SACRED HEART COLLEGE (AUTONOMOUS)

Tirupattur – 635 601, Tamil Nadu, S.India

Resi : (04179) 220103

College : (04179) 220553

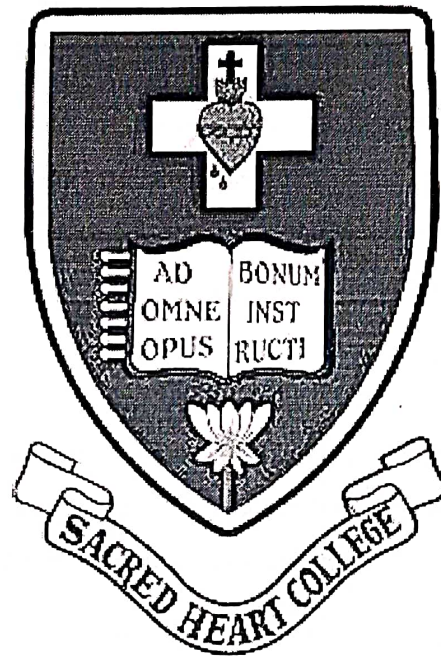

Fax : (04179) 226423

A Don Bosco Institution of Higher Education, Founded in 1951 * Affiliated to Thiruvalluvar University, Vellore * Autonomous since 1987

Accredited by NAAC (4th Cycle – under RAF) with CGPA of 3.31 / 4 at 'A+' Grade

6.5.3 Academic Audit Reports 2021-2022

ACADEMIC AUDIT REPORT

4th March 2021

PG & Research Department of Mathematics

Sacred Heart College (Autonomous)

Tirupattur -635 601

ACADEMIC AUDIT REVIEW REPORT**Name of the Department: Mathematics****1. Introduction**

The community of Sacred Heart College, inspired by the love of the Heart of Jesus and fundamental human values, following the educative system of Don Bosco, are committed to the creation of an educated, ethical, and prosperous society where equality, freedom and fraternity reign by imparting higher education to poor and rural youth enabling them towards integral human development.

For assuring quality and excellence in higher education, the Department of Mathematics, Sacred Heart College, has taken steps to monitor the quality and progress of various systems that contribute to the academic enrichment and relevance by establishing not only the Internal Quality Assurance Cell but also through Academic Audit conducted by external experts.

In the field of Higher Education, the Staff and Students of department of Mathematics are committed to academic excellence, healthy standards in extracurricular practices, socially relevant research and courses leading to employment and entrepreneurship, and continuous progress of the institution.

The department of Mathematics works towards serving preferentially the underprivileged and rural youth, educating them to social consciousness of rights and responsibilities, rooting out social evils, building communities, and promoting total literacy, education and development of the neighborhood and aiming at integrating ethical, cultural and political values, developing a sense of the Divine present in nature and in the human person, by means of group activities and personal guidance, in a family atmosphere.

Objectives of Academic Audit

1. Identify the thrust areas of focus, central to quality assurance and enhancement in teaching and learning.
2. Identify the processes and procedures used by department for quality assurance and enhancement in each of the focus areas.
3. Appraise the adequacy and effectiveness of the quality assurance processes and procedures.
4. Make appropriate recommendations for continuous enhancement of the processes and procedures used for quality assurance and progress.

1.1. Members of Academic Audit Panel**1. Dr. A. Lourdusamy**

Associate Professor
Department of Mathematics,
St. Xavier's College,
Palayamkottai

Subject Expert**2. Dr.Thirusangu,**

Associate Professor
Department of Mathematics
Dean, Research and Development,
SIVET College
Gowrivakkam
Chennai.

Subject Expert**3. Dr.D.Sathiyavan**

Associate Professor
Department of Econometrics,
University of Madras,
Chennai.

Alumni**4. G.S.Krishnamurthy**

Group Manager – CAE
Royal Enfield , A Unit of Eicher Motors Ltd.
No 296,Rajiv Gandhi Salai
Opposite to Vasanth& Co Showroom,
Sholinganallur,OMR
Chennai - 600 119.

Industrial Expert

Staff Members

20.	Mr. N. Avinash	M.Sc., NET.	Assistant Professor	3

1.2 Schedule of the Academic Audit Visit**04-03-2021 (Thursday)**

Time	Activity
08.45am – 09.00am	Meeting with Principal
09.00am – 09.15am	Finalizing the schedule
09.15am – 09.30am	Welcoming and introducing the External Members
09.30am – 10.15am	Presentation of the Department by the HOD
10.15am – 11.00am	Verification of the Documents
11.00am – 11.15 am	Tea Break
11.15am – 11.50am	Meeting with Students (UG) – Shift-I & Shift –II
11.50 am – 12.25 pm	Meeting with Students (PG) – Shift-I & Shift –II
12.25pm – 01.00pm	Meeting with M.Phil., and Ph.D. Research Scholars
1.00pm	Group Photo
01.00pm – 01.45pm	Lunch
01.45pm – 03.15pm	Meeting with individual Staff member in 2 groups (Shift –I & Shift -II)
03.15pm – 05.00pm	Report Preparation
05.00pm – 06.30pm	Exit Meeting

About the Department of Mathematics

College

Sacred Heart College (Autonomous), Tirupattur was founded in the year 1951 by a Spanish Salesian Missionary **Rev.Fr.JosephCarreno SDB**. It had its humble beginning when it started functioning with 10 teachers and 81 students and in a short span of five decades, it has grown into a research institution, with the view to cater to the needs of the deserving local students. And today it has taken shape as a majestic institution, all to the credit of the Salesians of Don Bosco. The College has been re-accredited with ``A" grade by NAAC in November 2006, accredited by NAAC (3rd Cycle) with 3.43 on the 4 points scale at 'A' grade in April 2013 and accredited by NAAC (4th Cycle-under RAF) with 3.31 on the 4 points scale at 'A+' grade in 2019.

Department of Mathematics

Sacred Heart College is an affiliated autonomous College of the newly formed Thiruvalluvar University (formerly affiliated to University of Madras). This is a Catholic Christian Minority Institution of Higher Education, established and administered by the religious Congregation of the Salesians of Don Bosco. The Salesian province of Madras under the leadership of Rev.Fr.JosephCarreno SDB, a Spanish Salesian Missionary founded this College in the year 1951. The establishment of the Department of Mathematics was a natural corollary with the birth of this College.

Rural and backward regions in those days are rare settings in the field of Education. But Institutions of higher education are indispensable in rural areas to remove economic backwardness and intellectual non growth of the millions who belong there. Such a deprived situation challenged the faculty of Mathematics to achieve excellence in the field of higher Education.

Inception

From the very inception of the faculty of Mathematics, academic excellence was the order of the day. During the days of Pre-university, in a notable way, 75 of our Department students were admitted in the Engineering Colleges. The Department achieved very good results at the University Examinations. A respectable number of

university rank holders from the Department of Mathematics stands as testimony for the academic excellence achieved by the Department.

Growth

In the year 1954, the University of Madras upgraded the College as a First Grade College and Mathematics became a full fledged degree course. The Department excelled in the university Examinations. Mathematics Department of this college proudly feel that more than 15 of our students used to enter into various courses in the prestigious Madras Institute of Technology every year, which exceeds the number from any college in Tamil Nadu. It was a witness to the entire state, that, the Department existing in a rural area, a college can reach the peak in academic excellence. Thus, the Department of Mathematics of Sacred Heart College became a model of higher education in rural and backward regions.

In recognition of the hard work and the excellence in academic activities of the Department, the University upgraded the Department vertically to be a Post Graduate Department in the year 1980. The results of the P.G. Department of Mathematics in the University Examinations were the best. As the Department aspired for greater excellence and better service, the Department took a bold step in launching autonomy for the Department.

As the UGC and the University were impressed by the excellent academic record of the Department, autonomy was conferred to the PG Department of Mathematics from the academic year 1987-1988 and for the UG course from the year 1988-1989. Autonomy gave birth to free, creative and dynamic intellectual pursuits in the faculty of Mathematics. Through autonomy, academic doors were opened for the students of the rural area to have a taste of newer areas in the field of Mathematics like

1. Graph Theory
2. Automata Theory
3. Bio Mathematics
4. Number Theory and Cryptography
5. Operations Research.
6. Difference Equations

Finite Element Methods, Financial Mathematics and MATLAB Courses are offered as optional subjects. The curriculum was designed to cater to the needs of the student community in preparing them for competitive examinations and to create interest in the field of research. This naturally forced us to offer more and more application oriented subjects.

Keeping in mind the urgent need of up gradation of the faculty qualitywise, a sequential programme in M.Phil was conducted by the Department during 1985-1986.

Research Activity

The Department motivated themselves to involve in research activities. In the process, 14 research scholars and 9 faculty member have obtained Ph.D degree during the year 2016-2020. 440 Research papers were published in several National and International Journals by the Faculties of the Department. Two National Conferences, Two international conferences and one state level seminar have been conducted.

2. Milestones of the Department

- 1951– Department of Mathematics was established
- 1954 – Introduction of U.G. programme
- 1980 – Launching of P.G. programme
- 1987 – Introduction of Autonomy of the P.G. programme
- 1988 – Introduction of Autonomy of the U.G. programme
- 1988 – Mathematics department was the prime cause for the birth of the Computer Science department.
- 1991 – Launching of Shift – II (UG Mathematics)
- 2000 – Launching the Research Programmes (M.Phil&Ph.D)
- 2004 – National Board for Higher Mathematics (NBHM) recognized our department for sending NBHM complementary book scheme.
- 2008 – Introduction to Autonomy to Shift – II
- 2009 – Co-education for Shift – I and Shift – II
- 2015 – Launching the department magazine OMEGA
- 2015 – Launching of P.G. programme(Shift – II)
- 2017 – Organizing the first International Conference (ICMA - 2017)
- 2017 – Launching online open access journal – *Computational Mathematica* with ISSN: 2456 – 8686, DOI: 10.26524/JCM_X

2017 –Introduction of Skill Enhancement Papers with Online Examination.

2018 – Launching of a Mathematical Society to promote research – AARM
(Academia for Advanced Research in Mathematics)

2020 –OrganizedInternational Conference (ICMA - 2020) in association with
AARM (Academia for Advanced Research in Mathematics)

Visit of Renowned Mathematicians:

1. **Dr. Sandra Pinelas**, Professor, Military Academy, Portugal, visited our college during January 27, 28, 2017, for ICMA 2017.
2. **Dr. Javid Ali**, Professor, Aligarh Muslim University, Aligarh, visited our college during January 27, 28, 2017, for ICMA 2017.
3. **Dr. PankajSrivastava**, Professor, Motilal Nehru National Institute of Technology, Allahabad, visited our college during January 27, 28, 2017, for ICMA 2017.
4. **Dr. Clement King**, Professor, King Khalid University, Saudi Arabia visited our college during January 27, 28, 2017, for ICMA 2017.
5. **Dr. E. Thandapani**, Professor Emeritus, RIASM, University of Madras, visited our college during January 27, 28, 2017, for ICMA 2017.
6. **Dr. Veeramani**, Professor, IIT, Madras, visited our college during January 27, 28, 2017, for ICMA 2017.
7. **Dr. LambertoRondoni**, Matematiche, Politecnico di, Torino, Italy visited our college during January 27-29, 2020, for ICMA 2020.
8. **Dr. Santo Banerjee**, University Putra Malaysia, Malaysia visited our college during January 27-29, 2020, for ICMA 2020.
9. **Dr. JagdishPrakash**, University of Johannesburg, South Africavisited our college during January 27-29, 2020, for ICMA 2020.
10. **Dr. Amar Prasad Misra**, Visva-BharatiUniversity, Santiniketan, West Bengal visited our college during January 27-29, 2020, for ICMA 2020.
11. **Dr. AsitSaha**, Sikkim ManipalUniversityvisited our college during January 27-29, 2020, for ICMA 2020.
12. **Dr. SreenadhSreedharamalle**, Sri VenkateshwaraUniversity, Tirupati, Andhra Pradeshvisited our college during January 27-29, 2020, for ICMA 2020.
13. **Dr. Choonkil Park**, Professor, College of Natural Sciences, Hanyang University, seoul, Korea visited our college on February 14, 2020 for an invited talk.
14. **Dr. HeeSik Kim**, Professor, College of Natural Sciences, Hanyang University, seoul, Korea visited our college on February 14, 2020 for an invited talk.

