INDEPENDENT AUDITOR'S REPORT

TO

The Members of The Sacred Heart College Society
Sacred Heart College: Tirupattur: Vellore District – 635 601

Report on the Audit of the Financial Statements:

Opinion

We have audited the accompanying financial statements of **THE SACRED HEART COLLEGE SOCIETY: SACRED HEART COLLEGE: TIRUPATTUR: VELLORE DISTRICT – 635 601** which comprise the Balance Sheet as at March 31, 2020, the Income and Expenditure Account and Receipts and Payments Account for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements of the society are prepared, in all material respects, in accordance with the accounting principles generally accepted in India, that give a true and fair view of the state of affairs of the Society as at March 31, 2020 and the excess of income over expenditure for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by Institute of Chartered Accountants of India(ICAI). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the entity in accordance with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Society's management is responsible for the preparation and presentation of the financial statements that give a true and fair view of the financial position and financial performance of the society in accordance with the accounting principles generally accepted in India, including the applicable Accounting Standards issued by ICAI, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the entity's financial reporting process.

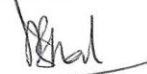

Auditor's Responsibilities

Our responsibility is to express an opinion on these financial statements based on our audit.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud, or error. In making those risk assessments, the auditor considers internal financial control relevant to the Society's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Society's Governing Body as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.
