2. Media Education

The DBICA team from Chennai animated the students on media education. Bro. Arun SDB, the Assistant Director of DBICA and the Vice-Principal of DBCAS College, Chennai headed the team for this animation. Besides him Fr. Sagayaraj SDB, the Assistant Director and the Administrator of the Citadel, Provincial House, Chennai, too animated the sessions. Rev. Dr. Praveen Peter and Rev. Dr. TheophilAnand SDB introduced the objective and purpose of the Media Education for the Shift I and Shift II students respectively. Fr. Selvaraj SDB introduced the DBICA team to the students. The animation on Media Education was held for two days in four sessions. The animation for Arts students was conducted on 30th July and for Science Students on 31st July respectively. Fr. Sagayaraj, SDB explained the meaning of media, its types, its importance and how it deceives people. He also taught, how the photos are taken and also the tricks used behind the scenes. After his session a few students were asked to volunteer for the preparation of a short movie based on a theme; without dialogues only through action the message was conveyed. The film team went into action during the second session. After the break, Bro. Arun SDB, spoke about the effects of the media that are created in every human being, who is addicted to hero worship and the cultic style of cinema. He explained three impacts on us:

1. With what attitude do we view the movie?
2. What is the impact that the movie is creating on us?
3. What do we do in society after viewing the movie?

This is the analyzing process of a movie. Most of the time we are led in a negative tone in our day today life. Henceforth this would help the college students to analyze the movies that they view. The session concluded with a short movie taken by the students.
