle school. The campus and school's hallways, footpaths, and walks were swept. The students excavated holes to a depth of 3 feet for a total of 108 coconut seedlings. By removing unwanted weeds from certain plants, existing greenery was fostered and maintained. The NSS student volunteers watered and looked after the plants.

Afternoon talk: Understanding the Law and Human Rights

Resource Personnel: Mrs. Sneha Parthibaraja

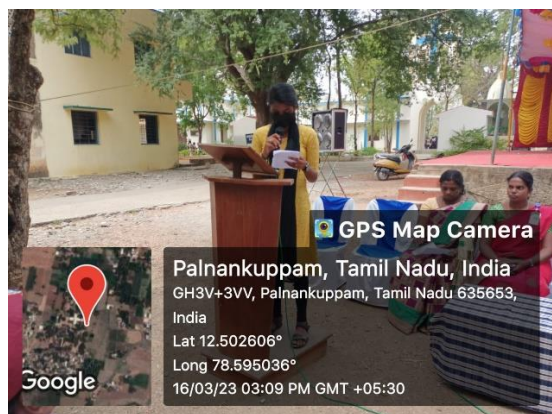

**Leading Women Advocate – BAR Council,
Social Reformer - Tirupattur District**

The afternoons programme began with the Tamil Thai Vaazhtu by the NSS choir. The resource person of the afternoons session was Mrs. Sneha Parthibaraja, Leading Women Advocate – BAR Council, Social Reformer - Tirupattur District. She was the first Indian women to receive the 'No Caste & Religion Certificate'. The welcome address was delivered by NSS volunteer Ms. Kokila. Dr. Kurinji Malar, Asst. Prof. Dept. of Economics donned Mrs. Sneha Parthibaraja with a shawl. In her talk on the need for NSS Student Volunteers to understand the law and human rights, she noted that students need to know their basic rights as citizens and individuals, including their right to education, health, safety, and equal treatment under the law. Understanding human rights helps them to become active and informed members of society. She spoke to the students on a series of topics which include: The importance of our Society, Individual goal to societal goal, Slavery, Demonetization, Impact of GST, Impact of Special Economic Zone, Fertilizers and agricultural production, New Education Policy, Economics Acts, Religious Acts, Child Marriages, Infatuation and Divorce.

S

Mrs. Sneha Parthibaraja, stated that, knowledge of the law and human rights can empower students to take action against injustice and discrimination. They can use their knowledge to advocate for themselves and others and to challenge unfair policies and practices. She further highlighted that, students who understand the law and human rights are better equipped to participate in civic life and make informed decisions about issues that affect them and their communities. They can engage in the democratic process, contribute to the development of laws and policies, and hold their leaders accountable.

She concluded by saying, that understanding the law and human rights is crucial for students' personal growth, civic engagement, and professional development. It prepares them to be responsible citizens and advocates for justice and equality. The vote of thanks was given by Dr. Kurinji Malar, Asst. Prof. Dept. of Economics.