3. Faculty Profile**Staff Details**

No. of Staff	20
No. of Male Staff	14
No. of Female Staff	6
Staff with Ph.D.	14
Ph.D. Guides.	9
M.Phil. Guides	14

Associate Professor (Aided)	5
Assistant Professor (Aided)	5
Assistant Professor (Management)	10

Institutional Responsibilities (2020 – 21)

Staff	Responsibility
Dr. A. George Maria Selvam	HOD (PG Mathematics), Chairperson, BOS in PG Mathematics (Sacred Heart College), Chairperson for Board of Examiners (PG) (Periyar University), Academic Council Member (SHC), Governing Body Member (SHC), CDC Member, II M.Sc. Class In-charge.
Dr. R. Murali	HOD (UG Mathematics), Chairperson, BOS in UG Mathematics (Sacred Heart College), Member BOS in UG Mathematics (Thiruvalluvar University), Member BOS in Mathematics (University Nominee) (Islamiah College, Vaniyambadi), Academic Council Member (SHC), CDC Member, Subject Expert Member BOS in Mathematics (Sri Saradha College for Women, Salem).
Dr. G. Britto Antony Xavier	Academic Council member (Thiruvalluvar University, Vellore), IQAC (Member), Journal Committee: Editor in Chief (<i>Journal of Computational Mathematica</i>), Founder President of AARM (Academia for Advanced Research in Mathematics), Convener of International Conference (January), FIST Principal Investigator, Member BOS in Mathematics (Thiruvalluvar University).
Mr. S. Joseph	Director - Competitive Exams (SHC)
Dr. P. Manoharan	Secretary, Teaching Staff Welfare fund, SHC, TPT.
Dr. S. Kalaiarasi	Research Forum (Dept. of Mathematics), Staff Grievance Redressal Panel, Member of Staff Grievance Redressal Committee, Women Grievance Cell for prevention of sexual harassment, Discipline in common Programs, Care of late comers of college, I M.Sc. Class In-charge.
Dr. A. Merceline Anita	Dean of Women Students Welfare (SHC), Disciplinary & Ragging Curb Committee, Students Grievance Redressal Committee, Women Grievance Cell for prevention of sexual harassment, Anti ragging committee, Prayer In-charge (Golden

	Jubilee).
Dr. V. Balaji	Association President ,Outreach program, Discipline in charge for Bicentenary Building.
Dr. M. Antony Arockiasamy	NSS (Programme officer), Police Wellbeing Master Trainer, Placement, II B.Sc. Class In-charge.
Dr. D. Ajay	Fine Arts (President), MOODLE (Dept. Admin), III B.Sc. Class In-charge.

Shift-II

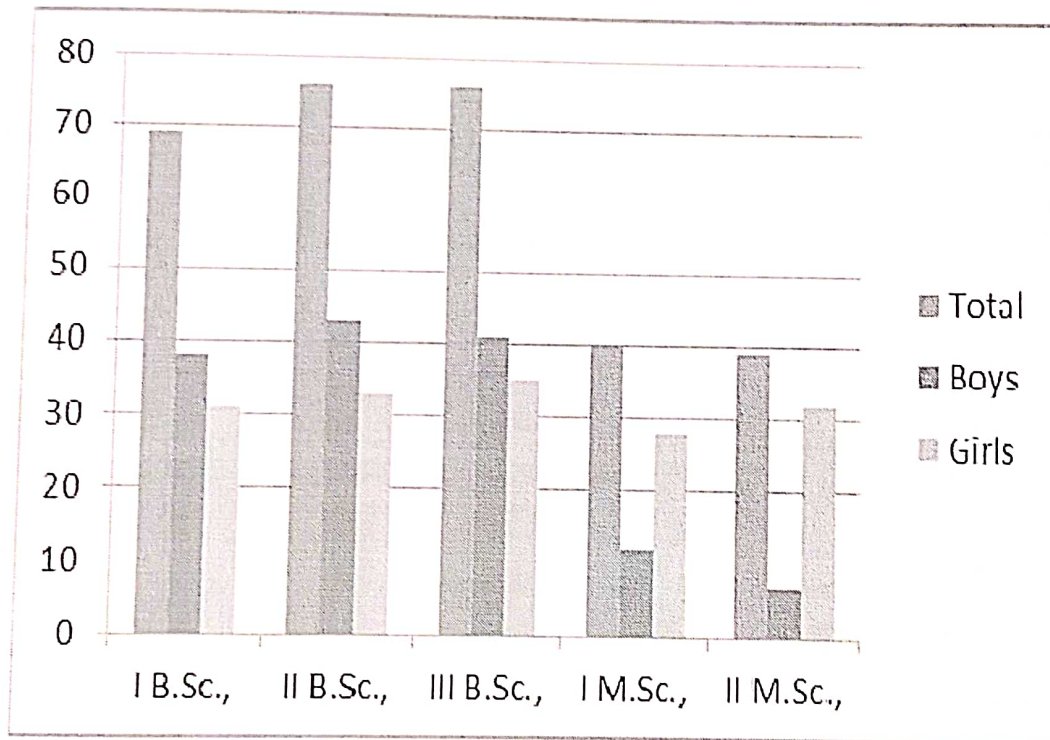

Staff	Responsibilities
Rev. Dr. S. John Borg	PG HOD (Shift - II), Academic Guide(Bio-Chemistry)
Dr. S.U. Vasantha Kumar	UG HOD (Shift - II), IQAC Member, Library Committee Member, MOODLE Coordinator for department
Mrs. S. Savitha	III UG Class In-charge, Cultural In-charge
Dr. B. Govindan	Fine Arts In-charge,II PG Class In-charge, Alumni In-charge
Dr. B. Chandrasekar	I PG Class In-charge, Research Forum In-charge
Dr. T.G. Gerly	Association President UG & PG, I UG Class In-charge, Sports In-charge
Mr. M. Thanigajalam	II UG Class In-charge, Sports In-charge, Cultural In-charge
Ms. D. Saraswathi	Cultural In-charge
Mr. N. Avinash	Outreach Programme In-charge, Placement In-charge

Teaching and Learning

Department has enormous and latest IT Infrastructure to support the teaching & learning processes. Different ICT equipment like LCD Projectors, wi-fi modems, scanners, printers, speakers etc. are available in the Department. The Department has implemented Programmes to provide exposure to enhance the students' learning experience by student centric methods like field trips, industrial visits, case-studies, project based-learning and group discussions.

In addition, guest lectures/invited talks are also arranged for students from time to time. In teaching-learning process, cognitive development like learning, problem-solving, understanding is achieved via video lectures, presentations, industrial visits, quiz, movie screening etc.

The faculty Development Programme and several need-based awareness Programmes, trainings and workshops are arranged from time to time for Faculty and they are motivated and encouraged to publish their research papers in various Scopus/WOS/SCI/UGC journals. The faculty despite of having many challenges is extremely committed in contributing to the intellectual development of the students. Teaching, learning and research are the main focus of the academic pursuit.

Department prepares an academic plan well in advance which is monitored by the HODs. Another remarkable feature of the teaching learning environment is the personal relationship and bond that exist between the teachers and the students. The high learners and the slow learners are identified at the beginning of the academic year. The department has integrated an interactive teaching learning methodology to maintain quality.

There is considerable evidence showing that the continuous assessment supports students' learning. Traditional testing methods are combined with innovative methods such as problem solving, online examinations and seminars to make the learning experience unique. The teachers provide guidance for assignments and seminars. The attendance is Online, carefully monitored and remains free from manipulations. The instructional methods to a certain extent provide the students to think analytically, to understand the premise of the study and communicate confidently.

Performance in each course of study is evaluated based on:

1. Continuous Internal Assessment throughout the semester, which is centrally organized.
2. Final examination at the end of the semester.

The assessment pattern includes the selection of weightages for different cognitive levels for all tests. The assessment pattern is communicated to all the students at the beginning of the semester. The audit shows the main concern of the department is improving the quality of learning which also involves an assessment to what extent the students master the content of the course. Mentoring and tutoring are well monitored and documented. Remedial teaching is provided for slow learners.

Evaluation**QUESTION PAPER PATTERN FOR UG****Examination System**

There are two components in the evaluation and assessment of a student, namely Continuous Assessment (CA) and Semester Examination (SE). The CA will take place during the course of the semester and the semester Examination shall be conducted at the end of each semester, i.e., ODD Semester in October/November and Even Semester in April/May.

Each UG course consists of six semesters.

Semester Examination (SE)

The Maximum Marks for Semester Examination is 70 for UG.

For Semester Examinations: Question paper pattern

The question paper shall have three sections with the maximum of 70 marks for three hours with the following break-up.

Section – A

Section –A shall contain *ten* short answer questions without choice drawn from all the units on the basis of two questions from each unit.

Each question shall carry two marks ($10 \times 2 = 20$). Answer all the questions.

Section–B

Section – B shall contain *five* “EITHER OR” type questions drawn from all the five units. (One “EITHER OR” type question from each unit).

Each question shall carry 4 marks ($5 \times 4 = 20$). Answer all questions.

Section– C

Section – C shall contain *five* questions drawn one each from the 5 units.

3 questions out of 5 are to be answered. Each question shall carry ten marks ($3 \times 10 = 30$). Answer any three questions.

Continuous Assessment (CA)

The Maximum Marks for Continuous Assessment is 30 for UG.

For CA Examinations: Question paper pattern

The duration of the examination shall be two hours.

The question paper shall consist of three parts. Maximum Marks of CA question paper is 50.

Section – A: Short Answers ($5 \times 3 = 15$ marks). Answer all the questions.

Section – B: Medium Answers (with either or type, $3 \times 5 = 15$ marks). Answer all questions.

Section – C: Long Answers (2 out of 3, $2 \times 10 = 20$ marks). Answer any Two questions.

The break-up of the internal marks component is as follows:

- (i) Two CA Tests - 20 Marks
- (ii) Attendance - 5 Marks
- (iii) Cycle Tests/Problem Solving/Class Tests/Assignment/Home Tests - 5 Marks

Transparency shall be maintained and the final mark for component (iii) shall be endorsed by the HOD.

Passing Minimum:

A student shall be declared to have passed in a paper, if one secures 40% and above in the Semester Examination and 40% and above in the aggregate of CA and Semester Examinations. Candidates failing in a subject, have to repeat the semester examination in that paper.

Certificate Courses (30 hours)

LaTeX for Mathematics

- Certificate Programme in **LaTeX for Mathematics** introduced for PG Students for the year 2018-19, 2019-20 (Odd Semester).

R Language Statistics

- Certificate Programme in **R Language Statistics** introduced for PG Students for the year 2018-19 (Even Semester).

Mathematical Modelling with Spreadsheet

- Certificate Programme in **Mathematical Modelling with Spreadsheet** introduced for UG Students for the year 2019-20 (Odd Semester).

4.	Maths (MOU) Conference and publication	IOP Conference Series	2020	One year	Organizing Conferences and Journal Publication

Infrastructural facilities

Departmental Infrastructure

- Classrooms are well spacious and equipped with suitable furniture and LCD projectors.
- Well-equipped computers with internet, printers and a scanner.
- Individual cabins for staff.

