Minutes of the 34th ordinary meeting of the Academic Council

Dr. A. George Louis Raja, read out the minutes of the 34th ordinary meeting of the academic council convened on 13th September 2019. The minutes was approved and passed by the members of the academic council.

Briefing of Agenda

Rev. Dr. D. Maria Antony Raj SDB, the Chairman of the Academic Council mentioned that only the Boards who have revised the curriculum structure will be presenting the syllabus for approval by the academic council, and initiated the discussions.

Department of Tamil

Dr. P. Selvakumar, Chairman of the Tamil Literature and M.Phil. Board of Studies mentioned that the structure and the syllabi of Part-I Hindi, Urdu and French are unchanged. He presented the restructured curriculum for Part -I Tamil language. He highlighted that the major change proposed is with respect to the question paper pattern and inclusion of poetry as a component in the question paper. In a response to a clarification sought by Rev. Dr. K.A.

Maria Arokiaraj SDB, on incorporating error free writing in Tamil as a part of the curriculum, Dr. P. Selvakumar responded that it is already a part of the curriculum. Dr.P.Balasubramanian, Chairman of the UG & PG Boards of studies presented the change of papers in the B.A and M.A Tamil programmes.

After discussions, the members of the Academic council approved the changes requested in General Tamil, B.A and M.A Tamil programmes.

Department of Commerce

Dr. K.A. Maria John Joseph, Chairman of UG and M.Phil Board of Studies presented a change requested in the B.Com., Syllabus. He requested the permission of the Academic Council to approve the change of title for the course “*Personal Selling and Salesmanship*” as “*Modern Salesmanship*”, and to include the aspects of *counter, creative, competitive salesmanship, training of salesman* and *control & evaluation of salesmanship* in the course. The members of the academic council unanimously accepted the changes requested by the board.

Department of English

Rev. Dr. K.A. Maria Arokiaraj sought the approval from the academic council to shuffle the courses *English Language Teaching* and *Shakespeare* in M.A. (English) between first and fourth semesters, and the same was approved. He put forth the concept on *streaming* the students for Part-I English course as per their ability. He noted that the students would undergo a diagnostic test to measure their language skills, based on the results the students would be grouped in Stream A, B or C as *advanced, intermediate* or *slow learners*. The teaching methodology and course contents for these groups will be tailored as per their levels. Dr. F. Sagayaraj Francis opined that this streaming may lead to tagging or discriminating the students. Dr. Bushan D.Sudhakar mentioned that the concept of peer learning can't be realized if streaming system is introduced. Rev. Dr. K.A. Maria Arokiaraj clarified that the mark sheets will not bear the streams of the students and ensured that there won't be any discrimination or tagging and peer learning will be encouraged. Rev. Dr. Praveen Peter, the Controller of Examination noted that changing the pattern immediately would trigger problems during the conduct of examination, and opined that the concept of streaming has to be discussed in depth and the *curriculum, teaching methods* and *evaluation* of General English course have to evolved. He concluded that this may take a year, and can come into effect from the academic year 2021-22. Hence, it was resolved to implement the streaming pattern from 2021-22.

Department of Social Work

Dr. S. Paul Raj, the chairman of the PG Board of Studies of Social Work proposed for the introduction of a new specialization *Medical and Psychiatric Social work* besides the existing specializations, *Human Resource Management*, *Community Development* and *Youth Development*. He briefed that this specialization can be included within the prescribed workload of the department and mentioned that the department has allotted two faculty members to undergo training in Medical and Psychiatric Social work.

He also presented the Outcome Based Education framework with the structure and syllabi of M.A., (Social Work). He highlighted the components including the vision, mission, motto, preamble, programme specific outcomes, programme outcomes, course outcomes (in KSA – Knowledge, Skill, Attribute Model), programme descriptors, and the programme structure. He noted that the students can acquire 12 additional credits under the courses listed in *certificate courses*, *online courses* and *self study courses*, the students can opt for a maximum of 2 courses from each of these categories. He also presented the evaluation pattern for CA based on Bloom's Taxonomy and the composition for CA & End Semester Examinations could be 50:50.

