Annual Placement Report (2022 -23)

The placement cell of Sacred Heart College conducted several training programmes to equip the students and make them to fit into the job market. The placement cell took special interest for the science students in conduction medical coding training. Professionals were invited from reputed institutes like SAHASRAAH SOLUTIONS and prompt training was given to the students. The Bosco Employability Skill Training (BEST) programme was conducted for the final year students. This training was conducted for three full days from 19th January to 21th January 2023 and all the final year students across the shift participated. The Kalvi Trust foundation organized by CSR-Redington conducted a training programme for 100m hours in which the students were given training about employability skills. The placement cell organized a mega job fair on 18th of March 2023 in which 30 companies were invited to recruit students from the college. All the final year students both UG and PG participated in the job fair and about 264 students were shortlisted by these companies based on their performance during the interview process. On campus and Off campus drive were conducted by placement cell for the benefits of Alumni and current batch students.