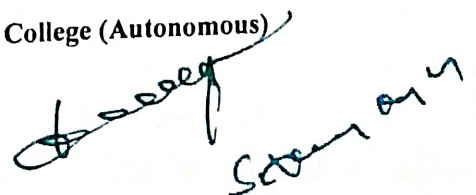

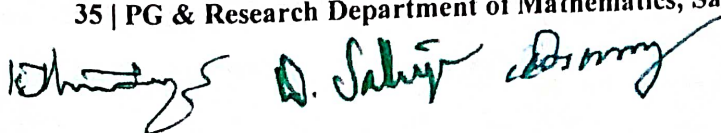

Class	Room No.	Type of ICT Facility
I B.Sc., Mathematics	B10	Projector, Wi-fi
II B.Sc., Mathematics	B11	Projector, Wi-fi
III B.Sc., Mathematics	B12	Projector, Wi-fi
I M.Sc., Mathematics	B13	Projector, Wi-fi
II M.Sc., Mathematics	B14	Projector, Wi-fi
M.Phil., Mathematics	B18	Projector, Wi-fi

6. Outcome of the Students meeting

1. PG/ M.Phil., Students are encouraged to publish papers.
2. In main elective courses choice is required.
3. Latex software is used for M.Sc. project work.
4. Skill enhancement paper in the M.Sc. course is very useful for competitive exams.
5. In Skill enhancement paper, topics in ODE and PDE could be offered in one of the semesters. For facilitating this, skill enhancement papers of Algebra and Linear Algebra could be combined.
6. In Skill enhancement, students expect more drill in solving problems rather than repeating the same theory studied in core papers.
7. To appear for NET/SET examinations, the students expect to have study materials containing objective type questions in skill enhancement papers.
8. Both in UG and PG interaction, the students expressed the opinion that some software based papers may be introduced in their curriculum to find placement in industries.
9. Students expressed satisfaction about the internal assessment system followed.
10. UG students suggested to introduce aptitude papers to take up competitive examinations. At present students from other departments are offered aptitude papers under NME. So these papers could be introduced as certificate courses in order to give initiation for students to prepare for competitive examinations.
11. In class quality circle PG students proposed to have more problem solving sessions.

Outcome of the Research Scholars Meeting

1. Research scholars expressed satisfaction over the following
 - Research facility available in the campus.
 - Research interaction with the guides everyday.
 - Celebrating Research day.
 - Involving Research scholars in all academic activities of the department including teaching certificate courses and In-House lectures.
 - Encouragement to publish papers in Scopus/WOS journals.
 - Seed money provided for research scholars.

2. Research scholars made a fervent request of the following
- As Maths research scholars do not make use of lab facilities, they requested for reduction in annual college fees.
 - Financial assistance may be given to deserving research scholars to meet hostel expenses.
 - To promote women scholars to do Ph.D., women scholars requested for additional financial assistance.

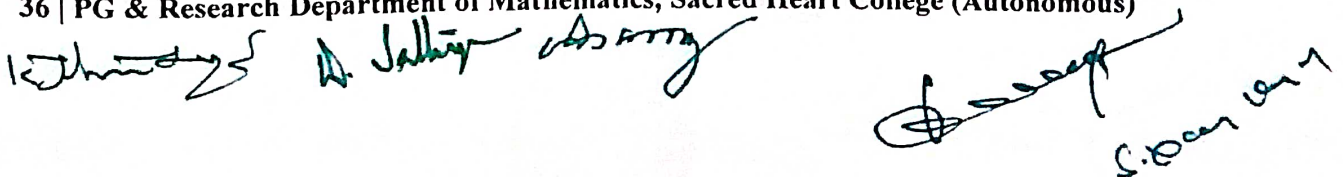

7. Outcome of the Faculty meeting

1. Registration fee may be provided for self financing staff for presenting papers in seminars/conferences.
2. On Duty (OD) leave for self financing staff may be granted for attending seminar and conferences for the entire duration.
3. The staff members are publishing research articles and doing research on a regular basis. As a token of appreciation, the management is giving Rs. 2000, Rs.1000 for published papers in Scopus/Web of Science and UGC approved journal respectively.
4. The staff members feel that there is lack of space for conducting department association activities.
5. The staff members have established collaboration and contacts with academic community to enhance research output.
6. Promotion and monetary benefits for the self-financing staff may be given in due time.

8. Overall Assessment

Strengths of the Department

1. The Department has dedicated and committed faculty members.
2. Faculty members of the department are all qualified as per UGC norms with Ph.D., and NET/SET qualification.
3. From student enrollment it is observed that the department attracts a good number of students to register for studying mathematics.
4. UGC introduced the requirement of publishing a paper by M.Phil. Scholars since 2018. But the college introduced this since 2015-16. This is one of the best practices followed by the department to enhance research.

5. All PG projects are checked for *similarity index* using the Turnitin tool. The acceptable level of similarity *would be 40%* for the whole project document.
6. All M.Phil., dissertations are checked for *similarity index* using the Turnitin tool. The acceptable level of similarity *would be 30%* for the whole dissertation.
7. The practice of checking for similarity index compels students to become aware of plagiarism in research. When these students take up research they will be able to produce high quality papers in research. This is another best practice observed by the external audit members.
8. Audit team observes that the department is equipped with good infrastructure and learning resources.
9. The department has carried out commendable research work even without funding from government agencies.
10. The department regularly conducts conferences and workshops.
11. The department is vibrant with research activities culminating to the awarding of 26 Ph.D.'s and 22 scholars currently pursuing Ph.D.
12. The research publication by the faculty members is highly commendable as there are 197 publications in UGC approved journals and 142 publications in Scopus/WOS indexed journals in the past 5 years. The external expert team appreciates that all Ph.D./M.Phil., guides have Google scholar citation index.
13. The External expert team observes a high level of cohesiveness among the faculty.
14. The External peer team observes another best practice of the department in publishing articles in collaboration with mathematicians in foreign countries.
15. There is yet another best practice of research guides being referees and reviewers for Scopus/WOS indexed journals and international databases respectively.
16. The External peer team comes to know that the scholars are giving In-House lectures for UG and PG students. This practice will be a great motivating factor for taking PG students to research.
17. The effort of bringing the journal – **Journal of Computational Mathematica**- is highly laudable.
18. It is highly appreciable that Academia for Advanced Research in Mathematics (AARM) society is functioning since 2019. This will pave way for researchers in mathematics to come to know about paper publications, conferences, collaborative research, projects etc. that will disseminate science ideas even to common public.

Weakness

1. As the students hail from villages, it takes time for them to fall in line as per the expectation of the higher educational institution.
2. The expert team observes that there is lack of physical space for documentation.
3. Summer project (Internship) for both UG and PG may be introduced.
4. Fast learners and slow learners need to be identified at the beginning of the academic year. Remedial measures have to be initiated well in advance of the announcement of the examinations.
5. The HOD may be given a spacious room.

Opportunities

1. For the Journal of Computational Mathematica getting scopus index is suggested.
2. Already staff members are publishing research papers in collaboration with mathematicians in foreign countries. This may be converted into MOU's and international projects paving way for effective research activities and attracting funds.
3. Already staff members have Google scholar citation index. If the staff members can get Scopus/WOS citation index, this will enhance the credibility of the research work with international research community.
4. For each course 6 Course Outcomes (CO) can be given as per Benjamin Bloom's Taxonomy.
5. In examination pattern, there can be 40 % of questions for lower order cognitive complexity and 60% of questions can be addressed for higher order cognitive complexity. This may be indicated in the question paper itself.

Challenges

1. Having interaction with notable alumni and conducting alumni chapters will bring a lot of placement opportunities for students. This may bring resources to the department.
2. Making internal : external in assessments as 50:50 will pave way for the exercise of the autonomy in the right sense.
3. Introducing innovative components for internal assessment will nurture students cognitive skills.

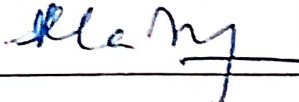

ACADEMIC AUDIT

March 9, 2024

4. Conducting MCQ test as a comprehensive examination at the end of the PG programme will prepare students for NET/SET/GATE examinations.
5. The department and the college can explore the possibility of introducing Outcome Based Education (OBE) in its totality.

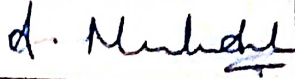

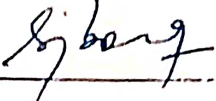

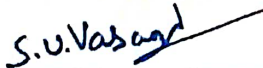

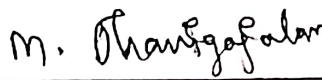

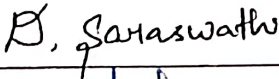

9. Signatures of the Academic panel members :

Chairman	Dr. A. George Maria Selvam, Associate Professor and Head, Department of Mathematics, Sacred Heart College (Autonomous), TirupatturDt - 635 601.	
Subject Expert	Dr. A. Lourdusamy Associate Professor Department of Mathematics, St. Xavier's College, Palayamkottai

Dr. R. SENARATHNE
M.Phil., Ph.D.
Assistant Professor
Department of Tamil,
Sir Theagaraya College
Salem - 636 021, Tamilnadu, India.

	APRC Board Room	by the panel	
2.30 pm – 3.00 pm		Preparation and Finalization of the Report by the members of the Audit Panel	
3.00 pm - 4.00 pm		Presentation of the report by the panel members to the faculty members and student representatives	

2. Milestones of the Department

- விழுமியங்கள் அடிப்படையில் பாடத்திட்டம் அமைக்கப்பட்டதால் தனிமனித ஒழுக்கலாறு, குடும்பப்பாங்கு, சமூகம் ஆகியவை குறித்த சிந்தனையை மாணவர்கள் பெறுகின்றனர்.
- கவிதை, சிறுகதை, நாடகம், இதழியல் ஆகியவை பாடமாக வைக்கப்பட்டுள்ளதால் மாணவர்களிடையே வாசிப்பு மற்றும் படைப்பாற்றல் திறன் மேம்படுகிறது.
- இளங்கலை சிறப்புத்தமிழ் பயிலும் மாணவர்களுக்குச் 'செம்மையாக்கமும் தொகுத்தலும்' பாடம் அறிமுகம் செய்யப்பட்டதன் மூலம் எழுத்துப் பிழையின்றி மாணவர்கள் எழுதுவதற்கான பயிற்சி பெறுகின்றனர்.
- நாட்டுப்புறவியல் பாடத்தைப் பயில்வதன் மூலம் நாட்டார் வழக்காற்றியல் சார்ந்த தெளிவைப் பெறுகின்றனர். அதை ஆவணப்படுத்தும் ஆர்வம் மாணவர்களிடையே ஏற்படுகிறது.
- கல்வெட்டியல் சான்றிதழ் படிப்பை மாணவர்களிடையே அறிமுகம் செய்ததன் வாயிலாக முதுகலையில் தொல்லியல் படிப்பைத் தேர்ந்தெடுத்துப் படிக்கின்றனர்.

 Sri Theagaraya College

- Theory Evaluation – Excellent
- Practical Evaluation – UG B.A. Tamil Elective Paper Computer only Practical

Question Paper Pattern

Part – 1 (பகுதி – 1) Tamil

4 பருவத்திற்கான மொத்த மதிப்பெண் - 30

வகுக்கப் பதிவு - 05

இரண்டு அகமதிப்பீட்டுத் தேர்வுகளின் சராசரி - 15

ஒப்படைப்பு - 05

பாடப்பகுதியில் இடம்பெற்றுள்ள

ஏதேனும் ஒரு நூல் குறித்து உரையாற்றல் - 2

தற்காலத்தைய கவிதை, சிறுகதை, நாடகம்,

இதழியல் குறித்து உரையாற்றல் - 2

தற்கால இதழியல், கவிதை, சிறுகதை,

நாடகம் குறித்த படைப்பாளிகள்

குறித்து உரையாற்றல் - 1

05

மொத்த மதிப்பெண்

- 30

பருவத்தேர்வு

பகுதி - அ (10X2=20) அலகுக்கு 2 வினாக்கள் வீதம் 10 வினாக்கள்

படைப்புத்திறன் சார்ந்து 2 வினாக்கள் கேட்கப்படும்.