He presented the course model comprising of the preamble, pre requisite, course outcome, relationship matrix for course outcomes, programme outcomes, programme specific outcomes and the course content. He conveyed that the BoS has recommended having internal question paper setting and evaluation to facilitate the implementation of OBE framework.

The chairman and the members of the academic council appreciated the efforts of the Board of Studies of social work for presenting the OBE framework. Dr. D. Leslin pointed that the introduction of the new specialization can be recommended to the Governing Body by the respective board of studies.

After discussions, it was suggested to design a common OBE framework which can be passed in the Curriculum Development Cell (CDC) and can be brought to the Academic Council. It was resolved to complete this procedure and to restructure all the programmes in OBE framework in the academic year 2020-21 and to implement in 2021-22.

Department of Mathematics

Dr.R.Murali, the chairman of the UG board briefed that the existing structure and curriculum for B.Sc., Mathematics will be continued. He presented that as per the request from the Computer Science and Commerce with Computer Applications Boards, the syllabi of Allied

Mathematics for B.Sc., Computer Science and B.Com., (Computer Applications) are simplified. Rev.Dr.D.Maria Antony Raj, the Chairman of the academic council directed the controller of examination to work out new subject codes for the courses.

Dr.A.George Maria Selvam, the chairman of the PG board proposed for the change of title of the courses M740 and M840 as *Abstract Algebra* and *Advanced Linear Algebra* respectively. He also sought the approval to simplify the content of these courses as per the feedback of stakeholders. The members approved the resolutions of UG and PG boards of mathematics.

Department of Physics

Dr. A. Albert Irudayaraj, Chairman of the UG and M.Phil., Board of Studies presented the proposed curriculum structure for B.Sc., Physics. He noted that the prescribed curriculum structure of B.Sc., Physics would be standardized in the OBE pattern, after the inputs from Curriculum Development Cell. He also requested the academic council to approve the change and content of the course "*Research Methodology*" as "*Research Methodology and Teaching*".

Dr. F. Sagayaraj Francis queried about the presence of quantum physics in the core courses, Dr. A. Albert Irudayaraj clarified that quantum physics is present as a part in the course Modern Physics. Dr. F. Sagayaraj Francis also insisted to have an inter disciplinary course for B.Sc., (Computer Science) students in quantum physics. Dr.Bushan D.Sudhakar suggested having a uniform distribution for teaching methods in the research methodology and teaching course present in M.Phil, Physics. The academic council approved the changes sought in M.Phil. (Physics) programme.

Department of Computer Science

Dr. L. Ravi, the Chairman of UG board of studies presented the proposed curriculum structure for B.Sc., Computer Science. He mentioned that as per the guidelines of the workload committee, the duration of practical classes are increased from 2 hours to 3 hours. He noted that the restructured curriculum of B.Sc., Computer Science programme is based on the OBE framework, and explained the structure with list of courses for the first four semesters.

After discussions, the members felt that it needs time to formulate a common framework for UG and PG programmes in OBE framework, and the same has to be approved by the Curriculum Development Cell. Hence it was decided to allow the revision of the proposed B.Sc., Curriculum to be implemented from the academic year 2021-22.

Department of Counseling Psychology

Rev. Dr. I. Joe Sanjay OFM Cap., the Chairman of the board of counseling psychology presented the proposal to include two certificate courses, *Neuro Linguistic Programming* and *Healing of Inner Child* in the curriculum. He also requested the consent of the members to convert the one day per week internship into block internship. After discussions, the members approved both requests of the board.

Department of Computer Applications

Dr. A. George Louis Raja, the Chairman of the PG board of studies presented the curriculum structure and syllabi for M.Phil (Computer Applications). The board approved the curriculum of M.Phil (Computer Applications).

