Class Representatives Meeting

Minutes of Student Leaders Meeting held on 02-02-2021

Student leaders meeting was held on 05-02-2021 at 12.30 am in Pope Francis Hall. The meeting was chaired by Dr. A. Albert Irudayaraj, Dean of Students welfare. The meeting was started with a prayer. Dr. Albert, the Dean briefed the students about the developments in the college. He reminded the students that ragging in any form is prohibited in the campus. He also appealed to the student leaders to inform the higher authorities if they find any form of ragging taking place within the campus. He also gave the government helpline number which could be used for reporting any form of ragging activity. Then he explained about the core values of the college and stressed on the role of student leaders in maintaining quality of education in the institution. He requested the student leaders to keep the campus, in particular the class rooms, clean through CQC activities.

After the introductory address, the Dean invited the student leaders to express their grievances/observations/appreciations if there is any.

Mr. Surya of I M. Sc. social work appreciated the efforts taken by the college management to provide purified water at many places in the campus. However he felt that lot of purified water is wasted as students wash their hands and utensils in purified water. Hence he suggested that separate water taps supplying normal water for washing purposes may be provided. He also said that there is lot of mosquito problem in the social work department block and requested the management to take some remedial measures to minimize the problem.

Mr . Surya of I M. Sc. Social work and Miss Abirami of II B. Com. said that the amount charged by the stationary shop inside the campus for taking print outs of leave letter forms and other files downloaded from internet is quite high and requested the management to take necessary steps to reduce the cost for the same.

Miss. Eashwari of Counselling and Psychology department requested the management to take measures to reduce the mosquito problem in their department.

Mr. Karthick of II MCA felt that the quality of food in the canteen have to be improved.

Mr. Dhanush of III BA English appreciated the teaching of staff and requested that the students may be permitted to attend the class even if they come late.

Miss. Priya of M. Sc. Microbiology requested the management to improve the laboratory facilities in the department. She added that at present, some lab facilities are common for Biochemistry department and Microbiology department because of which they are not able to complete the experiments in time.

Miss. Divyalakshmi of II PG Biochemistry said that the removal and disposal of laboratory wastes should be improved.

Miss. Abirami of II BA Economics reported that water is leaking from the roof of their class rooms.

Miss. Roshini of III B. Com. reported that the electrical switch boards in some of the classes are damaged and there is risk of students getting electrical shock during rainy season.

Mr. Syed of II BA Economics said that the workers who clean the class rooms sweep the dust beneath the platforms in the class rooms. He also added that they neither remove the cobwebs nor wipe the desks and tables after cleaning the class rooms.

Mr. Santhosh Ram of III B. Sc. Maths appreciated the management and Dean for conducting periodic student leaders meeting and for listening to the concerns of the students patiently.

Mr. Suriya of I MCA(lateral entry), Miss. Nancy of II M. Sc. Maths and Mr. Cyrilraj of III B. Sc. Physics requested for reduction of syllabus and conduct of exams at a later date.

Mr. Anand of III B. Sc. Chemistry requested that the students may be allowed to take note books inside the library. He also added that Door mats may be provided in every class room during rainy days.

Mr. Dhanush of III B. A. English requested that the students may be allowed to use mobile within the class room for learning purposes. He also added that the quality and variety of food served in the canteen should be improved.

Mr. Hariharan of Biochemistry department and Miss Princy Jennifer of III B. Sc. Mathematics said that the III gate (which is near Domini Savio School) is not open and is kept closed on many days especially on rainy days. It poses problem for the students and hence requested that all the gates may be kept open on all working days.

Miss. Sanjitha if II B. A. English felt that during rainy season, when there is continuous rain, the classes may be held in online mode.

Dr. Albert, the Dean thanked everybody for their active participation in the meeting and advised the students to approach the college office through their HoDs for any minor repair or infra structural facility needed for their class rooms as and when the need arises. The meeting ended at 1.30 pm.