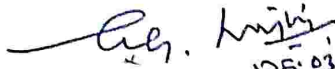

பகுதி - ஆ (5X4=20)

அலகுக்கு 2 வினாக்கள் வீதம் மாற்றுவிடு வாய்ப்பாக

10 வினாக்கள் கேட்கப்படும்.

பகுதி - இ (3X10=30)

அலகுக்கு 1 வினா வீதம், 5 வினாக்கள் கேட்கப்படும். தெரிவு முறையில் மூன்று வினாக்களுக்கு விரிவாக விடையளிக்க வேண்டும்.

8. Infrastructural Facilities

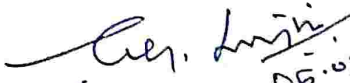

- We are well impressed of the Infrastructure for the teaching and learning.
- PC – 2
- Printer – 2
- Class Room – 7
- Staff Room – 3

Library

- Department Library Books – 200
- Central Library Books – 807
- Journals - 15

9. Outcome of the Students Meeting

- Syllabus can be uploaded in the college website and E'content can be included.
- Re- evaluation fees can be reduced.
- The research students can be allowed to utilize the library books for the maximum period of submission of the theses.
- Smart class facility can be provided for computer elective courses.
- Religion and Ethics text books can be given in Tamil.
- Industrial cum Cultural visits can be extended to UG students also.
- More opportunities can be given to the students in order to increase the creativity
- Students feel that the faculty members are friendly and easily approachable.
- Department level Students seminar can be conducted twice in a month for research students.

05.03.22
Dr. M. TAMILMARAN,
M.A., M.Ed., M.Phil., Ph.D.
Professor
Department of Tamil
Periyar University
Salem - 636 011, Tamilnadu, India.

03/21
Dr. R. SENGODAN, M.A., M.Phil., Ph.D.
Assistant Professor
Department of Tamil,
Sir Theagaraya College
Chennai - 600 021.

- The research students are conducting National and international seminars annually and it can be encouraged.
- M.Phil., students are conducting weekly Invited Talks. It is appreciated.
- The committee observed that the title of the research is covered in all aspects of Tamil.
- The students feel that the Amenities provided for them are satisfactory.
- We have found that UG and PG students are well versed in them subject knowledge and communicative skills.

10. Outcome of the Faculty Meeting

- The expert committee has impressed about the leadership of the Head of the Department as well as the other faculty members.
- There is team spirit in the department.
- The faculty members are highly committed in their duty.
- The faculty members participate in seminars, symposiums, conferences and Workshops.
- They have published research and literary books.
- The faculty members are having specialization in various subjects like: Archaeology, Drama, Literary history, Editing, Grammar, Folk lore, Music and Religion.
- All the faculty members are qualified according to the UGC norms.
- The faculty members have collaboration with the Central and State Government
- Organization in their research activities.

05.03.2021
Dr. M. TAMILMARAN,
M.A., M.Ed., M.Phil., Ph.D.
Professor
Department of Tamil
Periyar University
Salern - 636 011, Tamilnadu, India.

05/03/21
Dr. R. SENGODI, M.A., M.Phil., Ph.D.
Assistant Professor
Department of Tamil,
Sir Theagaraya College
Chennai - 600 021.

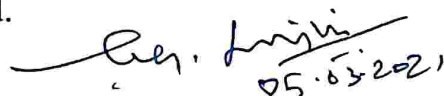

- Training camps and workshops are being conducted to train students Coaching classes are being conducted for NET, SLET and other competitive examinations.
- The faculty members are invited for special lectures as resource persons by various institutions.

11. Overall Assessment

- There is a sufficient number of staff in the department. The curriculum designed is good.
- There is good strength in B.A. M.Phil., and Ph.D.
- The department is provided with space, furniture's and equipment's.
- Central library is having appropriate books for research, reference and Learning and Teaching.
- The Curriculum has been designed on the basis of the mission and vision of the college
- CIA is followed up properly.
- The faculty members are easily approachable and friendly. They are dedicated and committed.

12. Suggestions

- Diaspora literature especially srilankan Tamil literature should be included in the syllabus.
- Every month minimum one seminar should be conducted for the Ph.D. scholars.
- Ecology related Journals may be bought for the library.
- Ph.D. Scholars may be motivated to do their research on modern literary theories.
- To improve the creativity among the students special workshop may be conducted.

05.03.2021

Dr. M. TAMILMARAN,
M.A., M.Ed., M.Phil., Ph.D.
Professor
Department of Tamil
Periyar University
Salem - 636 011, Tamilnadu, India.

Dr. R. SENGODAN
M.A., M.Phil., Ph.D.
Assistant Professor
Department of Tamil,

2020-23	01	11	22	41	01	76
Total	09	108	204	247	12	580

- It is observed that strength of department is good.
- Admission is made as per the norms of the Tamilnadu Government.
- Opportunity is given to female students to take part in B.Com (CA) Course is appreciable.

5. Curriculum Design

- CBCS structure of department of B.Com (CA) is excellent
- Specializations (like Computerized Accounting, Entrepreneurial Development and skill based subjects) in the curriculum of the department is excellent
- CBCS structure is implemented well with the due weightage for practical oriented subjects.
- Students' feedback about curriculum is excellent. Department of B.Com (CA) is obtaining the feedback about the curriculum from all the stakeholders in every year which is appreciate-able.
- Internship may be introduced. Curriculum may be updated in forth coming revision based on the market demand.

6. Teaching, Learning and Evaluation

- Teaching, Learning and Evaluation process of B.Com (CA) department is excellent.
- Modern teaching tools like Moodle, LCD, Google Meet, and Microsoft Teams are used by the faculty members. It shows the adoption level of technology in teaching.
- The standard of question paper is good.
- The proportion of internal and external examinations is suggested to be 50% : 50%
- Semester examination pattern is good.
- Question paper pattern is good.
- Question Paper Patten:

CIA	Section A Answer all the Questions	(5 x 3 = 15 Marks)
	Section B Answer all the Questions under Either Or Pattern	(3 x 5 = 15 Marks)
	Section C Answer any Two Questions out of 3	(2 x 10 = 20 Marks)
	Total CIA Marks 50 Marks	Exam duration: 2 hours
Semester	Section A Answer all the Questions	(10 x 2 = 20 Marks)
	Section B Answer all the Questions under Either Or Pattern	(5 x 4 = 20 Marks)
	Section C Answer any Three Questions out of 5	(3 x 10 = 30 Marks)
	Total CIA Marks 70 Marks	Exam duration: 3 hours

5. Curriculum Design

- CBCS structure of department of B.Com (CA) is excellent
- Specializations (like Computerized Accounting, Entrepreneurial Development and skill based subjects) in the curriculum of the department is excellent
- CBCS structure is implemented well with the due weightage for practical oriented subjects.
- Students' feedback about curriculum is excellent. Department of B.Com (CA) is obtaining the feedback about the curriculum from all the stakeholders in every year which is appreciate-able.
- Internship may be introduced. Curriculum may be updated in forth coming revision based on the market demand.

6. Teaching, Learning and Evaluation

- Teaching, Learning and Evaluation process of B.Com (CA) department is excellent.
- Modern teaching tools like Moodle, LCD, Google Meet, and Microsoft Teams are used by the faculty members. It shows the adoption level of technology in teaching.
- The standard of question paper is good.
- The proportion of internal and external examinations is suggested to be 50% : 50%

	Total CIA Marks 50 Marks	Exam duration: 2 hours
Semester	Section A Answer all the Questions	(10 x 2 = 20 Marks)
	Section B Answer all the Questions under Either Or Pattern	(5 x 4 = 20 Marks)
	Section C Answer any Three Questions out of 5	(3 x 10 = 30 Marks)
	Total CIA Marks 70 Marks	Exam duration: 3 hours

- Standard of semester question paper is excellent.
- Evaluation process is well defined and communicated to all the students
- The college has an open and participative mechanism for evaluation of teaching
- Theory evaluation – Excellent
- Practical Evaluation – Excellent

Comments: Gender wise results of students to be identified in order to focus based on the gender. Results of students based on the remedial class should be measured to evaluate the effectiveness of remedial programme.

7. Research Output:

Faculty Members	No. of Publications
Dr. P. Saravanan	14
Dr. B. Seenivasan	15
Dr. D. Valarmathi	05
Mr. B. Bertoy Roy	05
Mrs. C. Dharma Devi	13
Total	52

- Research output of faculty members is good.
- Focus on impact factor and citation should be given by faculty members.
- Students should be encouraged for publication.

8. Infrastructural Facilities

- Class Room – 3
- Staff Room – 1
- LCD Projector in the Class – 3
- Computer Lab - 1
- Internet Connection
- Browsing Center
- Library – Adequate books and Journals
- Department Laptop – Nil
- RO water system in the department – Nil

9. Outcome of the Students Meeting

- Communicative English may be continued in the Second Year
- Internship should be introduced in B.Com (CA) Curriculum.
- Awareness about the professional courses to be offered
- Mentoring may be offered based on the future plan of students.

- Options may be given to the students to choose elective papers i.e., especially for Third years students
- Additional computer lab hours may be provided.

Outcome of the Students Meeting

	Observations
Association Activities	Excellent
Outreach	Excellent
SHELTERS	Good
Class Quality Circle	Excellent
Research Forum	Good
Counselling	Good
Remedial Coaching Program	Good
Sanitation	Good
Drinking Water Facilities	Adequate
Assignments	Good
Intellectual Talents	To be Improved
Non Major Elective	Adequate Suitable
SHAPE	Actively Working
Library	Progressing well
Seminar Halls	Available with Audio and Video Projection Facilities
Extra Curricular Aspects	Students are participating and gaining much.
Good Afternoon Talk	Useful
Working Hours	Good. If possible pre-pone the closing time by 30 minutes.
Class Room Environment	Good
Technical Support	Good
Students Participation in other Colleges	To be improved and more chances may be given.
Inter / Intra Departmental Sports	Good
Writing Skills	Improving
Work Scholarship	Helpful to the Students
Study Materials	Adequate (Latest edition need to be Purchased)
Student Progression	Progressing well
Placement Services	Taking place & Students are gaining

10. Outcome of the Faculty Meeting

- Faculty members are highly motivated.
- They may be allowed to participate in Refresher Course with pay.
- Publication in UGC Care and Scopus Journals may be honored and sponsored by the college.
- Separate cabin may be provided to the faculty members to provide effective mentoring.

11. Overall Assessment

- ❖ Curriculum of B.Com (CA) is excellent
- ❖ Teaching, Learning and Evaluation of Department of B.Com (CA) is excellent
- ❖ Research Contribution of the department is good. Papers may be published in Scopus journals.
- ❖ Infrastructural facilities of the department are good. Separate study room for students and separate bus for boys' student should be provided. Separate staff room in larger size may be provided.
- ❖ Students are motivated adequately and satisfied with the department of B.Com (CA).
- ❖ Faculty members are highly motivated and working hard. Payments have to be linked with their quality of work and contribution.

12. Suggestions

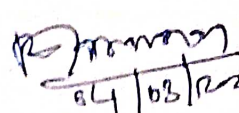

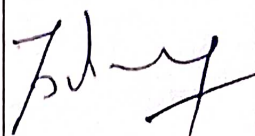

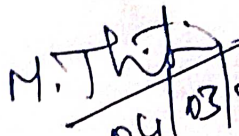

- ❖ Latest concepts in the field of accounting to be incorporated in the curriculum of the department.
- ❖ International Financial Reporting Standards (IFRS) and Tally Prime have to be included in the curriculum.
- ❖ As per UGC norms workload for HOD may be fixed as 12 Hours and for other faculty 16 hours per 6 days week order.
- ❖ Industrial visit should be offered in each and every semester.
- ❖ Linkage with industries should be created.
- ❖ Staff room with separate cabin and drinking water should be provided.
- ❖ Payment should be offered for remedial class.
- ❖ In SHAPE, freedom may be offered to students to select their Mentor.
- ❖ Incubation centre may be formed to encourage new business ideas and modules.
- ❖ Alumni to be strengthened with chapters wise meeting.