General Discussions

Guidelines for a common Outcome Based Education (OBE) framework

Rev. Dr. D. Maria Antony Raj, SDB, the Chairman, briefed that the boards of studies of Social Work, Computer Science and M.C.A were directed to draft an OBE framework for their respective programmes. He mentioned that this could improve the understanding on OBE framework and enable other boards to tailor an OBE framework for their curricula, and asked for the opinions from the members.

After discussions, it was decided to design a common framework for UG and PG programmes separately, and to approve in Curriculum Development Cell during the academic year 2020-21. The common framework can be communicated to the respective boards, and they can follow the guidelines to finalize their curriculum. Finally, the curricular structure and syllabus for the courses can be discussed and approved by the academic council during 2020-21 and can come into effect from the academic year 2021-22.

Course Objectives

There was a discussion about the course objectives, Dr. S. Sagayaraj opined that there should be at least 5 course objectives, and Dr. D. Leslin responded that there is no uniform guidelines is prescribed in this regard. Dr. F. Sagayaraj Francis pointed that the number of objectives does not count; instead there should be a clear mapping among the course objectives and the content of a course. Dr. Bushan D. Sudhakar stressed on the importance of including course outcomes as a component in the curriculum. Rev. Dr. D. Maria Antony Raj, intervened and brought to the notice of the Academic Council that a Outcome Based Education (OBE) framework is being evolved by the institution which has to be uniformly adapted by all the boards of studies from the academic year 2021-22.

Introduction of Research and Publication Ethics (RPE) course for M.Phil/Ph.D. Programmes

Rev. Dr. D. Maria Antony Raj, SDB, the Chairman informed the members about the communication from the Thiruvalluvar University to introduce Research and Publication Ethics as a mandatory two credit course in all the M.Phil /Ph.D. programmes as per the UGC guidelines. The academic council agreed to include the course in all the M.Phil/Ph.D. programmes.

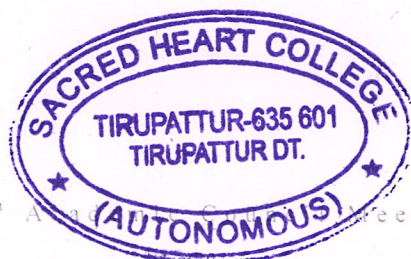

Resolutions

1. It was unanimously accepted and approved to implement the changes sought in Part – I Tamil, B.A., (Tamil), M.A. (Tamil), B.Com., M.A (English), Allied Mathematics for Computer Science, M.Sc., (Mathematics), and M.Phil., (Physics).
2. It was unanimously accepted and approved to include the two certificate courses, *Neuro Linguistic Programming* and *Healing of Inner Child* in M.Sc., Counselling Psychology curriculum from the academic year 2020-21.
3. The curriculum structure and syllabi of M.Phil., (Computer Applications) was approved and passed.
4. It was recommended to the Department of English to implement streaming system from the academic year 2021-22.
5. The Board of Studies of social work was directed to forward their proposal to start the fourth specialization in M.A., (Social Work) programme to the Governing Body and get it approved.
6. It was suggested to draft a common Outcome Based Education framework through the Curriculum Development Cell and was accepted to discuss and approve the same in the academic council meetings to be convened in the academic year 2020-21.
7. It was agreed to implement the two credit Research and Publication Ethics (RPE) course in all the M.Phil/Ph.D. programmes from the academic year 2020-21, as per the guidelines from Thiruvalluvar University adhering to the UGC norms.

Vote of Thanks

Rev. Dr. D. Maria Antony Raj SDB, the Chairman acknowledged the efforts of all the members of the academic council for their fruitful and valuable suggestions. He extended his special gratitude to Dr. S. Paul Raj and Rev. Dr. C. Antonyraj SDB, Rector & Secretary for their contributions in the past academic council meetings. After which, the members gathered for a group photo followed by lunch.
