Minutes of the Meeting

Women's Grievance Cell For Prevention of Sexual Harassment

Date: 28-07-2021 Time: 2.30 pm Mode of meeting: Online (Google meet)

Due to the COVID lockdown the meeting was conducted in online mode. It was started with a prayer and short note of welcome by the principal Rev. Dr. D. Maria Antony Raj. He mentioned that due to the lockdown, no students were in the campus and no complaints on sexual harassment in the last year. This year also the same situation may exist. But we should be vigilant if government permit to open the college and students start to come to the classes. Further, the meeting was open for discussion about the different ways to prevent sexual harassment in the campus. The members expressed the following points:

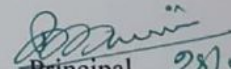

- To give awareness to the students during good morning talk assembly and during Special Orientation programmes separately for the boys & girls.
- To insist the faculty members to communicate the students in such a way that such type of issues will be handled very seriously.
- Keep close watch on the visitors of non-students/strangers in the college campus.
- Advise the girl students to communicate to the principal parents and faculty, if any sort of such issue occurs.