13. Conclusion

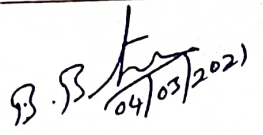

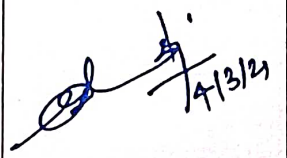

Faculty members and students are satisfied and inspired with the college, department and curriculum of B.Com (CA). The association programmes are really focused on the progression of students. Communication skills could be improved through Communicative English classes in Second year of the UG Degree. Awareness on professional courses has to be offered in the first year itself. Internship programme may be provided to the final year students.

1. INTRODUCTION

ACADEMIC AUDIT PANEL MEMBERS

S.No.	NAME	ADDRESS
1.	<u>Subject Expert - I</u> Dr. P. Ganesh	Assistant Professor, Department of Microbiology, Faculty of Science, Annamalai University, Annamalai Nagar - 608 002, Tamil Nadu, India drpg1974@gmail.com 9994530678
2.	<u>Subject Expert - II</u> Dr. D. John Milton	Assistant Professor, Department of Microbiology, St. Joseph's College of Arts and Science (Autonomous), Manjakuppam, Cuddalore - 607 001 Tamil Nadu, India devajohnmic@gmail.com 7708581247
3.	<u>Industrialist</u> Dr. N. Sriram	Technical Coordinator, Bioline Laboratory, R.S Puram, Coimbatore - 641 002 Tamil Nadu, India sribsc21@gmail.com 9786901812

ACADEMIC AUDIT SCHEDULE

DATE AND TIME	VENUE	ACTIVITY	DETAILS
31.03.2021 09.30 am – 11.30 pm	Google Meet	Faculty meeting with External Audit Panel members	Agenda: 1) Introducing the Audit Panel External Members 2) Presentation of the Department Activities for the last two academic years. 3) Presentation of the Self-Evaluation Document (SED) of the Department along with the supporting evidences 4) Discussions 5) Finalization of the Schedule of the visitation of the external panel members
11.30 am – 12.00 pm	Google Meet	Meeting with Students (I B.Sc Microbiology)	
12.00 pm – 12.30 pm	Google Meet	Meeting with Students (II B.Sc Microbiology)	
12.30 pm – 1.00 pm	Google Meet	Meeting with Students (III B.Sc Microbiology)	
1.00 pm – 2.00 pm	-	Lunch Break	
2.00 pm – 3.00 pm	Google Meet	Presentation of Department facilities <ul style="list-style-type: none"> • Laboratories • Classrooms • Faculty Rooms • Research Lab • Library 	
3.00 pm – 3.30 pm	Google Meet	Meeting with the Student representatives	
3.30 pm - 4.30 pm	-	Preparation and Finalization of the Report by the members of the Audit Panel	
4.30 pm – 5.00 pm	Google Meet	Presentation of the report by the panel members to the faculty members and student representatives	

2. MILESTONES OF THE DEPARTMENT

- 2017-2018: Inception of B.Sc., Microbiology
- 2017-2018: Award of Student Project Grant from TNSCST
- 2018-2019: Best Research Department Award (along with Department of Biochemistry)
- 2018-2019: Best Research Forum Department Award
- 2019-2020: First International Conference on “Advanced Trends and Innovations in Life Sciences”
- 2019-2020: Award of Minor Research Project from DBRG
- 2019-2020: Second Prize in National Level Science Competition “SHYIA 2020”
- 2020 - 2021: International Online Course on “MEDICAL BACTERIOLOGY” in collaboration with Microbiologists Society, India and Western Zone State University Foundation (UEZO), Rio de Janeiro, Brazil
- 2020 - 2021: International Online Course on “BASIC TECHNIQUES IN MICROBIOLOGY” in collaboration with Microbiologists Society, India and Western Zone State University Foundation (UEZO), Rio de Janeiro, Brazil
- 2020 - 2021: Second Prize in National Level Science Competition “SHYIA 2021” (Process) 2020 - 2021: Third Prize in National Level Science Competition “SHYIA 2021” (Product)

3. FACULTY PROFILE

S. No	Name	Designation	Qualification	Date of Joining	Year of Experience
1	Dr. P. Saranraj	Head	M.Sc., M.Phil., Ph.D., NET	18.06.2015	6
2	Dr. K. Amala	Asst. Prof.	M.Sc., M.Phil., Ph.D.	20.11.2018	2.6
3	Dr. R. Bright	Asst. Prof.	M.Sc., M.Phil., Ph.D.	17.06.2019	2
4	Dr. Neethu Asokan	Asst. Prof.	M.Sc., M.Phil., Ph.D., NET	17.06.2019	2

- Faculty members shoulder responsibilities like UG and PG association presidents, Research forum in-charge, Deeds in-charge, Remedial in-charge, Prayer in-charge, Class teachers, Sports and Cultural in-charges apart from their regular academic workload.
- They also handle responsibilities like NAAC Criteria members, SHYIA 2020 Organizing committee members, Discipline in-charge and Cultural in-charge in the college level.

4. STUDENT'S PROFILE

Particular	I B.Sc Microbiology	II B.Sc Microbiology	III B.Sc Microbiology
No. of students from the same state where the college is located	54	52	47
No. of students from other states	-	-	-
No. of students from other countries	-	1	-
Grand Total	54	53	47

5. CURRICULUM DESIGN

- Mini projects can be implemented in the UG course.
- Plant disease related topics can be included in the curriculum.
- Practical in Bioinoculant and Mushroom Technology can be implemented.
- Internship with laboratories may be included.
- Application based topics can be included in upcoming PG curriculum.
- Competitive exam based topics can be included in the PG curriculum.

6. TEACHING, LEARNING AND EVALUATION

- The present evaluation is good with reference to CA and Semester examinations.
- Students have no regrets with the current examination pattern.
- Online Certificate Courses (NPTEL/MOOCs) with Recent titles are recommended to the students for the upgradation of their knowledge.

7. RESEARCH OUTPUTS

- Faculty members have published Research/Review papers in reputed International Journals, Text books and Book chapters in Edited books
- Research findings are presented in conferences and seminars by the faculty members and students.
- Faculty members motivating their students to formulate Microbiology based products to enhance their Entrepreneurship skills.
- Faculty members have got grants for their Research projects from college under Don Bosco Research Grant.

8. INFRASTRUCTURAL FACILITIES

- Laboratory instruments can be serviced regularly.
- PCR can be included along with Microbial and Molecular Techniques.
- Class rooms with LCD Projectors are available for the students.
- Sufficient Books and Journals are available in the College Library.

9. OUTCOME OF THE STUDENTS MEETING

- Adequate books are available in the College Library as Paperback, Hardbound and E-Books.
- Students find difficult in coping up English in their first year.
- Mini projects and internships can be implemented in the forthcoming curriculum.
- Plant disease related topics can be included in the curriculum.
- Practical in Bioinoculant and Mushroom Technology can be implemented.
- Application based topics can be included in upcoming PG curriculum.
- Competitive exam based topics can be included in the PG curriculum.
- Wi-Fi facilities are available for the students.
- Students maintain cordial relationship with the faculty members.
- Students felt that the department is functioning smooth.

10. OUTCOME OF THE FACULTY MEETING

- Cordial relationship exists between the Faculty members.
- Faculty members expect more funding for research from Government Funding Agencies/Industries.
- Research infrastructure can be improved with Advanced Laboratory Equipment.
- Ambient environment exist in the department and students are cooperative.

11. OVERALL ASSESSMENT

- Overall infrastructure found in the department is Excellent.
- Considering the interaction and feedbacks from the Students and Faculty members it may be opined that the department is functioning smooth.

12. SUGGESTIONS

- Curriculum can be modified according to the Student needs.
- Mini projects and Internship programmes can be implemented in the syllabi.
- Linkage with more Companies and Laboratories is required.
- Latest equipment pertaining to the Microbiology Practical and Research can be bought.
- Multiple copies of important Microbiology books can be ordered for the benefit of the students.

13. CONCLUSION

- Cordial relationship exists between the faculty members and students.
- Adequate infrastructure facilities are available for the students and faculty members.
- The employment opportunities are found adequate for the outgoing students.
- Students and Faculty members are actively involved in Research and Publication.
- Apart from the curriculum, students are actively participating and gaining knowledge through various Online courses.
- Overall the functioning of the department is Excellent.

14. SIGNATURES OF THE ACADEMIC AUDIT PANEL MEMBERS

SACRED HEART COLLEGE (Autonomous)
TIRUPATTUR, TIRUPATTUR DIST. 635601
71st COLLEGE DAY REPORT 2022

A pleasant good evening to one and all.

“Our Good Deeds have an Evangelistic Effect” (Matthew 5: 14-16), as says the Holy Bible, here I am to let the light shine on the good deeds of Sacred Heart College for the year 2021- 2022.

Respected Chief Guest of the day, distinguished dignitaries, dear fathers, professors, non-teaching staff, media persons, my dear students and friends.

I consider it an honour to address you on this wonderful occasion of Sacred Heart College's 71st College Day festivities. As I have been entrusted with the task of managing the College as the Principal, I have the highest satisfaction and pleasure in bringing to you the annual report of this profound institution, which has evolved in leaps and bounds from its glorious start in 1951.

"Arise and shine, and let your light show upon mankind," God says, and we have seen God's promises coming true in the personal and corporate lives of this College. "Let us continue as we have done thus far and put everything in God's hands," as our founder and father, St. John Bosco, stated. As a result, we continue to put our faith in our Lord and enthusiastically pursue greatness.

Recounting all God has done for this institution over the previous 71 years, especially during this epidemic period, seems incredible. Sacred Heart of Jesus, via our college, has prepared us for all great things, and I am confident that we have made use of all of the chances presented to us in our quest to improve in all the aspects of our lives.

On this special day, I'd like to express my gratitude to **Rev.Fr.K.M. Jose, SDB**, our college Chairman and the Provincial of our Chennai Province. He has been a cornerstone in the institution's growth and development. On behalf of the college, I want to express our heartfelt gratitude and appreciation for everything that he has done for us.

I would like to express my heartfelt appreciation to our beloved Rector Rev. **Dr. John Alexander, SDB**, for his profound leadership, flexible guidance, and tremendous assistance that have enabled Sacred Heart College to achieve new heights. He is a pillar in administration and academics, and he is always prepared to assist and advise us when we need it the most. I should also remark that he takes a deep interest in the progress of the college in all aspects and is second to none. I genuinely appreciate him for everything he does for us.

I would also want to express my thanks to **Rev. Dr. K. A. Maria Arokiaraj, SDB** for his great support and administrative assistance in ensuring the smooth functioning of Shift-II of our college.

I am especially grateful to the Vice Principals, Rev. Dr. Praveen Peter, SDB (Shift-I) and **Rev. Dr. G. Theophil Anand, SDB** (Shift-II), who have done an outstanding job in overseeing all of the College's programmes. In particular, I would want to express my appreciation to **Rev. Dr. Praveen Peter, SDB**, who also serves as Controller of Examinations. He has administered all of the exams flawlessly and has always published the results on schedule. I would also want to thank **Dr. S.R. Xavier Raja Rathinam**, Vice-Principal (Academics) Shift-I, and **Prof. A. Josephine Sagaya Mala**, Vice-Principal (Academics) Shift-II, for their unwavering support.

Any educational institution's growth is dependent on its devoted employees who share the burden. "Unity is Strength," as the adage goes, when there is teamwork and collaboration, beautiful things may be accomplished. The same can be said about our devoted faculty members, non-teaching personnel and support staff who render their services for the growth of the institution. I would like to congratulate all department heads, deans, office bearers and employees for their outstanding contributions during this academic year.

I am here to deliver our college's annual report for the academic year 2021-22.

NOTABLE INITIATIVES

HELPING THE NEEDY

Take the higher route in any crisis, uncertainty or confusion - the path of compassion, bravery, understanding and love. Despite the fact that the COVID-19 epidemic has caused mankind concern, worry, loss and misery, it has provided Sacred Heart College with yet another chance to help the needy and underprivileged.

During this period, many people were in desperate need of food and medicine. To assist the marginalised, disadvantaged and destitute, as well as to combat the spread of Covid-19 in Tirupattur District, 500 corona virus-infected families were distributed with Covid-19 preventative home care kits and nutritional supplements. A total of **Rs. 25 lakhs** was raised as donations. This was spent for each household receiving a packet containing a medical home care kit valued at Rs. 3000 and a box of dry rations valued at Rs. 2000.

VACCINATION CAMP

Protection and security are only useful if they do not obstruct life too much. Our government has set up a lot of inoculation sites to fight the spread of COVID 19. It's worth emphasising that our college has acted as a platform for yet another humanitarian cause by reaching out to the general public. Our college has organised a total of **23** special vaccination camps in collaboration with the district administration wherein about **2500** individuals received their vaccination.

DAUGHTERS OF HOPE

Hope is the only thing that can get us through the darkest times. Nobody's life will always be pleasant and no one will be able to solve all of the world's issues at the same time. During the pandemic, the daughters of Hope was an effort created by the fraternity at Sacred Heart College to reach out to the children of deceased staff members. The Daughters of Hope project raised a total of **Rs.10 lakhs**, from staff and management for the future education and benefit of deceased staff members' children.

INTRODUCTION OF REVISED CURRICULUM

One recalls the great academics with admiration, but also with gratitude for those who touched our human feelings. Due to the crucial nature of curriculum progression to the institution's performance, an updated and redesigned curriculum was implemented beginning this academic year, incorporating the following major features:

- Equal weightage for internal and external components.
- Greater flexibility in evaluation modules to improve students' learning abilities.
- Greater emphasis on fostering students' employability and entrepreneurship.
- Mandatory projects/ internships for UG students.
- Components to assure outcome-based education.

LAUNCH OF REDESIGNED COLLEGE WEBSITE

"Design is the visualisation of thought." To achieve online success, the College administration has worked hard to update and remodel the College website to make it more user accessible and informative.

EDUCATIONWORLD RANKING

The most potent weapon you can use to alter the world is education. Education is not about memorising knowledge, but rather about teaching the mind to think. Sacred Heart College is ranked **19th** among autonomous institutions and **sixth** in Tamil Nadu in the Education World Rankings, making it an example institution with excellent standards.

COLLABORATION WITH DISTRICT ADMINISTRATION

This institution has become stronger throughout the years as a result of its desire to work with the local administration, particularly with our District administration, to organise the following events.

- Election officers were given training for state assembly elections, panchayat elections and municipal elections

- A series of **23** public vaccination camps were held in the College premises to combat the epidemic.
- From April 2nd to April 9th, 2022, a week-long book festival with over a lakh volume of books was organised with over **25,000** visitors.
- A unique training programme for panchayat leaders to teach them how to use computers was organized on 29th March, 31st March, 4th and 5th April, 2022 benefitting **260** Panchayat leaders.
- Job Mela with District Placement Office was organized on 27th November 2021, in which a total of **77** Recruiters offered placements to **1060** prospective graduates.

CENTRE FOR COMPETITIVE EXAMINATIONS

With the goal of increasing student employability, the College is working hard to train and equip students with the necessary skills. To promote maximum enrolment and performance in competitive exams, a specialised competitive examination centre has been established in the campus. I appreciate Dr. Ajay's support in this initiative. This year, series of programmes were conducted to benefit the students and so far, **55** students were trained out of which dozens of students have started benefitting. I am sure this strenuous effort will bear much fruit in the days to come.

ADMINISTRATIVE REFORMS

INTRODUCTION OF NEW PROGRAMMES

Our college has always strived for quality and in recognition of the fact that learning never exhausts the intellect and the following new programmes were introduced in this academic year.

1. Master of Science in Applied Microbiology
2. Bachelor of Science in Psychology

NEW HODS

Leadership is not only a position, but also the capacity to create and implement a vision. I congratulate Dr. Joe Sanjay and Dr. Saranraj for taking additional responsibilities as heads of the Departments of B.Sc Psychology and M. Sc Applied Microbiology.

NEW TEACHING AND NON- TEACHING STAFF

Quality is never an accident; it is the outcome of careful planning. I am delighted to announce and welcome the following members of staff to the family of Sacred Hearts, and I wish them a prosperous career in our institution.

S. No	Name	Department
1	Mr. J. Sunil	Life Education
2	Mr. Y. Anand Jeya Prakash	Life Education
3	Dr. F. Silviya	Mathematics
4	Rev. Fr. T. Sathinathan	Mathematics
5	Mr. U. Kamesh	Communicative English
6	Mrs. S. Jayanthi	BBA
7	Dr. K. Prabu	Biochemistry
8	Mrs. S. Swathi	BCA
9	Mr. K. Saravanakumaran	Commerce
10	Mrs. M. Kavi Bharathi	English
11	Mr. D. Senthilkumar	History
12	Dr. R. Govindaraj	History
13	Mrs. S. Shoby Beula Ruth	Communicative English
14	Ms.G. Gunavathi	Communicative English
15	Miss L. Divya	Communicative English
16	Dr. M. Manigandan	Microbiology
17	Ms. M. Kokila	Microbiology
18	Mr. D. Magesh	Microbiology
19	Dr. P. Kannappan	Physics
20	Mr. R. Veeramani	Tamil
21	Dr. P. Suresh	Tamil
22	Dr. J. Jayachithra	Tamil

NON- TEACHING STAFF

S. No	Name	Department
1	Mr. Ajay	COE, Office Assistant
2	Mr. Savio George G.C.	Jr. Assistant
3	Mrs. R. Ranjitha	Microbiology Lab Assistant
4	Mr. V. Infant Sasi	Office Assistant

EXAMINATION REFORMS

Amidst the threats and challenges of the pandemic, the examination wing under the leadership of Rev. Dr. Praveen Peter had carried out the following tasks and published the results on time:

- Conduct of online exams for regular and arrear students.
- Online invigilation of examinations by faculty members.
- Online valuation of answer scripts and publication of results.

I congratulate all those who worked tirelessly to ensure fair and successful conduct of semester examinations.

STRENGTHENING OF DATA CENTRE

The services and support provided by the Data Centre is of immense use and importance. This year the following updates were made:

- Online registration for Mid-day meals scheme.
- Registration of profiles of external examiners for question paper setting
- Development of inventory modules for laboratories.
- Elibs facility for the library upgraded.

IN HOUSE RESEARCH GRANTS

DON BOSCO RESEARCH GRANT FOR FACULTY

As part of its ongoing efforts to promote research among faculty members, Sacred Heart College is pleased to announce that **Rs. 8. 5 lakhs** has been sanctioned under the Don Bosco Research grant scheme, and **21 faculty** members have received this grant to pursue their projects during the current academic year.

FR. CARRENO RESEARCH GRANT

Fr. Carreno Research Grant for full-time Ph.D students was carried out successfully this year to assist bright Ph.D students to excel in their research. This year, **11 Ph.D** scholars received Ph.D grants totalling to **Rs.3,75,000/-** under this initiative.

INCENTIVES FOR PAPER PUBLICATIONS

Papers published in Scopus indexed journals by both staff and students were supported with monetary incentives this year to encourage them to write high-quality research papers. During the Research Day ceremonies, they were also honoured with cash awards. Incentives of **Rs. 3.72 lakhs** were given to our academics for **212 publications** in prestigious journals.

PUBLICATION OF ARTICLES AND BOOKS

Research not only generates new information, but it also ignites people's interest. I am pleased to inform you that our academic members have published **279 articles** in journals and published **76 books**.

PROJECTS

There is a saying that says "There is no research without action, and there is no action without research." Our college academic members have worked hard to put their studies into practice and have received support from a variety of sources. I congratulate the following faculty members on receiving approval for the initiatives taken by them:

Name of the Faculty	Funding agency	Amount in Rs.
Dr. G. Prakash Raj (Commerce)	ICSSR	3,40,000/-
Dr. Dr. P. Saravanan (Commerce CA)	ICSSR	2,50,000/-

CONFERENCES AND SEMINARS

An institution's quality and calibre are determined by how well it disseminates knowledge. True to this, our college has successfully hosted 385 seminars and conferences, which were arranged by several departments throughout the year. I applaud the organisers on their tireless work in making these events a huge success.

TRAINING AND WORKSHOPS

1. On the 5th and 6th of July 2021, an FDP was held for faculty with less than two years of teaching experience.

2. The **Faculty Development Programme (FDP)** for faculty with less than thirteen years of teaching experience was held on July 7th and 8th, 2021.

Dr. N. Devaki, Assistant Professor, Department of Educational Psychology & English Language Teaching, Gandhigram Rural Institute, Dindugal, Tamil Nadu, Mr. John Benedict, Assistant Professor, Don Bosco College, Yellagiri Hills, and Dr. A. John Lawrence, Assistant Professor, Department of English, St. Xavier's College of Education, Palayamkottai, Tamil Nadu, were the resource persons.

3. Faculty Members were animated by Rev. Fr. Rector on 1st of March 2022 with the Strenna of the Rector Major for the New Year 2022, "Do everything with Love, nothing through constraint".

RETREAT FOR TEACHERS

Our spiritual journey does not take us away from the world; rather, it draws us deeper into it. Prayer is the solution for a confused mind, a weary soul, and a shattered heart, and spirituality is the skill of keeping the fire alive inside ourselves. On November 27th, 2021, Sacred Heart College had conducted a faculty retreat for Catholic and non-Catholic staff separately. A separate retreat was also organised for non-teaching staff.

RETREAT FOR STUDENTS

A spiritual retreat is a soul-healing medication. We begin to fill our empty reservoir via stillness, solitary practice and basic life. A spiritual retreat removes the veils, dissolves the masks and makes room within for the repressed sentiments of forgiveness, compassion and loving kindness. Sacred Heart College hosted a retreat on November 20, 2021, to replenish students' spiritual energies.

STUDENT SERVICES

COUNSELLING

We value emotional health just as much as we value physical health. Because therapists are in the business of liberation, they assist clients in letting go of painful self-stories, alienating present-day stories, and restricting future stories. People were not just physically harmed by the epidemic, but also psychologically, emotionally and financially. As a result, Sacred Heart College created an online psychological counselling programme for COVID victims, relatives and survivors benefitting 125 individuals. Regular counselling was provided to **575 students** after the lockdown was lifted.

PLACEMENTS

Future belongs to those who believe in the beauty of dreams. Yes, placing our students in fulfilment of their dreams and their parents, rings loud in the proceedings of the College. Thanks to the untiring efforts of the placement team, **so far 40 companies** had conducted recruitment drives to offer over **208 placements**.

The cell has also organized these employability events to prepare our students for recruitment

- Workshop on Medical Coding and Its Benefits for Life Science Students
- Workshop on Career Opportunities in Mathematical Sciences.

ONLINE TRAINING CENTER FACILITY WITH REDINGTON

A project collaboration between Sacred Heart College and Redington CSR Foundation, provides the concept training Center facility for the College students. This foundation has come forward to offer free training to the final year students with the high-end software and value-added courses. About 100 students are being inducted under this programme and are being rigourously trained to obtain employability.

SACRED HEART FEAST

A happy feast begins with a tiny cheer and a warm welcome. The feast is made not by the amount of meat served, but by the attendees' joy. Every year, our Sacred Heart College holds a Feast to commemorate Jesus' Sacred Heart's teachings, values, and ideals. Despite the fact that the pandemic had a significant influence on our lives, the teachings and pedagogies of the Sacred Heart of Jesus did not end there. The Sacred Heart Feast took place on 7th September 2021, in the presence of Rev. Fr. Agilan SDB, Provincial of Trichy, and Rev. Fr. Pappuraj SDB, Administrator of Don Bosco Boys Home, Gandhi Nagar, Katpadi, as well as all the Salesians, staff and students.

On September 8th, 2021, the birthday of Blessed Mother Mary, also known as the 'Vailankanni Mother Feast,' was celebrated at Sacred Heart Shrine, with **Rev. Fr. K. A. Maria Arockiaraj SDB** officiating the mass.

ADORATION

Adoration is concerned with God first and foremost. Gathering with God's people in undivided worship of the Father is the most crucial component of Christian life, just as prayer is. During the pandemic the students and other stake holders were depressed and were in need of spiritual energy. To meet this need, online adorations were organized to renew spiritual interest, enhance people's confidence in God and promote their spiritual well-being.

INFRASTRUCTURAL DEVELOPMENTS

CARLOS MEDIA CENTRE

Digital media has been a critical driver of technical progress and human development. Technology works best when it brings people together, but it has become painfully clear that it has outgrown our humanity. The Carlos Media Center was one such project, featuring cutting-edge technology and cutting-edge infrastructure allowing staff and students to engage in ICT-enabled teaching and learning. I am grateful to the former students who kindly donated to the development of **Carlo's Media Centre**. This new feature will undoubtedly improve the quality of teaching and learning. May God reward them for their charity.

UPGRADATION OF PHYSICS AND COMPUTER SCIENCE LABORATORIES

Albert Einstein once said, "The ability to change is the measure of genius." The modernization of the Physics and Computer Science labs worth **Rs. 45 lakhs** was done to allow students to access modern instruments.

RENOVATION OF BUILDINGS

Renovations of buildings have been undertaken to suit the newly launched programmes, including the following significant ones:

- An additional floor in the Abdul Kalam Research Centre (AKRC) – Under Construction
- Renovation of Murphy Hostel
- An additional floor in the MSW building block- Under Construction
- Inauguration of M.Sc. Applied Microbiology Lab/Common Women's Room
- Meteorological Observatory in the M.S.W. premises has been renovated.
- Dr. Ambedkar Gallery in the MSW block was inaugurated.

INSTALLATION OF CCTV CAMERAS

At a cost of **Rs.2,50,000/-**, CCTV cameras for surveillance were installed in the AKRC and DBIS buildings. The installation has aided the

institution in keeping track of student safety, security and well-being. Totally **250 cameras** are now positioned for the security of staff and students.

SCHOLARSHIPS

SCHOLARSHIP FOR SC/ST

Our institution has made a deliberate effort to get scholarships for impoverished students from government and non-governmental organizations, so that their socioeconomic status does not become a barrier to their study. I am delighted to share with you the information of the numerous scholarships awarded to our students.

- Government Scholarships benefitted 3120 students with an amount of **Rs. 2,59,70,391**
- IVDP (Integrated Village Development Project) Scholarship provides assistance to orphan and semi-orphan students with a **total no. of 171 students** benefiting from the same **and Rs. 13,12,500** was disbursed under this scholarship.
- On campus we create opportunities for students to engage in meaningful promotion of services that create financial value, educate and train pupils to stand on their own legs and to support their own education under the work scholarship scheme. This year, in total we received **151 applications**, out of **which 77 students** have completed their work scholarship hours and paid their fees through these earnings.

FR. P.M. THOMAS SCHOLARSHIP

Many orphans' dreams are dashed due to a lack of financial resources to complete their education, and many have been expelled from schools and institutions. To combat this and assist orphans, Fr. P.M. Thomas award provides orphan kids with a full scholarship to pursue their dreams and become successful individuals in the future. Under this noble venture, **Rs. 82,900/-** was distributed to ensure the continuity of the education of these deserving children.

MOTHER THRESA SCHOLARSHIP

I am excited to share with you that a unique scholarship has been established to meet the educational requirements of SC and ST students by paying all of their educational costs. This year, a total of **Rs. 2,09,470/-** was disbursed to the deserving students.

SPORTS SCHOLARSHIPS

The College lays emphasis on the holistic growth and development of its students and sports forms an integral part of the development of the youth. Realising this every year substantial quantum of money is offered as sports scholarship and this year **Rs. 8,04,537/-** was disbursed to sports cadets as sports scholarship.

DEATH ANNIVERSARY

Death is never the conclusion of a journey, but rather the beginning of a new one. The phrases "you are loved," "you are missed," and "you will be remembered" don't merely express sorrow; they also honour a person's legacy. The 50th death anniversary of Rev.Fr. Joseph Murphy was observed on November 14th, 2021, to honour his service and legacy. True to the inscription placed on his head stone, "THOUGH HE IS NO LONGER ALIVE, HE STILL SPEAKS" (HEB: 11.4), Fr. Joseph Murphy's principles of hard work, compassion, God's supremacy, his love for the poor continue to live in the hearts of Salesians and young people in this campus.

45th GRADUATION DAY

Graduation is only the beginning; it is not the conclusion. The hats spun aloft, pushed by huge, daring aspirations and dazzling fresh hopes. Graduation is the culmination of the students' efforts as they prepare to embark on the most exciting and adventurous phase of their life.

On October 21st and 23rd, 2021 during the 45th Graduation Day, **2600** students graduated from Sacred Heart College.

CHRISTMAS CELEBRATION

Christmas is about giving without expecting anything in return. We share happiness because we see individuals who are happy. As a Christian Institute, Sacred Heart College students and faculty celebrated Christmas on December 21st, 2021.

SHARING DAY

Be willing to share your good fortune. The only wealth that lasts is that which is given away. Giving entails more than just making a monetary contribution. It all comes down to making a difference. Sacred Heart College students were able to spread the joy of giving to the communities surrounding Tirupattur on December 18th, 2021. **19** various departments of the College met people in more than **35 villages** and shared their gifts with the needy and less privileged.

FOOD PACKETS FOR PEOPLE

A flood is a natural calamity that causes us to experience existential crisis to varying degrees depending on how much it upsets our sense of routine. Every difficulty we face in life is a flood that first pushes us out of our comfort zone and then challenges us to overcome them. Homes of many people in Tirupattur have been damaged by the torrential rains in November 2021. Sacred Heart College students instantly reached out **550** flood affected families and donated food and other relief goods.

OUTREACH ACTIVITIES OF STUDENTS

The outreach Department of our College is reaching out to the neighbourhood with the motto “Lab to Land”. This year more than 1300 students of about **28** departments visited **28** villages to share their subject expertise and make it viable for the public. I congratulate Rev. Fr. Daniel Ambrose and his team for coordinating the whole event.

IQAC ACTIVITIES

The IQAC plays an important role in quality assurance by decentralizing duties and responsibilities, establishing and executing quality check procedures, and adopting participatory management in administration. It also conducts frequent evaluations of the teaching-learning process.

The following are the IQAC's significant activities and contributions during the academic year 2021-2022:

- The mid-term evaluation of the departments was conducted in December 2021.
- The IQAC Year Plan for the academic year 2021-2022 was planned and various responsibilities were assigned to the members.
- The teaching plan of the entire faculty is now made available in the college portal for the students to view.
- IQAC has meticulously assessed the Faculty Evaluation by students at the end of odd and even semesters. The analysis of the feedback was communicated to each faculty through Principal.
- The IQAC was instrumental in applying for NIRF 2022, the MHRD-India Today Ranking, and AISHE 2022.
- The Annual Evaluation of the Departments has been scheduled in May 2022.
- Bloom's Taxonomy Workshop on 18th November 2021 was organized for the both Arts and Science faculty.
- The IQAC prepared the various criteria for teaching, learning and evaluation. This consisted of 9 parameters which included Results, Library Usage, Organizing/Attending Workshop, Conferences and Seminars, Students Feedback, Peer Feedback, MOODLE Usage, NPTEL Courses, Video lectures and Annual Plan.
- The IQAC organized the NIRF Workshop on 30th October 2021.
- Steering Committee and Reformation Committee for the NAAC 5th Cycle was formed by IQAC.
- The IQAC was instrumental in getting the Digital footprints of the faculty's research credentials.

- IQAC proposed nine quality initiatives which include Institution's Innovation Council, Website Restructuring, Copy right for Lab manuals, Certificate verification, Day Care Centre, Distinguished Alumni Award, Booklet for New Initiatives, Outcome of Research Projects and Accreditation of NBA.
- Curriculum feedback from the stakeholders which include Students, Staff, Alumni and Recruiters was collected.
- IQAC was instrumental in collecting the feedback from the first-year students of UG and PG for the April 2022 Board of Studies meeting.
- Orientation for the coordinators of Groups and Movements on 23rd March 2022 towards the NAAC 5th Cycle was organized.

IPR CELL ACTIVITIES

The intellectual property rights (IPR) cell of Sacred Heart College has been functioning as a recognized nodal centre for filling patents, copyright and geographical index etc. by the Tamil Nadu State Council for Science and Technology (TNSCST), Chennai.

I am very happy to announce to you that, the IPR cell has so far conducted one two-day workshops, nine one day workshops with resource persons of good repute. Besides this, the members of IPR have frequently updated themselves by attending 4 seminars and workshops conducted by other reputed institutions.

As a result of the continuous efforts by IPR, Four patents have been successfully applied and submitted to the agencies for their perusal.

At this juncture I am very happy and proud to announce that through IPR cell of our college, we have Two patents successfully published, one being filled by our own institution and another by St. Thresha College for women, Eluru, Andhra Pradesh

As a significant move of collaboration, we have facilitated the establishment of IPR cells in other institutions like Gonzaga College, Elathagiri and Vidyamandir Arts and Science College, Uthangarai.

SIGNIFICANT EVENTS OF THE YEAR

- On the 21st December 2021, our college held a **Research Day** to highlight the college's research efforts. The magnificent achievements of diligent research from staff and students were recognised and rewarded at this occasion.
- Local Body Election awareness seminars for school teaching staff were held on September 24, September 29, and October 1, 2021.
- Rev. Dr. John Alexandar SDB's book "**Wise and Strong- Inspirational Nuggets for Parents, Teachers, and Leaders**" was released on October 29, 2021.
- A solemn **Ordination to Priesthood** ceremony was organized on December 27th, 2021, where 15 Salesians were ordained to priesthood.
- The **Republic Day celebrations** took place on January 26, 2022. The unveiling of Thiruvalluvar's statue, which stands Five and half feet tall in front of the college library took place on the day. The VGP organisation Ulaga Tamil Sangam sponsored for the monument. Kalaimamani, Dr. V.G.Santosam, Founder of VGP Group and the World Tamil Sangam, unveiled the statue.
- OLA conducted a district level Job Fair to attract students from colleges in and around Tirupattur. A total of **300** students got placed through this drive.
- On March 8th and 10th, 2022, the College celebrated **International Women's Day** to highlight the importance of women's contribution to society.
- The College's **Annual Sports Day** was celebrated on March 26, 2022. **Mrs. Sangeetha**, the Municipal Corporation Chairperson, presided over the event and handed out awards and diplomas to the athletes.
- On the 22nd and 23rd of April 2022, the **Cultural Fest, Heart Beats - 2022** was held to give a platform to the students to showcase their diverse abilities.
- On April 29, 2022, the annual **parents meeting** for first and second year students was conducted.

- The institution's Annual Governing Body meetings were held on December 11th 2021 & May 14th 2022 and the Academic Council meetings were held on 4th December 2021 & 2nd May 2022.
- SHYIA 2022 – an annual hall mark event for innovation was held on 11th April, 2022. About 159 innovative products and processes were displayed and the deserving students were awarded prizes worth **1 lakh**.

MEMORANDUM OF UNDERSTANDING (MoUs)

The following MoUs were signed to establish linkages with other institutes

- St. Joseph Leprosy Patient Society, Kalasapakkam, Tiruvannamalai and PG & Research Department of Social Work, Sacred Heart College (Autonomous) Tirupattur.
- PG & Research Department of Mathematics, Sacred Heart College (Autonomous), Tirupattur and PG & Research Department of Mathematics, Sri Vidya Mandir Arts and Science College (Autonomous), Katteri, Uthangarai.
- Department of Mathematics, Voorhees College, Vellore and Department of Mathematics, Sacred Heart College (Autonomous), Tirupattur.
- Department of Mathematics, Vellore Institute of Technology, Vellore and PG & Research Department of Mathematics, Sacred Heart College (Autonomous), Tirupattur.
- PG & Research Department of Mathematics, Sacred Heart College (Autonomous), Tirupattur and Department of Mathematics, Annai Velankanni College, Tholayavattam, Kanyakumari District.
- PG & Research Department of Mathematics, Sacred Heart College (Autonomous), Tirupattur, and Karpagam Academy of Higher Education, Coimbatore.
- PG & Research Department of Mathematics, Sacred Heart College (Autonomous), Tirupattur and PG & Research Department of Mathematics SIVET College, Gowrivakkam, Chennai – 600 073.

- PG & Research Department of Biochemistry, Sacred Heart College (Autonomous), Tirupattur and Reva University, Yelahanka, Bengaluru.
- PG & Research Department of Chemistry, Sacred Heart College (Autonomous), Tirupattur with HR Akademi, Cuddalore for academic collaboration.
- Collaboration with Redington and CSR Foundation – Chennai was established to share expertise.
- PG & Research Department of Mathematics, Sacred Heart College (Autonomous), Tirupattur and Selvam Arts and Science College (Autonomous) Namakkal – 637 003.
- PG & Research Department of Social work and Department of Extension Education Services Sacred Heart College (Autonomous), Tirupattur has signed an MoU of Sanitation first.
- Sacred Heart Institution of Management Studies and St. Claret College, Bengaluru – 560013.
- Sacred Heart Institution of Management Studies and Edify EdTech Vilankurachi, Coimbatore – 641035.

STAFF ACHIEVEMENTS

- **Rev. Dr. D. Maria Antony Raj, SDB**, Member of NAAC Peer Team visited S.G.V.V.T'S Shri Gavisiddheshwar Arts, Science & Commerce College, Koppal, Karnataka -583231, from 25.08.2021 to 26.08.2021.
- **Rev. Dr. D. Maria Antony Raj, SDB**, Member of NAAC Peer Team visited MES Keveeyam College, Valanchery, Malappuram Dist., Kerala – 676552 from 03.09.2021 to 04.09.2021.
- The Principal, **Rev. Dr. Maria Antony Raj SDB**, attended the Annual General Body meeting of Don Bosco Higher Education Institutions (DBHEI) held at Shillong on 14th and 15th November 2021. The meeting deliberated about the key issues of networking among institutions and sharing of resources for mutual growth and development.

ORIENTATION COURSES

Nobody can take your education away from you, which is one of the most appealing aspects of it. As a result, our faculty has attended several orientation and refresher courses in their respective fields as well as in interdisciplinary areas at various prominent universities across India. I commend them on their valiant efforts.

STUDENTS' ACHIEVEMENT

Mr. Premkumar. A, has won the National Fellowship and Scholarship for Higher Education for ST Students (13.08.2021) Awardee No. 202021-NFST-TAM-00077 (Research Steam – Humanities and Social Science) Government of India, Ministry of Tribal Affairs (Scholarship Division)

STUDENTS' STRENGTH

A student's decision to attend a certain college reflects his or her faith in that institution, and Sacred Heart College is lucky to have such dedicated students who bring honour to this institute through their hard work. This is where I declare the students' strength for the academic year 2021-22.

LIBRARY ACTIVITIES

Though this may be an exaggeration, our library is frequently referred to as the College's paradise. I am pleased to share the efforts of the Department of Library during the current academic year.

- ❖ 2328 new Books were added to the library collections.
- ❖ 27 UGC care listed Journals distributed by Sage Publications were subscribed.
- ❖ Membership with Magzter – an Online Magazine and Newspaper Database to access 7500 magazines and all the newspapers published in India.
- ❖ **Mr. Kulandai Francis**, Founder and Director, IVDP donated 286 books worth of **Rs. 2,00,000/-** (Rs. Two Lakhs).
- ❖ Dept. of English (Shift II) donated 272 books worth of Rs. 1,00,000/- (Rs. One Lakh).
- ❖ MOU with DELNET, NLIST- Inlibnet and British Council Library, Chennai
- ❖ 12300 eBooks Links were uploaded in Dspace (Digital Library).

- ❖ Workshops and Webinars were conducted for PG students on e-Resources and Research.
- ❖ Dept. of Library and AICTE departments in collaboration with National Digital Library of India Club organized a User Awareness Programme on **“Exploring Digital Resources in NDLI Repository”** on April 13th, 2022.

ACHIEVEMENT OF NCC CADETS

- **CSUO. V. JEEVA** (III. BA. Eng, Shift – II) and **SGT. G. SANTHIYA** (III. B. Com, Shift – II) had attended Inter Group (Pre IGC) Firing Selection Camp held at Kongu Engineering College, Erode from 12th July 2021 to 15th July 2021.
- **SGT. A. VIGNESH** (III. BA. History, Shift – II) and **CDT. M. DINAKARAN** (II. B. Sc. Comp. Sci, Shift – II) and **CDT. K. MONICA** (II. BA. Economics, Shift – I) had attended RDC selection Camp held at Kalaingnar Karunanithi Institute of Technology (KKIT), Coimbatore held from 20th September 2021 to 24th September 2021.
- **CDT. L. ROOBAN** (II. B. Sc. Chemistry, Shift – I) and **CDT. K. NIVEDHA** (II. B. Sc. Maths, Shift – II) had attended Basic Leadership Camp (BLC) held at Hindustan College of Engineering and Technology, Coimbatore from 09th November 2021 to 18th November 2021.
- **CDT. N. KALAIMUTHU** (II. BA. Economics, Shift – I), **CDT. V. JEEVANANDHAM** (II. B.Sc. Maths, Shift – II) and **CDT. S. SIVA** (II. B. Sc. Maths, Shift – II) had attended 10 days Pre Inter Group Shooting Competition 2022 held at Kongu Engineering College, Erode from 15th March 2022 to 24th March 2022.

SPORTS ACHIEVEMENTS

The achievements made by our students always stands second to none and I am happy to present the sports achievements of this year

1. **V.GOKUL** - III B.COM represented Thiruvalluvar University Athletic Team participating in the All India Inter University Athletic competition held at Mangalore University ,Mangalore, Karnataka,

2. **R.VIGNESH** - III B.COM represented Thiruvalluvar University Best Physique Team participating in the All India Inter University Best Physique competition held at Chandigarh University, Punjab.
3. **S.SYED NAZEEF**- III B.COM represented Tirupattur district athletic team in the 35th Tamil Nadu inter district junior athletic championship held at Dindigul and won silver medal.

REPORT OF DEPARTMENT OF EXTENSION EDUCATIONS AND SERVICES - OUTREACH

The Sacred Heart College Society has been commended as an agency for Women Empowerment and Rural Livelihood Development in this region. Over the years it had developed a commendable rapport with the local people, NGOs and Government officials for the successful implementation of its targeted programmes.

OUTREACH programme of Sacred Heart College (Autonomous) is a signature programme where all II year UG students of the college participate. As per the motto "**LAB TO LAND**" students reach out to neighbouring villages to share their knowledge and skills that benefit rural population and school children. **1207 students** along with the faculty members have reached out to **20 villages** in this **academic year 2021-22**. The school children and villagers were the direct beneficiaries of the programme.

WOMEN EMPOWERMENT

SELF HELP GROUPS

The women empowerment programme of The Sacred Heart College Society focuses on bringing women together for creating a common platform of mutual trust and support. The SHG also allows women to set up small business for earning some cash. Besides the financial autonomy, the SHG extends a platform for these women to discuss social issues. Presently we run this program in partnership with NABFINS (NABARD Financial Services Pvt. Ltd) and Indian Bank. Our SHG's have been engaged in enterprises like Coir Yarn Making, Coir Mat, Small Millets Value Additions, Masala Powder Making, Milk Value Additions, Vermicomposting and Leaf Plate Making etc.

EDUCATION

Sacred Heart College Society also imparts employability skills through our Skills Training Centre, increasing their ability to secure a job and helping India to be a truly developed country.

FAMILY COUNSELLING CENTRE

The Centre has expertise in dealing with the areas of family maladjustments, extra-marital affairs, Alcoholism, marital problems, psychological problems, work place related problems, personality differences, and rehabilitation. Based on its outcome-based interventions, the Tamil Nadu State Government has declared the Centre as State Service Provider and the counsellors have been declared as protection officers under the Domestic Violence Act, 2005.

CHILD DEVELOPMENT

CRECHE PROGRAMME

The Sacred Heart College Society organizing two crèche centres with funded by Central Social Welfare Board, Ministry of Women and Child Development, Government of India, New Delhi under the scheme of Rajiv Gandhi National Creche Scheme from 1986. In each centre more than 40 under privileged children, who were not able to get mother care and protection in the age of <5 age were admitted. So, totally 90 children benefited through this programme.

S.No	Name of the Place	No of Children
1	Sagaya Nagar	42
2	Sivarajpettai	48
Total		90

ACTIVITIES UNDER UNNAT BHARAT ABHIYAN (UBA)

The Ministry of Human Resource Development (MHRD) has launched Unnat Bharat Abhiyan with an aim to connect institutions of higher education with local communities to address the development challenges through appropriate technologies.

We have completed baseline survey in the adopted villages with support of MSW students and prepared Gram Panchayat Development Plan (GPDP) to solve the village level problems.

We have submitted proposal for additional funding under Perennial Assistance scheme and out of 473 proposals across the India and 78 institutions have been selected under this scheme and we are one among them.

The Sacred Heart College (Autonomous) has been awarded Rs.1, 75,000 under the **UNNAT BHARAT ABHIYAN (UBA)** Perennial Assistance Scheme by

Ministry of Human Resource Development (MHRD) and facilitated by IIT Delhi on the auspicious occasion of Independence Day celebrations on 15th August 2020 for implementing village development activities effectively in the adopted Villages.

DEEN DAYAL UPADHYAYA GRAMEEN KAUSHALYA YOJANA (DDU-GKY): SKILL TRAINING

DDU-GKY is uniquely focused on rural youth between the ages of 18 and 35 years from poor families. The Sacred Heart College Society has received sanction to train **520** unemployed rural youth from Vellore, Tiruvannamalai, Krishnagiri and Dharmapuri Districts from the Tamil Nadu State Rural Livelihood Mission (TNSRLM), Govt. of Tamil Nadu.

CSR FUNDED EDUCATION PROGRAMME IN 20 GOVERNMENT SCHOOLS

Sacred Heart College has always been in the lookout to serve the most needy of the neighborhood and society through the Department of Extension Education and Services (DEEDS). From October 2021 DEEDS reaches out to more than **5600** children in **20** Government Schools in and around Hosur supported by the CSR funds of **Schaeffler India Limited**, Hosur, through the Project titled **“Learning Outcome Improvement Project”**. Popularly called **“School to Career (S2C) Project”**, it aims to improve the quality of learning in the Education offered.

The Project has 20 Resource Persons and 3 Mentors. Schaeffler India Limited, the funding partner has committed to over **INR 3 crores** in the next 3 years and offers unconditional support in the Project’s Progress.

CONCLUDING REMARKS

‘Children and Young People are the Future; They are our Strength; They keep us moving forward. They are the Ones in whom we put our hope.’ As said by Pope Francis, we at Sacred Heart College strive for excellence in everything we do, especially in training young minds. With rising higher education demands, we are being challenged to broaden our horizons and reach new heights. In the end, we hope to educate and empower the young people who enter this incredible institution. True to our college motto and to the thought of our Father and Founder, St. John Bosco I am convinced that we are prepared for whatever good job or challenge is ahead of us.

I thank God, our Blessed mother and all stakeholders for their contributions to our college's success.

God bless Sacred Hearts!
